## Subscription cost of DAILY less than cent per copy

Subscriptions to THE DAILY NEBRASKAN, are available beginning tomorrow morning at rates of less than one cent an issue. Fifty subscription salesmen will undertake the drive, aided for the first time in NEBRASKAN history by members of Corn Cobs, men's pep organization.

Offering subscriptions for \$1.50 the entire school year, with mailed subscriptions for \$2.50, salesmen will be stationed at booths in social science, on ag campus, in the Union lobby, and at the coliseum during freshman registration.

NEBRASKAN At Low Price. "Compared with other campus

papers which receive an equal rating from the American Association of College Newspapers, the cost of THE DAILY NE-BRASKAN is unusually low, considering that the Princetonian costs \$7.50; the Columbia Spectator, \$7.00; the Yale Daily News, \$6.00, and the Daily Californian, \$4.00." stated Business Manager Arthur Hill.

According to Hill, the newspaper's aim this year is to give efficient service to all students, on ag campus as well as the city campus; to faculty members, Lincoln townspeople and alumni.

seniors, all branded with the devil across their chests. The first impulse is to look for a way to escape. There is none. These branders permit no questions, and guard the corral gate with care. The first quiver of a fore paw is the sign for action.

#### Hogtied, branded.

The poor freshman is rapidly hogtied, the brand is placed upon his head, and the last remaining bit of tallow is removed from 1 pocketbook. With the exception of a few whimpers, the entire ghastly process proceeds quickly and quietly, and the critter is passed on to his winter caretakers, the profs, who will fatten him with great gems of knowledge.

These brands are worn by the freshman until the snow flies or until their unwieldy members are able to stampede the sophomores

at a tug of war.

the first semester, making it impossible for them to carry full college courses.

Death and injury insurance up to \$3,000 and hospitalization and medical insurance of \$500 will be paid for every student. The insurance fee of \$20 will be taken from a \$40 laboratory fee charged the first semester. There is no fee the second term.

The university will receive \$20 from the aeronautics authority for each student to defray expense of the ground work. Instructors will be paid \$270 to \$290 for each student they teach. The authority also will arrange to secure necessary instructional equipment.
