

# Husker-K-State meet marks better Missouri-KU efforts

Marks made in the Nebraska-Kansas State track meet Friday night were better in eight of twelve events than were those made in Saturday night's Missouri-Kansas match.

From a Nebraska-Missouri angle, seven Nebraska marks were better than those made by the Tigers.

Missouri won every event except the 60 yard dash against KU, but could excel the Huskers in only five events—the mile, high jump, two-mile, broad jump and relay, although their team may be better-balanced than Nebraska.

Johnny Munski's great mile effort of 4:18.5 was better than Harold Brooks' 4:31.1 for the Huskers, but Red Littler did the 60 in 6.3 seconds. Darrel Mathes of Kansas who beat out Sol Schumitzky of Mizzou, turned in a :06.4 effort.

### Tie in high jump.

Meyers, Miller and Hilton of Missouri did 5-10 in the high jump. Gene Solt of K-State won that event here at 5-11 but Dale Nan-

nen and Junior Smutz could get but 5-9 for the Huskers.

Ed Wibbels 48-8½ in the shot was better than Myron Counsell's 46 feet for Missouri. Berg of Missouri won the 440 in :53.2; Littler did it in :50.3. Munski turned in a fine 9:32.6 2-mile, while Thaine High of K-State won that event here in 9:55 to beat out Huskers Garrels and Walker.

Smitz' record breaking :07.5 flight of high hurdles bettered the :07.7 effort of White of Missouri. Brooks' record of 1:59.1 in the 880 bettered Marshall Reeves' 2:02, and Smutz was one-tenth seconds better in the 60 yard high than Slaybaugh of Mizzou, who got :07.2.

Schumitzky of Missouri did 23-¼ in the broad jump which was better than Kansas State's Solt who won that event here did. Harold Hunt's 13-2 in the pole vault bettered Higgins' 13 feet, and the Missouri mile relay team had a better time than the K-State crew to which the Huskers lost. Mizzou had 3:36.6, K-State 3:38.

# Sooners nip Husker swim team, 44-40

Bill Edwards, Nebraska's key dash man, churned the water for three firsts as the Cornhusker tankmen lost to Oklahoma's Sooners, 44 to 40, at Norman last night.

The meet score was deadlocked with only the 400 yard medley race remaining. The Sooners outdistanced the tired Huskers and won in 4:07.

Danielson, Surber and Weber of the Oklahoma swimmers set a new record time of 3:18.8 in the 300-yard medley. This bests Nebraska's 1936 conference record of 3:19.8.

### Edwards wins three.

Edwards won the 50-yard dash in 25.6, the 100 in 57.9, and the quarter-mile in 6.5. Fairman of Nebraska copped the 200-yard race in 2:41.7.

Ralph Worden, the Huskers Big Six diving champ from Alliance, displayed his superior ability to win his specialty and continue his long undefeated streak for the season. Bordy of Nebraska was second in this event.

Don Fitz, who made 76 points in the 13 games in which he participated, had third high average, as he lacked two markers of a six point average.

Pitcaithley was the leading scorer thruout the season, altho his basket eye took a slump after he suffered a back injury in mid-year. His average suffered in that he played but a small time in several games because of his injury.

Al Randall had one less point than Fitz, but played in 18 games. Hartman Goetze, who played in

# Phi Delt-DU game tops I-M slate tonight

## Farm House can sew up League 1 title now by beating SAM team

Regular scheduled games in A fraternity basketball end tonight in two leagues, while in the two other groups Thursday night closes play.

Closest race is in League 3 where the DU's, Farm House and Phi Delt teams are in the lead with three games won and one lost. Each team has one game to play, as the Phi Delt and DU's face each other, while the Farm House has only a weak PIKA team to get by. Farm House should stomp over the PIKA's, and if they do will be tied with the winner of the Phi Delt-DU tussle for first place, and a playoff will be necessary.

### Farmers favored.

Alpha Gamma Rho has only Sigma Alpha Mu left in League 1. The teams play tonight and the AGR's, who have won four and lost one game, are favored to beat the SAM's the only team with any mathematical chance of reaching them.

Other League 1 games tonight pit the Kappa Sigs against the Phi Sigs, and the Alpha Sigma Phi's against Chi Phi. In League 3, the Sig Alphas play the Phi Delt.

The Zeta Beta Tau-Delta Tau Delta game will help clarify the League 2 situation tonight. The Delt and ATO's are undefeated in three meetings, while the Zeta Beta Tau's have lost only to the ATO's in three games. The ATO's face the Phi Sigs tonight.

The game which will probably decide the league title, however, is Thursday as the Delt and the ATO's meet. Another game that night is between Phi Sigma Kappa and Beta Sigma Psi. The Zeta Tau's, who have an outside chance to the title, face Acacia Thursday night, too.

### Betas, Sig Eps lead.

The Betas and Sig Eps are still leading League 4 with two victories apiece. The Sigma Nu's face the Sigma Chi's in the other game.

The Beta's have the easier road to the title provided they get past the Sig Eps tonight. They meet the Sigma Nu's Thursday night, while the Sig Eps have to meet the Phi Gams, who have lost only to the Beta's, and that by only 2 points. Should the Sig Eps upset the dope and defeat the Beta's tonight, then lose to the Phi Gams, the race will end in a 3-way tie if the Beta's beat the Sigma Nu's.

Harry Hopp's eating habits are coming in for a good deal of notoriety in the state's press, especially after a dinner given by the Hastings Elks club at Harry's home town at which Hopp, Biff Jones et al. were present.

Story number one as told by Harold Cowin of the Hastings Tribune is that Hopp gorged himself at the banquet, but said his appetite that night was a little dull, dropping the casual remark that he had, before coming, eight helpings of a concoction of hamburger, cabbage and dough.

Biff Jones then gave another example of Hopp's appetite: Harry stopped at his favorite hamburger establishment and ordered nine of them. The waiter asked if he wanted to take them out, but Harry said he'd just eat them right there. The waiter looked askance and told the cook there was someone out there who wanted to eat nine hamburgers. The cook caught on. He said, "Oh, that's Harry Hopp. Ask him what else he wants."

Nebraska's "B" team won't soon forget Friday night. The team was to set out for Tarkio, Missouri, at 3:45 that afternoon to play Tarkio college, but didn't leave here until half an hour later, having waited that time for a player who never did show up.

Before they left there came a special delivery letter from Tarkio saying the game would start at 7:30 instead of 8, in order to permit another game to be played that night.
