

Socially Speaking

Jo Duree

"Stop the Presses" is Preston Mark Hays' cry where the Awgwan publication is concerned . . . about to be guillotined at the Sigma Nu house because of a slight snap he submitted of president Jack Cole, EDOC, Preston took strong steps. Thus, Awgwan readers of tomorrow are going to have to get along without a photo of Cole getting all spiffed up for a formal, minus trousers. . . .

Could it be that something is stopping that beautiful friendship of KKG pledge Mary Runyan and SAE Alex Mills . . . she's been having a peachy fine time about with Phi Psi's H. Cullinan, DU's Jim Kelso, and some old chum from Omaha to our knowledge. . . .

Exams must be having a definitely derogatory effect on our normally none too good cranium . . . how could we mis-state the date of the Acacia Bowery Ball. It's the 31st, all right, all right, but that seems to fall on Friday. Planning on big fun seem to be all the lads—Buz Dalton with Kappa Jean Kerl, and say Jerry Mayburn is really quite interested in Kappa Delta Jean Ferris and, of course, they'll be at the BB together . . . then Dorothy Perrin of the Alpha Xi Perrins has a date with Harv Minnick. Sounds pretty fine. . . . cigars came to the Sigma Nu's from the Twin Cities . . . the occasion: Brus Kamel and Alice Nemec, Kappa Delt alum, found their roads went the same way.

Speaking of deals to remove your mind from exams—think nothing of it, we want you to be happy—there are lots of dances and stuff in the future—Jan Savitt Saturday night at the Turnpike (need we mention) and Delta Gamma, Theta, Phi Psi ranging through the rest of the month . . . and ATO dinner dance comes up pretty soon, too, right after the Chi O, we heard rumor. . . .

Mention Alpha Tau Omega and we have to tell you about Ed Butler . . . Ed and connections over at the Theta house are apt to become slightly strained if the light of misunderstanding happens to light on Ed's date to his party with Maribel Hitchcock. No more than fifteen minutes elapsed until Ed was called to the phone and Theta Barbara Ernesti asks him to the KAT party . . . popular?

Not so Beta Theta Pi minded as of yore seems to be Alpha Phi Marty Bremers if that little renewed friendship with DU Neal Felber means anything. . . . dating from the Phi formal when Neal played escort.

Betas are currently chortling concerning John Stoddard's new affinity for dancing. . . . John, scion

of the Hiawatha Stoddards, now knows that when the lads yell "Astaire" or "Bubbles" he's supposed to make reply. 'Tis said that the little double dip step he formally introduced at the Beta formal was a wow.

And say, an Alpha Chi who practically thinks of a Beta steadily seems to be Polly Jo Taylor. . . . Harry Rinder and she are really getting along.

Getting along, too, seem to be the Sigma Nu-Delta Gamma combination of Ken Ebzery and Pat Knuth. . . . they sure make a keen looking couple.

Back with Kappa Sig John Miller is that pin that Petey Osborne's been wearing . . . and Theta Tess Casady isn't wearing Junior Oldfather's Phi Delt pin these days—she lost it. . . . the campus is going to be minus one more Mortar Board's presence next semester if Tess fulfills her present plans of going home to "milk the cows and feed the chickens" . . .

Letters, letters, letters—all from Alabama and all for Allen Jacobs at the ZBT house. . . . explaining perhaps his practically non-existent date record at Nebraska?

In the ChiO corner we can but mention that B. J. Maxwell and Sterling Dobbs are getting more and more interested in each other each day. . . . and Lynn Dale refuses to have more than one Sigma Nu on her mind at a time. . . .

Warren Alfson, Chi Phi, seems to be taking himself and that huge list of accomplishments over to the Tri Delt house if going ice-skating with prexy Gertrude McArthur means anything. . . .

Kappa Betty Hoff is carrying on a voluminous correspondence with Acacia Ed Burroughs at Fort Robinson but Bill McKerney, Sig Chi, is slipping up on Burrough's time at home if having a strictly fine time with Betty the other evening is indicative. . . . Fiji Byron Deck was forced to leave his date, Mary McKenna of the Delta's, and have a little chat with Bristol, Va., when his love called him Monday evening. . . .

Not that it's any business of ours, but what stuff ever is?—We just can't keep from a faint, smothered wonder whether or no it makes any difference to John Mason, ATO, knowing he's pouring out the Mason heart, soul and line to a gal that's pinned. . . .

And thus a semester of dishing the dirt under guise of society is being culminated. . . . we could strive to be different and say that every moment of it has been excruciatingly painful, but candidly, we've liked being with the DAILY NEBRASKAN and thus with you, dear reader. . . . thanks for standing by.

safe places. The girls are Bettie Cox, whose purse contained 11 cents; Martha Pickering, whose purse had 40 cents and valuables, and Joyce Burke, who had the sum of \$52 in cash in her purse. . . . they deserve it

"Any girls who are so careless as to leave large sums of money in purses in open rooms deserve to have them stolen," said Sergeant Regler in commenting upon the affair. "I have ordered Officer William Grage to make a round of the public school buildings and pick up all purses which are lying around within reach of thieves. This method is going to be used only for the protection of the students.

Sergeant Regler went on to say that students should use much care in the treatment of their valuables when they are in school buildings on the campus. More of these thefts have happened through the carelessness of the women students involved rather than the cleverness of any thieves.

Living alumni of Dartmouth totaled 19,500 at the last count.

Four Colgate university alumni received \$200 in prizes for songs submitted in a contest.

Stevens Institute of Technology received gifts totaling \$96,562 in the fiscal year 1939-40.

Prof. Spurr talks to secretaries in Omaha Jan. 28

Prof. W. A. Spurr of the department of business research and statistics of the bizad college will speak on the topic "What's Ahead for Business in Nebraska," before the annual convention of the Nebraska Association of Commercial Organization Secretaries at the Fontenelle Hotel on Jan. 28. Professor Spurr will attend the convention and speak at the luncheon meeting.

Professor Spurr will also attend the National Defense and Business conference in Omaha the following day as will Dean J. E. LeRosignol of the bizad college.

Bengtson serves on encyclopedia board

Dr. Nels A. Bengtson, chairman of the department of geography, has been named consulting editor for geographic articles to appear in the revised junior edition of the Encyclopedia Britannica, according to a letter recently received by him from the Britannica editor. Dr. Bengtson acted in a similar capacity for the original edition published about ten years ago.

Southern life and economy are to be interpreted in educational and dramatic films to be produced at the University of North Carolina.

Seventy-four Minnesotans are included in the enrollment of 6,300 at Northwestern university.

Students at New York City's four municipal colleges last year contributed \$972,000 in fees.

Treasurer: Peggy Beyl, sophomore.
Historian: Eleanor Crawford, sophomore.

Schools, colleges hold conference

EASTON, Pa. (ACP). Educational and cultural relations between the United States and South and Central America will be discussed at the 14th annual school and college conference to be held at Lafayette college Jan. 24 and 25.

President William Mather Lewis of Lafayette is founder of the conference.

Nearly 100 preparatory and high schools in the east and a number of colleges and universities will be represented. Prominent educators from the United States and South and Central American countries have been invited to speak.

Vunise Barrow, sister of heavyweight champion Joe Louis, is attending the University of Michigan.

Chemistry grads find jobs aiding national defense

That national defense work is causing an unusually heavy demand for graduates in chemistry was shown Saturday when Dr. C. S. Hamilton of the chemistry department announced placement of nine students.

Orville Bonness of Archer and Delore Kouba of Lincoln have been placed with the Hercules Powder Co. at Wilmington, Del. Alex Rehrig of Lincoln and John Toole of Fremont have jobs with Joseph Seagram's at Laurenceburg, Ind.

Robert Steel, Fremont, is with the Goodyear Tire and Rubber Co. and Don Schellberg, Omaha, and Richard Schleuter, Kenesaw, are with E. I. Dupont. Laurence F. Transue, Summerfield, Kas., is with Dupont and Vernon Ratzlow, Roscoe, Ill., is with Phillips Petroleum.

Gustafson gets position with advertising firm

Milton "Gus" Gustafson, widely known as a student leader at the University of Nebraska college of agriculture, has joined a national advertising firm in Milwaukee. He was graduated in the spring of 1940 and since that time has been taking graduate work toward a master's degree in rural economics.

The new \$30,000 henhouses at the University of Connecticut are steam heated and termite-proof, with electric lights, hot and cold running water and automatic fountains.
