

Pep group heads speak

Gerald Spahn, and Marge Krause gave talks at the freshman AWS meeting yesterday.

Spahn described the Cobs as a service organization. He urged all students to cooperate with them by taking part in the rallies. Miss Krause mentioned the presentation

of the pep queen at the homecoming game as one of the activities of the Tassels. She praised the excellent school spirit shown by the freshman class.

Socially Speaking

By Jo Duree

The AOPi chapter demonstrated that their talents are varied when they copped the football that had

the added attraction of entitling all members to see a cinema.... Something new in promotion.

More and more go the dates for that pep frolic of Saturday night.... DG's will be there in full force and among their numbers are Eloise Hainline with Larry Hualdt, Beta; Flo Scott with George McMurtrey; Jane Baird with ATO John Dean....

Among the rather large numbers the Kappa Sig boys anticipate welcoming home will be Brother Christman, the loquacious lad who wants to find a Waterloo for Lincoln, Saturday....

There are going to be gobs of people what we mean.... and Friday Greek row will look quite different what with all those decorations which are a greeting in themselves....

Coinciding with other Saturday night revelry, etc., will be that traditional party that the Farm House tosses.... the Cornhusker's the place....

AOPi's are house-partying Friday and among the lads and lasses having fun might be Lorraine Chant with Jack Castle, Sig Chi; Janet Shaw with Phi Gam Dick Miller; Edna Siggins with ATO Don Sherwood.... then Jayne Lynn will be with John Kerl, Phi Gam.... which reminds among those dates it seems sort of like they've just asked the Phi Gam chapter over.... while we're chatting about pretty girl Ed O'Connell finally gained confidence enough to ask for a date.... things are getting along superbly for it's a deal from noon, thru the game and Saturday evening....

Ruth Yourd, AOPi, is two pins richer this week than she was last. After she agreed to wear Hal Schneider's Sig Chi pin, she remarked that it would look rather lonely, as she had lost her Alpha O pin—so—big-hearted Hal has ordered her an AOPi pin to keep his company.

The Chi Phi's and Phi Mu's exchanged dinner....

Colorful surprise came out on the campus.... from the KKG house for all unbeknownst to each other around 15 of the sisters blossomed out in crimson.... pretty....

More people who will be around at that Corn Cob-Tassel ditty might well be Paul Toren, Sig Chi, with Bethel Cambridge, Chi O pledge.... Alpha Phi Sarah Bane with Bob Smith.... Harold Hunt with Alpha Chi June Stover....

And don't think that the Ak deal isn't going to take some from Lincoln scenes.... among them perhaps, Leonard Dunker, DU, with Beth Hanish, Alpha Phi; Sig Chi Allen Leffendink with Jane Pratt; Beta pledge Jack Latenser with Mary Helen Farrar, Theta pledge; Phi Delt Bob Poe with Mary McCarthy....

See you at the Ball, the game, the Corn Cob-Tassel party.... in fact, see you....

WELCOME MIZZOU

Hello Grads!

It's good to see you again...

The week-end each year to which all Lincoln looks forward is that in late October, Homecoming at Nebraska U. The old "Well, hi, Helen... Bert, you old —, ... Jim, it's been years!..." are the best sound we've heard in a year.

Stop in at the Chamber of Commerce during your stay in Lincoln. We shall be glad to see you again, to show you around. It's your party and we're glad you're back.
