Lentz selects members of varsity band

Three days' tryout nets 120 musicians

Students to play in the varsity band this year have been selected and rehearsals are ready to start. Don Lentz, new director of the group, announced yesterday. The musicians were chosen by Lentz, after three days of solo competition. Over 200 reported for positions, of which 120 were selected.

Twirlers are still needed, Lentz

reported, stating that any boys interested should either come to band practice or get in touch with him at the school of music.

As usual, the varsity band will play at all football games, the Military ball, and Commencement, besides holding several concerts during the year in the coliseum.

Members of the band include:

Harsh makes test analysis

Psychologist to study classification tests

Coming from Randolph Macon Women's College Dr. Charles M. Harsh, professor of psychology, is assisting in instructional research and is analyzing the classification tests of the students in the Junior Division.

Dr. Harsh majored in physical chemistry and was graduated as the head of his class from the California Institute of Technology. In 1931 he was awarded six months of travel in Europe by that college.

He received his master's degree from the University of California in 1935, and his Ph.D. a year later. From 1936 to 1939 he was an instructor and head tutor at Harvard and Radcliffe Colleges.

Here Dr. Harsh will teach elementary psychology and psychometric methods, having taught the latter at Harvard. The new as-

University rests with its students. He also pointed out the debt of gratitude which students owe to the state of Nebraska. It is principally through state appropriations that the University exists.

Urging participation in extra curricular activities were Dean Helen Hosp and Mortar Board president, Pat Sternberg. Miss Hosp stated that charm and correct manners are essential for success and that one of the best ways to obtain those attributes is to engage in activities other than academic work. Thruout both of these speeches, emphasis was placed on the value of meeting people.

Dean of student affairs T. J. Thompson observed that this was an especially good year to enter Nebraska. Through the new Junior Division, students are given all possible assistance in surmounting difficulties that may arise. Dean Thompson offered the services of all faculty members in helping freshmen.

Promising that the traditional assistant professor has written numerous articles on psychology and is a member of both the American and Eastern Psychological Societies.

by DON HEROLD

Choosing a Slide Rule is a lot like getting married, because you are going to have it for a long, long time. That's why you just must read this masterful book by that old slide rule slider, Don Herold. It is written in simple, salty language and profusely illustrated by the master himself. It takes the mystery out of slide rules for all time.
