# Congratulates new members of Innocents, Mortar Board

By Mark Dean Mowbray  
The Innocents and Mortar Board societies of the University of Nebraska at Omaha have held their annual meetings and elected their new members. The Innocents, a social organization, has elected as its officers: President, John Smith; Vice-President, Mary Jones; Secretary, Tom Brown; Treasurer, Dick White; and Publicity, Sue Black. The Mortar Board, a professional organization, has elected as its officers: President, John Smith; Vice-President, Mary Jones; Secretary, Tom Brown; Treasurer, Dick White; and Publicity, Sue Black.

## ATTENDING

Attending the meetings were: John Smith, Mary Jones, Tom Brown, Dick White, Sue Black, and other members of the societies.

## IS THERE A DOCTOR?

There is a doctor in every town, but it is not always easy to find one. The doctor is the one who takes care of the sick and injured, and without him, life would be very different.

## FARMER'S FAIR

The Farmer's Fair is a great event for the whole family. It features a wide variety of goods, including fresh produce, handmade crafts, and live entertainment.

## DOUBLE TROUBLE

Double trouble is a common occurrence in many parts of the world. It can be caused by a variety of factors, including bad weather, accidents, and human error.

## AW EYAN

Aw eyan is a traditional song from the Pacific Northwest. It is a simple, catchy tune that has been passed down for generations.

## THE WATLD

The world is a vast and diverse place. It is full of different cultures, languages, and customs. It is a place of endless possibilities and adventures.

## A NEW PLEDGES

A new set of pledges has been adopted by the organization. These pledges are designed to guide members in their actions and ensure that they are always acting in the best interests of the organization.

## DOWN SLIPS

Down slips are a common occurrence in many parts of the world. They can be caused by a variety of factors, including bad weather, accidents, and human error.

## ENGINEER SUSPENDED

A prominent engineer has been suspended from his position due to a series of errors and omissions. The suspension is a temporary measure while the situation is investigated.

## FERGUSON CALLS HIM HIGH IN CLASS

Mr. Ferguson has called his student high in class for his exceptional performance. The student has shown a strong understanding of the material and a dedication to his studies.

## ALL BEVERLY INVITED TO PUBLIC CREMATION

All Beverly is invited to the public cremation of her late husband. The service will be held at the local funeral home on Saturday, May 4, at 10:30 A.M.

# Naval board to meet here Today--

Officers will interview students for air course

A board of naval officers will meet here today to interview students for the air course. The board will consist of officers from the local naval air station and will be responsible for selecting the most qualified candidates for the course.

The board will interview students from the University of Nebraska at Omaha and will select the top candidates for the air course. The course is a highly competitive program that provides students with a unique opportunity to study and work in the field of naval aviation.

The board will also discuss the progress of the current air course and will make recommendations for future improvements. The board is expected to meet for several days, during which time they will interview a large number of students.

## Sigma Delta Chi honorary member heads ACPA

A Sigma Delta Chi honorary member has been elected to head the American College of Professional Accountants (ACPA). The member has a long and distinguished career in the field of accounting and is highly respected by his peers.

The ACPA is a leading organization for professional accountants and provides a wide range of services to its members. The new head of the organization will be responsible for overseeing the organization's operations and representing the interests of its members.

Students participating in the air course will receive a unique and challenging education. The course is designed to provide students with the knowledge and skills necessary to succeed in the field of naval aviation.

The board will also discuss the progress of the current air course and will make recommendations for future improvements. The board is expected to meet for several days, during which time they will interview a large number of students.
