## People are, despite spring, still doing stuff and things

Random ramblings . . . Don't you wonder why they don't take that recording of "Friendship" out of the Union when so many people manage to get a pained look on their faces at the mere mention of the title? . . . In a Washington university magazine, they have a society column called "Greeks" and their motto is "We Pan-hel out of them." . . . sometimes its only too true. . . The campus was really in an uproar Tuesday night when five fire trucks came to investigate a smoky condition in the Theta fireplace . . . sorority girls threw fur coats over their pajamas and ran out to see the excitement only to discover that it was a false alarm.

Acacia Tom Bodie is still arguing with Dr. Walton about the merits of a potential presidential candidate. . . Seen on the mall: Beta John Stoddard bucking a severe north wind and being none too pleased about the outside work he has to do for cutting one of Professor Arndt's (of the social science Arndt's) classes. . . everybody's asking, "Have you seen the Kosmet Klub show?" . . . Beta Piker Davis riding around in that open car of his and looking none too warm. . . people going to class for lack of anything better to do.

## RISING, RISING

is the tempo of the affair between AXID Marian Whitney and Alpha Sig Wally Borchman, and if you can believe what you hear, the affair may soon develop into a steady deal, if it hasn't already by the time this appears in print.

## SORORITY ELECTIONS

are holding the spotlight for a while and these new officers have been announced at the Sigma Delta Tau house: Sarah Bonnie Miller, president; Miriam Rubnitz, vice president; Rose Goldstein, secretary, and Sylvia Katzman, treasurer.

At the Alpha Phi house: Eleanor Berner, president; Rozanne Purdham, vice-president; Jane

Cummins, secretary, and Ruth Chapman, treasurer.

At the Kappa Delta house: Marian Stone, president; Billie Suing, vice-president; Louise Wilke, secretary, and Beth Douglas, treasurer.

## PETE AND REPEAT

must be the uppermost thought of Sigma Nu Len Dirks who once again has hung his pin on Pi Phi Pete Horner. Back in the fall their affair was expected to culminate in a quick candy passing, but then came a brief interlude spent in the "not dating" stage. But things have been straightened out and it's smooth sailing again.

## OVER THE AIR WAVES

on Johnny Mason's program came the announcement that Mary Anna Cockle of the Tri Delta clan now is wearing the fraternity pin of her love from the east. It must seem very different for the former Rag society editor to break into print herself instead of writing about somebody else.

Another of Monday's candy passings was that of Margery Fye, Kappa Delta, and Ralph Stalbaum, of Theta Chi.

## HARD AND FAST

fell the ATO's for the story told by several Gamma Phi's that Lizzie Glutz of the sisterhood wanted a date, and that she was a good deal to take on a picnic. H. M. Sinclair was most disappointed when he found that there was no such person and had to break his date.

## SO FAR UNHERALDED

was the candy passing Monday night at the Kappa Delta house when Marjorie Fye and Ralph Stalbaum, Theta Xi, did the honors. No names appeared on the box of candy but instead their two pictures were enclosed in heart shaped frames.

## BRINGING THE TOTAL

number of Monday night candy passings to five was the Marjorie Thompson-Gerald Vitamvas candy passing at the dorm.
