

By June Bierbower.

To further appreciate that 174-2 1/2 discus toss of Howard Debus—the new state record in Oklahoma high schools, set last week, is just a little over 147 feet.... Cy Sherman's suggestion for a special 440 between Red Littler and Bob Simmons at the state high meet was a swell one.... but Ed Weir doesn't want the two to meet before the big Six meet.... if they ever get together, and really stretch out, there's going to be a torridly fast quarter-mile run.

Bob Sweiger, Minnesota full-back, is being tried at halfback, in one of the countless trial switches Bernie Bierman has made during spring practice.... The Husker and Gopher basketball teams play here next winter, on December 21.... Jack Wilson, Baylor sophomore grid star, who was hurt in the first quarter of last fall's game here, has been putting the shot out better than 48 feet.... his distances in it and the javelin have been the best in the south west conference this year.... Jim Thomason, Texas A. & M. backfielder, is defending champion.... and Dwight Parks, little Baylor speedster, is the best sprinter the Bears have.... and end Sherman Barnes is the baseball team's star pitcher.... Jim Witt, the best threat the Wacoans had in the backfield last fall here, is one of the team's leading hitters.

Campbell Kane, the brilliant Indiana sophomore, who ran the 880 and final lap for the Hoosier sprint medley team which tied the Drake record, is the athlete who won the junior AAU 800 meters here last summer. Kane, running an 880 lap at the Indiana Relays held indoors last week, turned in a 1:51.5—the fastest indoor half-mile on record at Indiana.

WAA News

Kappa Alpha Theta and Wilson Hall will play May 7 to determine the intra-mural championship for basketball.

An important meeting for I-M representatives at which attendance is required is called for 5:15 today, Room 101, Grant Memorial.

Three practices are compulsory for all entrants in the swimming meet, April 6, 8, and 11, unless the girl is an active tanksterette or is in a physical education swimming class. Time for these practices has been extended until Saturday, May 4.

K-State tracksters face Huskers

Year's first outdoor dual starts at 4

Vike Francis not yet eligible; sophomores again lead Huskers

Come 4 p. m. this afternoon and Nebraska's track and field performers will go into action for the first time at home this spring on the outdoor cinderpaths. Kansas State, some 30 strong, will provide the opposition.

Both teams were in action over the week end, the Huskers competing in the Drake Relays, while the Aggies were in the Colorado Relays. Students will be admitted upon presentation of athletic tickets, the general public for 50 cents, while knotholders can see the meet for a dime.

The rumor that Vike Francis, weightman, may become eligible for the K-State or Iowa State dual meets this week was blown up, Tuesday as he is still back in his school work. Viscount will have to wait another week before he can become eligible.

Hackney leads visitors.

Heading the Wildcat aggregation will be Elmer "One Man Gang" Hackney. The champion shotputter hit 52 feet in the iron ball event last week and is improving as the weeks pass.

Nebraska's sophomores will again carry the brunt of the load against the Wildcats. Gene Littler will be in the century, furlong, and quarter mile. Lloyd Wright will also compete in the first two of the events run by Littler.

Harold Brooks will be the classiest candidate in the half mile and mile races. The relay team will depend on how the points stand in the meet when time comes for the mile relay.

In the pole vault, Harold Hunt is picked to win. At Drake, he came as close to clearing 14 feet as any other time this year. The discus throw has Edsel Wibbels and Ray Prochaska who may

NU-Gophers rained out again, to play today

The Huskers and Gophers will try it again today.

The first game of a two-game series was rained out Monday. Then a doubleheader was scheduled for yesterday. It rained again.

Husker coaches agreed to remain in Minneapolis another day, so the two games are supposed to be played this afternoon, one a 9-inning, the other a 7-inning affair.

If today's games are rained out, though, the Huskers will return home in order to start out for Lawrence, where they meet Kansas Friday and Saturday.

finish one-two in this event.

A possible slam is seen in the javelin with Herb Grote, George "Bus" Knight, and Wibbels finishing in that order. Grote hurled the spear past the 200 200 mark at Des Moines.

Ag's strong in shot.

The Aggies will pick up on the Huskers in the high jump, two mile run, in the shot, broad jump and possibly in the two hurdle races. Nebraska is weakest in these events.

Missouri came up with an 85-45 win over Arkansas Monday in a dual meet. In doing so, the Tigers took firsts in 11 of the 15 events. Leading the Bengals to victory was "Lonesome John" Munski who raced to wins in the half mile, mile, and two mile. His time in the mile was 4:16.3, and very good time in the advent of his running three distance races.

Sol Shumitzky took first in the 100 yard dash in 9.9 with a favoring wind behind his back. Jimmie Johnson came in with firsts in the two hurdle events. He skimmed over the highs in 14.8 and the lows in 24.7.

Newcomers to the Husker fold include Albert Lunt, Superior; Bob Connor, Bayard; and Don Chaloupka, Bridgeport.

Nebraska grid team to boast strong guard roster next year

Nebraska guards, strong last year, will be improved next fall, both in quantity and quality, if spring football sessions mean anything.

Warren Alfson, Wisner senior, who was named to the Associated Press' All-American second team, is slated for national honors if he keeps up the play he showed last fall and this spring. Alfson does everything from block punts to kick extra points in addition to performing a guard's regular offensive and defensive duties.

Two of the other first four guards last year are back for sure—George Abel and Ed Schwartzkopf. Abel, a big sprinter whose forte is leading interference, is also a good defensive man. L'il Eddie, who was a Husker sparkplug last year, should be one of the Big Six's best next fall.

Both Abel and Schwartzkopf will be juniors, as will Hub Monsky, Omaha, if he gets past scholastic difficulties which kept him out of spring football practice. Monsky, an alert, driving player, and the biggest of the four, would be an asset to any team.

There's still plenty of material

behind those four. Arlo Klum, the perpetual undergraduate, has another year of competition left. Then there is George Stearns, big North Platte athlete, who got in a few minutes competition last fall.

Francis Greenleaf, a Hastings freshman, was playing with the first Yale team as the spring season ended. He and Herb Von Goetz, North Platte, who was an all-state tackle in high school, are both 180 pounders, who are really good prospects. Howard Zorn, a big 210 pound holdover from last year, and Lynn Myers, 164 pounds of fight, were the other new men who showed up best.

Other men, all without previous experience, are Bill Bryant, Lincoln; Nick Douvas, Hastings; George Kuska, Fairmont; Jack Nelson, Omaha; Joe Partington, Lincoln; Harold Sears, Decatur.

Abel, Alfson and Schwartzkopf are sure to see much service. Monsky, if he is back, will be handicapped by loss of spring practice work, but is too good a player to be held back long. Stearns, Greenleaf, Von Goetz and Klum seem to be the men who will get next call, although Partington and some of the others showed good form during spring drills.

Tex Carleton hurls no-hitter as Dodgers thump Reds, 3-0

By Jim Evinger.

The pitchers are finally coming into their own again, it appears.

For the second time this year, the bombing of major league hitting has been completely silenced in a game. Tuesday afternoon, Tex Carleton, the 34 year old veteran back up from the minors, pitched himself into the Hall of Fame.

The trick was turned in against the National league champions, the Cincinnati Reds by a no-hit, no-run performance. His Brooklyn Dodger mates kept their hold on first place by winning their ninth straight win since the opening of the season.

Dodgers Err Thrice.

Three errors behind Carleton were not enough to throw him off his pace as he stood the Rhinelanders on their collective heads by his hurling. Pete Coscarart came to Tex's aid by slapping out a three run homer that accounted for all of the scores.

Other games in the senior loop found the Chicago Cubs nosing out Boston's Bees 8-7, and Philadelphia beating Pittsburgh 6 to 2.

Over in the American league, the New York Yankee stock took a big dip—seventh place in fact—as the World Champions went down to defeat before the St. Louis Browns by a 2-1 count. Emil Bilidilli held the Bronx Bombers to two hits as he bested Red Ruffing in a hurling duel. Rip Radcliff hit a homer to hamper the Yankee cause.

Cleveland wins.

Cleveland took a firm hold on first place in the junior circuit by beating Philadelphia 10 to 5. Willis Hudlin was the winning pitcher. Home runs were the order of the

Prep records endangered

Debus, Stackhouse, Brown among leaders

Several high school records, especially the discus, appear to be in jeopardy next weekend when the state's high school track stars meet here for the annual high school meet.

Sensational Howard Debus of Lincoln high again broke his national interscholastic discus record last weekend when he sailed the platter 174 feet 2 1/2 inches. That is some 20 feet better than the state record he set last year. Debus also bettered the state shot and javelin records in practice.

Merlin Stackhouse, Oshkosh, did 22.5 seconds in the 200 lows last week, to better the state record of 23.1. Marshall Neihardt, Jackson's redhead, has done :15.2 in the high hurdles, one-tenth a second off Husker frosh Ralph King's record. Vern Van Wie, Hastings, has a :15.3 mark.

Al Brown of Omaha Benson, who won the 440 last year, turned the quarter in :51.8 last weekend to come within six-tenths of a second from the state mark. Harold McAferty, Gothenburg, did 6 feet, one-half inch, in the high jump. That is less than two inches from the present record held by his fellow townsman Trimble.

Sox into second place by a 9-4 win behind John Rigney's pitching in this game. Hal Trosky and Ken Keltner both batted out a pair of round trippers for the winners. Bob Johnson connected for a circuit clout for the A's.

Chicago pushed the Boston Red ing. In the only other game played, Washington ran past the Detroit Tigers by a 9-4 score.
