

# Browne names Bud Tallman to captain NU in second conference basketball game

Frank "Bud" Tallman, senior forward from Creston, Iowa will captain Nebraska against Missouri in the Huskers' second Big Six game of the year, basketball coach W. H. Browne announced yesterday.

FRANK TALLMAN

Tallman, who has been alternating at a starting forward position with Irvin Yaffe this year, won minor letters in his two previous seasons with the Huskers.

Browne and the team will leave for Omaha at 7:30 Friday night, then go on to Columbia for the Saturday night game there.

The Husker starting lineup, which is never settled until game time, will probably have Tallman at forward, Yaffe having started the Iowa State tilt. Harry Pitcaithley, the team's high scorer is

a fixture at the other forward as is Don Fitz at guard. Coach Browne has been holding Sid Held in reserve for the past few games, having started Al Randall and Bob Therien at center and guard respectively against both California and Iowa State.

### Veterans return.

Veterans John Lobsiger, Blaine Currence, Clay Cooper, Haskell Tison, Bill Harvey, Martin Nash and Arch Watson will be on hand to attempt to stop the Huskers who won a rather surprising victory against Iowa State.

Cooper was "hot" in the second half here last year as Missouri beat the Huskers in a last period rally, but both he and Currence have but recently rejoined the team, and sophomores will see plenty of service against Nebraska.

Missouri lost to NYU and St. Joseph's in Philadelphia on an eastern tour without Cooper and Currence, but with the two boys back they walloped the Greeley Teachers. The Huskers will be after their third win in a row, and their sixth of the season, having won five and lost four.

Chili Armstrong's Nebraska "B" team won its third victory in four starts last night as the Husker subs pulled away from Dana college of Blair in the last half to win 54-39.

The Husker reserves jumped into an early lead, and although the Vikings were on their heels most of the first period, were leading 24-19 at half time. With three minutes gone in the second period the "B's" had jumped into a 34 to 24 lead, and were never threatened.

John Hay, varsity candidate playing his first game with the reserves, led the scoring with 16 points, getting five buckets in the last half. Don Pollock was the scoring gun in the first period, getting nine of his eleven points then.

Standouts for the visitors were Robert Jensen, guard, Berkeley and Paul Peterson. Jensen got fourteen points, and the Petersons, who weren't brothers, got eight each.
