Nebraska's basketballers muffed their chance to land at the top of the Big Six heap but can still slide into first place by improbable instances.

In the first place the Huskers would have to win all three of their remaining games to even stand a Chinaman's chance.

The Huskers have yet to play Missouri—away, Oklahoma—away, and then meet the Kansas Jayhawkers again—but this time in the local coliseum.

The Husker record is four wins and three losses. The best standing the Huskers could chalk up would be .700 percent. Kansas and Oklahoma are the other two teams with four wins thus far.

If the top teams could kill themselves off by losing to one another and the lower, in position, conference fives could knock off a few of the league leaders, then the Huskers might be able to slip in thru the back door to win the title.

But this is all highly improbable. Kansas and Oklahoma have proved their worth and there isn't much chance of these two teams mugging their records against the second division quintets.

Here's crossing our fingers and more wishful thinking for the cagers. Up to now, they have done a grand job in reviving basketball interest at the University of Nebraska. They deserve better breaks—and may get them!

Coach Pete Hagelin's swimming team is blasting thru the water at great guns this season and this looks like the year when the aquatic boys bring home the bacon in the Big Six swim meet.

Incidentally, Nebraska will be host to the conference swimmers this year. The last day of February and the first of March mark the "final exam" weekend for the swimmers.

Iowa State is undefeated in eight matches on the wrestling mat this season. A junior grappler, Dick Johnson, 175-pounder, has won all of his matches this winter—seven by falls, one by decision—and has scored 38 points to none for his opponents.

Scholarships totaling \$128,000 have been awarded 247 students at Vassar college for the current year.

Barb cage play Captains Cyclone enters final playoff stage

Barb intramural basketball reached the playoffs Monday night, as all but one league championship was decided. League III remained in the dark as Pioneer Co-op and the Termites finished with three wins and one loss apiece.

Carl Atkison, with 10 points, led the Co-op to a 25-5 win over Stratford. The Termites also clicked as Red Boyle and Walt Morrison potted 17 of the 23 points, while the Termite defense limited Omega Club to one field goal. Pioneer beat the Termites, 16 to 6 earlier in the season and will be favored in the playoff.

Dark Horse, last year's champs, won League III as expected, tho they met stiff opposition in their final game with the Galloping Ghosts. Team play and experience won out as the incumbents triumphed by 17-9.

Brown Palace was named League I winner when it was proved that AEI, which won out during the regular schedule, had used another team's players in the 23-15 victory over Brown Palace.

Mad Russians captured the League VI gonfalon by drubbing the Madmen 36-18. Scoring at will, the Russians, composed of former Blair high school players, led thruout. Freshman Joe Wise led the Mad Russians with 10 points, as Budd Walker scored 12 for the Madmen.

The Angels completed their rout of League V opposition as Gerry Miller scored 6 to aid in the 17-13 conquest of TKB. Don Rowlands advanced to third place in the individual scoring compet with eight points running his total to 30. Dan Pressly, who was idle, retained his lead with 40 and Kenny Sears held second with 34.

With Dick Grubaugh potting 6 points, the Husker Inn quint annexed the League IV top with a 15-11 conquest of the Barbed Points.

In the other games AEI with Marquiss' 13 points, beat Casino Club, as Cliff Hurley looped in 9 points. Bill Woltemath scored 8 to give the Grads a 25-10 victory over Hezgy's Manor. Cece Strawn's seven points were not quite enough as Tappa Kegga bowed to Ak-Sar-Ben by 14-10.

Lynn Landgren and Don Peterson led Davis Hall to a 21-17 win over KKK, tough football champs, while Robin Loerch, Craig Hubbard and Bob Dworak potted 7

Weir names 9 trackmen for Illinois relays

Track Coach Ed Weir named 9 men Wednesday to compete in the Illinois relays at Urbana Saturday. "Red" Littler, out to break the present American record for the 300 yard dash, which he tied at the relays last year, will not compete in the 75 yard dash since it precedes the 300 event.

Don Morris will enter both the 300 and the 75 yard sprints. Bob Ginn, the Big Six champion two-miler, will compete in the 1,500 meter runs, which is just a few yards under a mile.

Bob Kahler and Bill Smutz will both run in the high and low hurdles. Smutz will compete in the broad jump as well, while Kahler high jumps. Harold Hunt and Harold Scott will enter the pole vault competition.

Wayne Blue and Vic Schleich, sophomores, will toss the weight for the Huskers. The team will leave for Illinois Friday night by train.

Council-

(Continued from Page 1.) is certain that at least thirteen delegates will come from Iowa and Kansas.

The main events of the last two days of the convention are the discussion groups and a dinner Saturday night in the Cornhusker Hotel, at which two innocents will speak on the "Problem of Affiliated and Unaffiliated Students Working Together." Since Missouri is not attending, an agricultural meeting is being planned for Saturday morning, when Missouri was to lead the discussion.

Cyclone swim team guest of Huskers tonite

Armed to the teeth with outstanding swimmers, Iowa State, coached by Charley McCaffree, is all ready to invade the Cornhusker mermen in their own harbor tonight at 7:30 in a dual meet that will determine how strong the reigning Big Six champs will be this season.

Chief among the headaches Husker coach Pete Hagelin will be confronted with will be Roger Adams, captain of the Ames contingent. Adams is the present Big Six holder of the 60 and 100 yard free style records in the short pool races and his presence will cause Bill Edwards trouble in the 50 and 100 dashes.

Another of the standouts for the invaders will be Charles Hudler, who specializes in the breast stroke event. Le Roy Foster is Nebraska's mainstay in this event. Nebraska will enter the meet with the same lineup that started against Kansas State.

The meet against Iowa State will be Nebraska's second conference meet and the third of the season. There will be plenty of spectator room and students are urged to attend.

Associated students of the University of Idaho last year spent \$107,031 and finished the year \$1,080 in the black.
