

## Huskers get outside drill; stiff workout

The Huskers donned their football togs and went outside yesterday for the first time this spring. Coach Biff Jones took advantage of the first outdoor drill and sent his squad through a rather stiff workout. Running plays, plenty of blocking, kicking and passing were all stressed by the "Biffer." The squad had little contact work but next week, weather permitting, the Harvards will scrimmage deal old Eli.

Fundamentals will take up a large share of the squad's time in the spring period, and the squad will add a number of plays to their repertoire. Freshman and varsity material will be given a chance to display their wares, and Jones indicated that there would be frequent changes in squad personnel as to team assignments.

The success of spring practice is important to the team's success in its fall campaign and there is a lot of work to be done according to Jones. The squad will continue to work outdoors as long as the weather permits, and when they are forced to stay in, plays will be reviewed, movies will be shown and other bits of "school work" run over.

Next Saturday the coaching staff will run their charges through a long scrimmage drill for the visiting coaches and athletes attending the state basketball tournament.

## Jayhawkers lose to Sooners, 47-36

An inspired Oklahoma team walloped the Kansas Jayhawkers, 47-36, Friday night to throw the Big Six championship into the first triple tie of its 12-year history.

The Sooners, featuring the play of Hugh Ford, 6 foot 6 inch reserve center and Marvin Snodgrass, completely stymied the efforts of the baffled Jayhawkers to overcome the lead on them. Snod-

boys have entered. The board track on which the Big Six Indoor championships were run off yesterday contains forty-thousand feet of spruce, rubber cushioned.

Kansas State placed seven men, Oklahoma four, Iowa State three and Nebraska two, in the finals for the Big Six wrestling championships after preliminary rounds were run off Friday at Ames.

Roy Cochran, Indiana's great quarter miler, broke the American indoor record Friday night on the University of Chicago track in the qualifying heat of the Big Ten championships. Cochran's time bested the old record by .5 of a second set by Ray Ellingwood of Chicago in 1937.

grass held Ralph Miller, the great Kansas forward, to one field goal. Oklahoma is now tied with Missouri and Kansas for the conference lead which will be played off in Wichita, Monday and Tuesday. Drawings were made yesterday in Kansas City. At Wichita the teams will play on the spacious forum floor which Coach Bruce Drake of Oklahoma called "very satisfactory."
