

# DU's nip Farm House 16-15 in Thursday night's standout

Delta Upsilon's 16-5 win over Farm House in League 3 last night was the feature intramural basketball game, as the loss dropped the Farm House from a tie for first with the DU's and Phi Deltas. The Phi Deltas, meanwhile were beating Delta Sigma Pi, 16-8.

In the other League 3 encounter, the Sig Alphas breezed through to a 35-10 win over Pi Kappa Alpha. The Delta Sigs and Pi K A's are now tied for the cellar, while the SAE's are fourth, and Farm House third in that league.

### Petsch stays.

Roy Petsch led the ATO's to a 34-4 win over Beta Sigma Psi in League 2 with 13 points, as all three of the league leaders won games. The Deltas shut out the Aencia's 24-0, while Hub Monsky led Zeta Beta Tau to a 16-7 victory over Phi Sigma Kappa.

Sigma Alpha Mu suffered its first loss of the season as the Kappa Sigs, reinforced by Don Schulz and Leonard Van Buskirk formerly of the "B" varsity team, won 31-20. The AGR's won their second victory as against no defeats when they beat Chi Phi 19-11. It was the Chi Phi's first defeat, and leaves the ATO's in undisputed possession of first place in League 1. The Phi Psi's beat Alpha Sigma Phi in the other game.

### KKK's win.

In Barb play the KKK's put the clincher on their league championship as they won against the Regular Fellows 23-9. They had beaten their closest rivals, the Pied Pipers, 17-18, and needed only the win last night to give them a clear-cut title claim. Ross was outstanding for the winners.

Semifinal playoff games in Barb competition will be held Monday night. Barbed Point, Brown Palace, and Dark Horse Club also won championships. The two winners Monday night will play Wednesday evening for the title, and observers favor the Brown Palace and Dark Horse teams to play in the finals.

In other games, which had no effects on the championships, Commanders beat Raymond Hall 2-0, Pawnee Club beat Clippers 6-5, and the Cornshellers dropped one to the Union Leaders 16-3.

## W A A NEWS

Girls' Rifle Club will practice every Monday, Wednesday, and Friday, in Andrew's basement from 5 p. m. to 6 p. m.

There will be no Tanksterette's meeting Saturday, Feb. 17.

The regular Thursday night Barn Dance will be held in Grant Memorial from 7 to 7:50 p. m.

### TONY GALENTO—CAVALIER

A column back we told about a rather mournful pilgrimage to the bear paradise of Tony Galento over in the wildernesses of New Jersey and how he mostly didn't care whether we came or went.

It isn't so, it seems.

If we can credit a most gentle note we've just received from the spheroid one's amanuensis, some college guy read the wistful comment aloud to Tony. His feelings were hoited.

"Mr. Galento," to let you in on our correspondence, "was merely preoccupied, not surly as you suggest. Perhaps you'll drop by again."

As we've hinted already, Mr. Barrymore is with us again in an inoffensive little number called "My Dear Children," all about an antique actor, father of three stunning daughters, carrying on in the Swiss Alps.

Some of the lines are so dreadful that Mr. Barrymore winces as he pronounces them.

We would be doing the authors wrong (Catherine Turney and Jerry Horwin) if we did not take stock of the fact that neither is making eyes at the Pulitzer committee. All they had in mind was to tailor a conversation piece for Barrymore. He handles the alterations himself, ad hbbing all over the place.

by June Bierbower.

Dick Dunkel rates the Missouri Valley-Big Six teams in order... Oklahoma A&M, Missouri, Oklahoma, Kansas, Drake, Tulsa, Nebraska, Creighton, Iowa State, Kansas State, Washburn, Washington, St. Louis U... Bob Saggau. Notre Dame's football speedster, ran a :06.2 sixty against Marquette Saturday... Les Steers, the blond Adonis of the Pacific, had two of the top junior college field event marks of last spring... Steers, who attended San Mateo junior college, was commonly heralded as the nation's best high jumper... he excelled in javelin throwing, too, though... he had 6-8 1/4 in the high jump and 210 feet in the javelin... all of which reminds us that the Huskers' opponents who will be getting very tired of Nebraska sophomores in indoor track won't feel any better when the outdoor season comes... for then Herb Grote, another soph, who heaved the spear better than 213 feet in the AAU meet, will be with the Huskers.

Frank Tallman's scoring spree Tuesday night indicated one thing about this year's Husker basketball team. The opponents can't lay for any one man to stop, because nobody can tell in advance who's going to get hot for Nebraska on a particular night, especially during the past few weeks when the Huskers have had to go it without Fitz and Pitcaithley.

The Huskers don't have a Luisetti or a Ray Ebling to constitute their whole offense; rather nine different men have been high scorers for the Huskers one night or other this season.

Al Randall was high pointer against South Dakota, then Harry Pitcaithley was tops in the Indiana and Minnesota games. It was Don Fitz' turn against Utah and Stanford. At Wisconsin, sophs Hartmann Goetze and Sid Held sprung up with 13 and 12 points respectively. Then Pit turned in a 15 point night against Detroit.

California nor anyone else had heard of Bob Therien the night the Bears played here, but the Bethany player rose from the ranks and dumped in 12 points that night.

Pitcaithley had his last scoring splurge when Iowa State opened the conference season here, getting 14 points. Then the Huskers lost six games in a row. Al Randall garnered 8 points, the most any Nebraskan could get against Missouri and Kansas State. Then Oklahoma came here and it was 18 year old sophomore Johnny Hay who got 10 points and led the crippled Huskers who got 41 against the Sooners.

Against Missouri, it was Hartmann Goetze who got 14 against his homestaters, Oklahoma was laying for Goetze and Held, and it was Yaffe who got 10 counters against the Norman team down there. Then Tuesday night it was senior Tallman, who hit a hot streak which won't be forgotten very soon.

# The DAILY NEBRASKAN

## Littler goes after 300 yards title at annual Illinois relays

Head track coach Ed Weir, assistant Harold Petz and eight members of the Husker track team left yesterday for Urbana where they will participate in the Illinois relays there.

Gene Littler, who established a new Nebraska indoor 440 decord when he ran that distance in :50.1 against Kansas last Saturday night is entered in the 75 yard dash and 300 yard run.

Littler holds the university course record in the 300 yard event, and will be after a title won by record holder, Roland Locke, ex-Cornhusker 15 years ago. He also won the 60 yard dash in :06.4 against Kansas, but is better at longer distances. Ralph Hammond sensational Negro sophomore from Indiana U. will be among Littler's stiffest rivals in both events.

### Brooks to run.

Harold Brooks, Gothenburg sophomore, will run either the 1,000 yard race or the 1,500 meters, and in either race will undoubtedly be up against Lonesome John Munski, the Big Six champion from Missouri, among others.

Edsel Wibbels and Ray Shchaska will be entered in the shot after placing one-two against Kansas. Wibbels got 48-2 against Kansas, and is doing around 49 feet in practice.

Bill Smutz, Pawnee City sophomore, who got 18 points in the Kansas dual, is entered in the 75-yard dash, the high and low hurdles and the broad jump.

Bill Cook, North Loup 2-mile star, is entered in the 1,000 yards and 1,500 meters races. He won the two-mile event in the Kansas meet.

Harold Hunt, North Platte, who did 13-1 in the pole vault Saturday night, will go up against a select field in his event, as several of his foes have done around 13-6 or better. Harold Scott, Lincoln junior, and a pole vault letterman, will also enter that event.

## Two ag college freshmen chosen for 4-H convo

Four young Nebraskans were named yesterday for the highest honor available to 4-H boys and girls—the right to represent the state's 23,000 club members at the National 4-H camp in Washington, D. C. next June. The four are Thomas Armstrong, Deuel county; Elsie Tomich, Kimball county; Robert Hill, Thayer county; and Minta Carol Fischer, Richardson county. Both girls are freshmen in the college of agriculture.

Each year a committee from the college extension service selects a boy and a girl from eastern Nebraska and a boy and a girl from western Nebraska to receive this recognition. Definite abilities of leadership, successful completion of several years of club work and service to local club and county figured prominently in yesterday's awards.

## Coast Guard training to be screened Monday

"The training and experiences of the Coast Guard" will be the subject of a sound film to be shown by Lieutenant Wev in Nebraska hall 110 at 5 p. m. Monday, February 19. The film will be shown for men who are now enrolled in the military department or who have had military experience.

## Wrestle team faces ISC this evening

Huskers have better mark against Gophers; foes inexperienced

Nebraska's wrestling team, victorious in only one of four starts, takes on Iowa State's team at Ames tonight.

Iowa State has beaten Indiana, Big Ten champions, and Carleton and Colorado State, but lost every match except one to Minnesota which could beat Nebraska only 21 1/2 to 14 1/2. However, the Cyclones lost to a stronger Gopher crew than did the Huskers.

Two Big Six champions, Ray Stone, 128 pounder, and heavyweight Howard Buck will wrestle for the Cyclones. Gene Farrell, second place winner in the 145 pound division will wrestle at 155 pounds. Sam Linn, 165 pound letterman, is the most improved man on the squad, and will face Dale Ruser of the Huskers at that weight.

### Kuska meets Rice

In the 121 pound division, Milt Kuska will go against Bill Rice, sophomore, and in the 136 pound division George Cackle will face Willis Kuhn, another sophomore.

John Housman, sophomore, is the 145 pound Cyclone representative, and a fourth sophomore, Dave Schwitters, will be at the 175 pound division.

Making the trip for the Huskers are Kuska, Ed McConnell, Cackle, Newt Copple, Ray Tomes, Dale Ruser, Al Mulliken and Royal Kahler.
