

## Mingling With Marg

Grim faces and frantic last minute thoughts as finals close in and things quiet down for the cramming . . . this pre-exam week end carried lots of fire, though, on picnics, dancing and banquets . . . the Park turned up with several new and different combinations as well as several old steadies . . . Pi Phi Agnes Wanek was there with a Phi Delt instead of the usual Fiji, Bob Davenport . . . Tri Delt Pat Green was there without the usual escort, Bob Evans, DU . . . DU Max Lake had a date with Tri Delt Ruth Iverson, Pi Phi Charlotte Stahl with Beta Bill Edwards . . . and Kappa Delt Alice Nemec with Sigma Nu Bruce Campbell . . . today is the day for the Sigma Chi Sweetheart dinner and the ATO picnic . . . at the Sigma Chi dinner will be Alpha Chi Val Harper and Art Kleinhans, and also Betty Bachman (BDGOC) with Bob Thomas . . . at the ATO picnic will be Roy Proffitt with Kappa Jean Humphrey, Bucky Prime and Tri Delt Olive Speith, Chuck Davis and Theta Peggy Cowan, Ralph Worden and Delta Gamma Helen Jane Anderson . . . at the opening of the club last night were Tri Delta Jane Allen and DU Jim Shelley . . . at the Turnpike were Delta Gamma Polly Perkins and Sig Ep Bus Schroff . . . along the line of more gore, we might mention that

the formerly steady deal between Pi Phi Jane Shaw and Sig Alph Burdette Wertman has simmered to "dating occasionally" . . . and that the dating between Gamma Phi Marion Bradstreet and Delt Al Kjar is picking up . . . and that Alpha Chi Rachel Diller is on the steady list with Lyman Spurlock, band director . . . and that Beta Piker Davis has taken note of the spring redecorating and upholstered his car, Jessica . . . and a little rejuvenating might be done to Virginia, the auto at the DG house, which is now blessed with only one cylinder and three flats . . .

Among the more formal parties of the week en' are the ATO Roundup, the state Tri Delta meeting, and the Delta Gamma senior breakfast.

The ATO roundup was held last night at the University club, and was attended by actives and state alums.

The Delta Delta Delta meeting was held Saturday at the chapter house. Guest of honor was Mary Bake of Cincinnati, a national officer. Morning meetings were followed by a luncheon.

The Delta Gamma breakfast, held in honor of seniors, was held Saturday morning at the University club. Nan Talbot, president, introduced Francis Boldman, who gave a short speech.

## Sigma Tau pays tribute to Dr. Jewett

### Engineering honorary places telephone head's picture in hall of fame

In tribute to the many achievements of Dr. Frank Baldwin Jewett, the Nebraska chapter of Sigma Tau, engineering honorary, has voted to hang his picture in the mechanical engineering building hall of fame. Jewett's photograph is the 26th to be included in the collection, which is increased by one each year.

Dr. Jewett, vice president of the American Telephone & Telegraph company and recipient this year of the John Fritz medal, highest American engineering honor, will address the senior graduates on June 5.

In 1904, Jewett became associated with the telephone company. Going up the ladder, he became assistant chief engineer of the Western Electric company in 1912 and in 1916 was appointed vice president and director of the A.T.&T. long lines department.

He has been closely linked with the development of the transcontinental telephone, the vacuum tube, the introduction and development of machine switching on a large scale and high speed submarine cables.

## Penny manager to see seniors

### I. K. Prusia interviews June grads Monday

I. K. Prusia, district manager of the J. C. Penny company will interview graduating merchandising students at Nebraska Monday.

Adopting the policy advocated by T. T. Bullock, chairman of the Nebraska placement committee, of making several interviews with each university every year, the Penny man makes his second trip to the school at this time. Last winter he interviewed January graduates and took a preliminary survey of the June class material.

He will outline the positions and describe the program of his company before group meetings in the Langworthy Taylor library, at 9 and 1:30 o'clock. Appointments for individual interviews should be made in SS 306.

## Dr. Guilford to serve on Psychology Journal

Dr. J. P. Guilford of the department of psychology will be consulting editor for the Journal of Experimental Psychology beginning with the July issue. He serves three other journals in a similar capacity, Psychometrika, Psychometric Monographs and the Psychological Record. Dr. Guilford has been asked to deliver an address on personality, in a series of lectures on the social sciences at the University of Southern California this summer.

## Students indict American education as impractical

BY JOE REIDEN, Editor, Student Opinion Surveys of America.

AUSTIN, Tex., May 20.—Modern American education, in the opinion of the majority of the million and half college students now getting educated, is not meeting present day needs.

Six out of every 100 students in our colleges and universities have some indictment to make. The Student Opinion Surveys of America have discovered this in a national poll conducted for the DAILY NEBRASKAN and 87 other campus publications co-operating in these studies.

Some may say that the average college boy is a chronic complainer about his school work. But interviewers for the surveys found that most of these students are able to put into words what they think education needs. The great cry is for more vocational training and specialized study. Overwhelmingly, collegians everywhere made that statement—although many were found who want colleges to change their courses of study with an emphasis on cultural background and liberal arts.

### Too much theory.

Still, approximately, every student approached seemed to say, "We are getting too much theory that we cannot use in finding a job when we step from college into

a world crowded with unemployed." That attitude goes hand in hand with a recent poll taken by the surveys in which students declared they believe they are facing a world that offers less opportunities than it did before they were born.

Whether the American college student is right or wrong the surveys do not try to point out. This is merely a record of what they say and why. For example, there are a good many who would like to see education "atuned to the world of today, modernized." Faults, they say, are found in curricula that do not fit individual needs, and there are many incompetent teachers. This might be corrected, one student suggested, by paying faculties higher salaries.

Some state that schools should teach more patriotism, educate people to distinguish between democracy and "isms." There is too much emphasis on grades, some hold—and a few even complain that the courses they are now taking are "snaps"—too easy.

Perhaps pointing to local conditions, students of the Middle Atlantic states were the least satisfied, while those of the West Central and Southern sections split almost 50-50 the question, "Generally, do you think education is meeting present day needs?"

## Miss Keefer heads frosh honorary

### Alpha Lambda Delta elects new officers

Frances Keefer, freshman in teachers college, was elected president of Alpha Lambda Delta, freshman scholarship honorary, at a meeting held Thursday afternoon.

Also elected at the meeting were Jean Robinson, vice president, Harriet Jane Bowman, secretary, and Eva Speier, treasurer. Faith Medlar was chosen senior adviser and Miss Winona Perry was re-elected faculty adviser. Alpha Lambda Delta members will be asked to help freshman girls with difficult studies next semester, announced Elnora Sprague, outgoing president, among other activities which they regularly perform. Membership in this group is awarded freshman girls who have made an average of 90 or above for their first semester or year at the university.

## Dr. Martin to preside at accountants meet

Dr. R. O. Martin, chairman of the department of business organization and management, will preside at one of the meetings of the regional conference of the American Institute of Accountants at Des Moines June 1 and 2. Dr. Martin's section will discuss proposals for improving auditing procedures.

## Harpist presents recital today at 4

Popular and concert numbers will be included in a recital played by Frances Kaub, harp student with Marjorie Shanafelt, this afternoon at 4 o'clock in the Temple.

Handel's "Largo," "The World Is Waiting for the Sunrise," and "Sextette from Lucia" are among the numbers Miss Kaub will play, besides a true harp number by Godefrid, "Eolienne Harp." Following is the program:

Handel, Largo.  
Hasselmanns, Prayer.  
Schuecker, Mazurka.  
Hasselmanns, Valse de Concert.  
Godefrid, Eolienne Harp; St. Dunstan placed a small harp, whose strings were tuned in unison, in a window and the wind caressing it made audible exquisite melody.  
Adams, Bells of St. Mary's.  
Arr. by Kaub, The World Is Waiting for the Sunrise.  
Arr. by Sheahire, Sextette from Lucia.  
Mason, Nearer My God to Thee.
