half mile as he spurred out of nowhere on the final 300 yards to win in 1:52.6, only four-tenths of a second over Cunningham's conference record.

won the discus for Nebraska, was high point man of the meet with 11 counters, as he took thirds in the shot and javelin. John Shirk, Oklahoma's defending discus champ was third.

Knight comes thru in javelin upset. "Bus" Knight came through with one of the meet's biggest upsets as his 195' 6" mark in the javelin preliminaries Friday stood to beat defending champion Bob Waldram of Missouri, who did not better the 194' 2" effort he made Friday.

Sophomore Lloyd Wright tied Eddie Toribio of Oklahoma for first in the century in 10.1. Toribio was announced as the winner, but the judges got together again and called it a tie. The chunky Sooner sprinter came back to win the 220 in :21.8, as the best Lyle Foy, double winner for Kansas last year, could do was a fourth in the hundred.

Hackney fails to break record.

Disappointment of the meet was the inability of Elmer Hackney to break the shot record. Hackney, bothered by a sore thumb, got his best toss, 51' 4 1/4" Friday.

Richard Hotchkiss of Kansas State won the high hurdles, Bob Stoland of Kansas, who dethroned Harwin Dawson in the broad jump, tied Dick Schnacke of Iowa State in the high jump. Neither succeeded on attempts at a new record after they had cleared 6' 3 3/4". Don Eird, Kansas, did 13' 6 1/2" to win the pole vault, but also missed as he tried for a new record. Oklahoma won the relay. Huskers pull away from Sooners.

The Huskers, who grabbed 32.2-5 points on the field to 24 1/2 in track events, ran neck and neck with Oklahoma early in the meet, but Simmons' first and Dawson's second in the lows put Nebraska out in front to stay, and the discus returns, which gave the Huskers 11 more to 4 for Oklahoma, clinched the 1939 championship.

As I See It

by June Bierbower

(Today's column is written by David Thompson, staff sports writer.)

Only athletic event of any consequence here in Lincoln this week end with all the Big Six meets being held at Ames, was the eleventh annual track and field championships of the Missouri Valley High School Athletic association. Lincoln, state champion of last week, came through again to win it with a total of 46 points. Sioux City East was closest to the Capital City's team with 33, Omaha Central next with 29 1/2, Omaha Tech with 22 1/2, Sioux City Central with 13 and Abraham Lincoln of Council Bluffs with 8 1/2.

Four old M. V. H. S. A. A. records fell in the meet yesterday with Lincoln's Howard Debus setting two of them. Debus automatically set a new record in the discus because of the change in weight of the new high school discus. His heave was 157 feet 6 inches. In the javelin he beat his own record by 7 1/2 inches as he threw it 176 feet 11 1/2 inches.

Allan Mactier of Omaha Central set a new record in the 120 high hurdles in the preliminaries yesterday morning as he ran the distance in 15.4 seconds but was able to win the finals only by a nose from Bob Jordan of Lincoln in 16 seconds. The other record fell at the hands of Ted Thompson of Sioux City Central who copped the half mile in 2:00.5. The old mark was 2:03.6.

Advance publicity on the A.A.U. meet to be held here in July is already coming out in Lincoln publications such as the "Look at Lincoln." Lincoln chamber of commerce publication. Expectations are already running high with Earl Meadows, California's great pole vaulter; Don Lash, Indiana state policeman and star two miler; Glenn Cunningham, old man of the mile; the Rideout twins, North Texas Teachers distance stars; Clyde Jeffrey, defending junior dash titleholder and Stanford student, and Kansas State's Elmer Hackney topping the list of probable entrants.

Listed in the chamber's bulletin as Nebraska entries are Edsel Wibbels and Ray Prochaska in the discus, Eldon Frank in the javelin and hurdles, Bob Simmons in the hurdles and 440, and Herb Grote in the javelin. To this list I would surely add Gene "Red" Littler, Nebraska frosh star and strong entrant in the junior dashes.

(6 feet 2 inches); Hilton, Missouri, and Mullen, Oklahoma, tied for fourth (6 feet).
Broad jump: Won by Stoland, Kansas (23 feet 10 1/2 inches); second, Schumitzky, Missouri (23 feet 5 1/2 inches); third, Dawson, Nebraska (23 feet 6 inch); fourth, Harris, Iowa State (23 feet 1/4 inch); fifth, Neumann, Nebraska (22 feet 8 1/2 inches).
Shot: Won by Hackney, Kansas State. Shot: 43 inches; second, Mills, Nebraska, 48 feet 8 1/2 inches; third, Wibbels, Nebraska, 47 feet 9 1/2 inches; fourth, Friedland, Kansas, 47 feet 2 1/2 inches; fifth, Vanderbilt, Kansas State, 46 feet 9 1/2 inches.

Discus: Won by Wibbels, Nebraska (143 feet); second, Prochaska, Nebraska (140 feet 5/8 inches); third, Shirk, Oklahoma (135 feet 6 1/2 inches); fourth, Mills, Nebraska (133 feet 5 1/2 inches); fifth, Prichard, Oklahoma (129 feet 1 1/2 inches).
Pole vault: Won by Bird, Kansas (13 feet 6 1/2 inches); second, Sargent, Iowa State (13 feet 2 inches); tied for third, Neumann and Scott, Nebraska; Fender, Oklahoma; Byers, Iowa State; Tone, Oklahoma (12 feet).
Javelin: Won by Knight, Nebraska, 195 feet 6 inches; second, Waldram, Missouri, 194 feet 2 inches; third, Wibbels, Nebraska, 193 feet 11 1/2 inches; fourth, Durand, Kansas, 185 feet 9 1/2 inches; fifth, West, Oklahoma, 181 feet 4 1/2 inches.

Union turns on air cooling system for summer term

The Student Union's air cooling system was turned on last Friday for the first time this year, according to Charles Bolus, chief custodian of the Union. The system, which uses cold water to cool the air, will be run from now until the end of the long term of summer school on Aug. 5. After that time the air conditioning and circulating part of the system will be in use. This air circulating equipment which filters the air, is used thruout the entire year, and conditions all air used in the Union.

Oklahoma pounds out 11 to 2 victory Friday, after 5-3 win Thursday

Oklahoma's barnstorming baseball squad pounded out 11 hits and scored as many runs as they swamped the Huskers, Friday afternoon, by an 11-2 count, after taking Thursday's game 5-3. The two wins kept the Sooners within mathematical range of the league leading Missouri Tigers.

Up until the seventh inning, the game was a pitcher's duel between "Rube" Denning and Pope. Sooner chucker, Oklahoma scored its first run in the second frame when interference was ruled on Catcher Moates. Riley, Sooner first sacker, came in from third on the play.

Score tied.

Nebraska knotted the count in the fourth when Wilson reached first on Shortstop Crosby's error. He immediately stole second and third and romped home on Harris's single to right. The Huskers' other tally came in the seventh inning when Wilson led off with a single, advanced to second on Riley's error and scored when Pitcher Pope threw Ray's roller into right field.

The Sooners tallied twice in the seventh on Catcher Baker's disputed double along the third base line. In the eighth, Myer started the inning with a single, but was forced at second on Berryman's roller. Culledge, Oklahoma second sacker, doubled, scoring Berryman, and tallied on Riley's triple to left. The Sooner third baseman scampered home on Lasater's single to right. Baker fled to Tegmeier to end the inning.

Riotous scoring.

The scoring became a riot in the Oklahoma half of the ninth inning. Blackwell was hit by one of Denning's slants, and Myer reached first on Denning's wild throw to Rubino. Three successive hits, a double by Berryman, a single by Gullidge and a home-run by Rightfielder Scheffler accounted for five more runs. Lasater's grounder to Rubino ended the rampage.

The Huskers stuffed the sacks in their half of the eighth, but lacked the punch to drive in the badly needed runs. The threat ended as Harris grounded to Myer.
