# "I LIKE TO BE FIRST"

## With The ACCEPTED FASHIONS"

"I like the daring yet the impeccable taste of these spirited spring shoes ... I like their youngness yet their sophistication! I like the minute attention to detail ... the care and beauty of their workmanship ... I revel in the luxuriousness of their materials ... the exotic colors to "electricly" my costumes ... the sedate chic of the "blues" and "blacks!" I consider myself a lucky woman because I have to spend so amazingly little for so much ... and all I have to do is go down to Simon's for these beautiful shoes!" Do come to see them!
