

Mingling With Marg

May Day's greatest news consists of engagements and weddings to take place right after school . . . the engagement of Margaret Baker to J. Wilgus Eberly has recently been announced . . . both are graduates of the University of Nebraska, where Miss Baker is a Mu Phi Epsilon, Alpha Rho Tau, and Pi Kappa Lambda, and Mr. Eberly is a Sig Ep . . . no date has been set for the wedding . . .

Thursday night . . . both Wednesday and Thursday afternoons there will be Tea Dances at the Union . . . all of which makes this a huge week for play, with the scholastic angle closing in, too . . .

Rifles to stage spring tryouts

Group to select new members today at 5

Selection of new members in tryouts, and practice on the newly prescribed form of drill which probably will be used at Nebraska next fall will comprise the Pershing Rifles meeting at 5 o'clock this afternoon.

Giving students the opportunity to learn the 12 man squad routines in advance of regular class instruction and thus offering them better chances for non-commissioned officer ranking next fall, the training will be especially beneficial to freshmen interested in military promotion.

The Pershing Rifles office promises that all men taken into the organization this spring will be initiated as soon as school takes up next fall. Applicants should report to the company office on the second floor of Nebraska hall prior to the tryouts.

Reservations for the annual banquet to be held May 17 at the First Sergeant's . . .

The Lambda Upsilon, honorary chemical society, members will meet for their regular monthly business meeting this evening at 7:15 p. m. in Avery 102. There will be an initiation of associate members and an election of officers of next year. Plans are to be made for the picnic that will be held May 13.
