

Socially Speaking

Jo Duree

The Kosmet Klub show's over, we're practically munching turkey, which means that we'll soon be reminiscing about the Military Ball . . . well, Merry Christmas to you all . . .

Right in the spirit of the thing were the ATO's . . . their closed house party was quite fine according to rumors . . . several couplings are staying popular if we can believe our ears . . . Beth Howley and Dick Stasney, Prince Kosmet, Ralph Worden, and Alpha Phi Pat Herminghaus . . . and Bob Sandburg with Pi Phi Betty Baker . . . in fact the party was definitely fine plus a rumored kissing bar . . . we don't know what that means but it sounds like fun . . .

CHRISTMAS SEALS

Help to Protect Your Home from Tuberculosis

The Phi Gams and the Sig Eps had happy times . . . their house parties were both slightly costume affairs . . . Fiji's went Dogpatch and the Sig Eps barn-danced . . . wonder if many of the dates

Home ec group will honor founder

Dinner in honor of Ellen H. Richards, founder of the Home Economics association, will be held on Tuesday, Nov. 19, at 5:30 p. m., in the ag campus activities building.

The program, of which Dora Baisinger is chairman, will consist of the following:
Invocation, Miss Ostlund.
Tribute to Ellen H. Richards, Lois Hammond.
Clarinet solo, Mary Brion.
Home Economics in Syria, Sophia Wakim.
Vocal solo, Mary Buck.
Group singing, Rhoda Chesley, leader.
Chairman of the ticket sales is Melva Meierhenry; tickets, which are on sale all this week, are priced at 50 cents a person.

lugged home pumpkins—big real pumpkins—like Doris Halstead and Mildred Gorton did . . . classically different momentos . . .

Betty Schmidt will be initiated Chi O this afternoon . . .

Kosmet Klub was packed to the swinging doors with little huddles of people who brought portable radios along and spent a portion of yesterday afternoon listening to the Pitt game and watching the KK show . . . their cheers for UN didn't quite fit the skit dialog but everybody was happy . . .

Alpha Xi's initiated at one this morning and breakfasted the new initiates after the ceremony . . .

Delta Sigs initiate today and are having an initiation banquet with their province director, Henry Lucas, at the Union . . . means more of those Delta Sig pins around . . .

Russell to address teachers grad club

Prof. R. W. Russell of the university psychology department will be the main speaker at the initial meeting of the Teachers College Graduate club. The meeting will be held in Ellen Smith hall on November 18, 8 p. m.

Miss Janice Feltsauer, secretary of the club, invites all graduate students, faculty members and their wives to attend.

Newly elected club officers are: president, James Taylor; vice president, Myrian Canon and secretary-treasurer, Janice Feltsauer.

Law association to hear Peterson

Main address of the evening for the Law association smoker Tuesday will be given by C. Petrus Peterson, Lincoln attorney recently elected to the state legislature. Bob Simmons, association president, announced yesterday. The smoker

Ball-

(Continued from Page 1.) been selected to play at the ball, which is the traditional opening of the formal season, has had recent engagements at Chicago's Chez Paree and Frank Dailey's Meadowbrook in New Jersey.

Breese was booked for one held over for nine with three coast to coast airings weekly. Breese's boys were featured at the New York world's fair in an official "Lou Breese Day." The only other band to get that honor prior to that was Rudy Valle and his Connecticut Yankees.

will be held in the law auditorium.

"The five girl students of law college will present a skit," Simmons said. Other entertainment and refreshments will be furnished by the association.

Dr. Froelich G. Rainey of the University of Alaska has discovered a town site indicating a non-Eskimo race lived 100 miles above the Arctic circle thousands of years ago.
