

Pledges take over dating news

You mean those fellows behind the cage at the Student Union? . . . Well, they are Bob Kerl, Lowell Jackson, and Bob Sinkey. . . . I understand they all go by the name of head cashier. Lois Keller is the girl behind the cash register in the grill. Then that red-haired fellow what checks your hat and coat is Tom McQuillan. He doesn't like curious people; so you'd better beware.

Now that we have rallied the team off, we can take our chances on talking about them. . . . the rest of the team wishes that Bob Luther would make up his mind and either date Marian Bowers or June Alice of the "Knight" acquaintance.

Inquiring further, we found that Bob Burruss' life ambition will be realized if Mary Jean McCarthy, Kappa pledge, will speak to him. Of course he still has one eye on Barbara Dale, Chi Omega.

Harry Hopp makes frequent trips to Hastings, but confesses that all he needs is a little encouragement on this campus. Vike Francis and Yvonne Costello are still making the rounds together. . . . and Herm Rohrig is still with his old Lincoln high flame.

But we've come across a lot of new finds. . . . For instance Cliff Meier, the Phi Delt playboy, really fell for Gay Gimple, Delta Gamma pledge. He already has her dated up for the Military Ball and his Christmas party.

Harry Rinder, Beta, is running around in a daze all because of a Pi Phi pledge, Connie Merriam. Then too, Margaret Hoppert, pledge at the A. O. P. house, has heart throbs for Bud Boyden, Phi Delt pledge.

Friday was the big night for some of the boys living at the glass house. . . . Chic Oldfather threw a big party at his place. He was with Tess Cassidy. You know that's a blind date that's turning out pretty steady now. Phil Anwyl is "escorting" Mary Lou Kelly, Kappa.

Well, we shall see what we shall see . . .

Gamma Phi pledge, Max Hoffman is really giving the Chi Phi and Delt pledges the run around. We understand she is reason enough for another phone at 415 North 16th.

A number of Sig Alphas evidently didn't appreciate the game played by Fritz Olmstead, Kappa Sig, and Betty Ferguson, Chi O. The boos were terrific. Jealous or just interested?

Marian Stone, Kappa Delta, is still receiving letters from Marv Plock. We hear he's planning to get married, or is he? Shall we mention the Sig Alpha-Alpha Phi exchange dinner? Pat Prime and Chet Fiesbach and a number of others. . . . Oh well. . . .

New pledge couples at the Alpha Xi Delta and A. T. O. houses. . . . Catherine Smith and Kep Harding and Maudie Fowler and Bill Coffee. . . .

Pi K. A. announces the pledging of Richard Peterson and Isaac Todd of Fort Scott, Kansas. New pledges at the D. U. house are Val Anderson from Gillette, Wyo., and Bob Greene from Kansas City, Mo.

New pledge of Delta Sigma Pi. . . . Jim (Teke) Wehrman.

New pledge officers at the Alpha Xi Delta house are: president, Betty Jane Lawson; vice president, Marion Whitney; secretary, Bernice Askey; and treasurer, Catherine Smith.

Hertzler writes article

"The Casual and Contributory Factors of Dictatorship" is the title of an article by Dr. J. O. Hertzler, chairman of the department of sociology, which is published in the current number of Sociology and Social Research.

Law journals to review Orfield's 'appeals' book

Prof. Lester B. Orfield's book on "Criminal Appeals in America," which was published last month, will be reviewed in the October issue of the Journal of the American Judicature Society, the Journal of Criminal Law, the American Bar Association Journal and several law reviews. Introduction to the book was written by Dean Roscoe Pound of the Harvard law school.

Neutrality--

(Continued from Page 1.) whom? This then is the question appearing before the United States Congress. The diversification of opinion among the professors on this campus easily explains the diversification of opinion within Congress.

The DAILY NEBRASKAN will keep students up to date on the Congressional debates through its bulletin board in the Union lobby, and through the comments of Woerner and Steele in each morning's paper.

C. W. Scott to speak

Dr. C. W. Scott of the department of school administration will address junior and senior high school teachers of Beatrice Tuesday afternoon on "Counseling High School Students."

Cornhusker--

(Continued from Page 1.) not appear in the 1940 Cornhusker, either in the class section or with their (consequently smaller) fraternity group. No exceptions are to be made to this deadline, for the Cornhusker intends to take advantage of a 40 percent discount on the entire engraving job if the pictures are received by the engraver on Dec. 15. All fraternities and sororities are asked to set a deadline for their own group.

Sounding out sorority sentiment on styles, Editor Hager found it was "down on drapes," so the Cornhusker will offer two or three styles of sweaters from which each organization may choose. Too much similarity between the appearance of groups will be avoided by varying the neck arrangement.
