Nomination

for the popularity plus gal of the semester is Theta Maribel Hitchcock, better known as "Hitchie," who splits her dancing time between Beta Leon Davis, ATO Ed Butler and Phi Gam Jerry Thompson. Last weekend she was seen with Ed at the ATO formal, and she will go to the Interfraternity Ball with Jerry this weekend. **M** power to you, "Hitchie."

To go or not to go

steady seems to be the soliloquy which Tri Delt Mary Helen Dietrich repeats, for one minute she is and the next minute she isn't. Bet Delt Dick Gellatly wishes that she would make up her mind pretty soon! Just between you and I, I think they are a cute couple together.

Sweet treats

were given to the Alpha Chi's Tuesday night from Betty Green and Gregory Meyer. The girls are wondering just what will happen to Marty Reed when her steady, Bob Ford, goes into National Guard camp on the 28th. Time will tell, I guess.

Who shaved the squirrel?

When a few students saw a scrawny looking squirrel over by Law this morning, they took a good look and saw that he had been shaved down the back. Whoever did it should feel ashamed, and besides, haven't you heard about the Humane Society?

Valentine

Day calls up some early celebration on the part of the Tri Deltas who had a couple dinner Wednesday evening. The Kappas will do their dining formally on Thursday night. Most every body else will wait till the 14th. People like Mary Anne Stryson, Alpha Phi and Art Mason, Sigma Chi should find the romantic theme very much in keeping with their affair which is reported (unofficially) to be on the steady side. Also sharing this Valentine Day spirit will be Theta Dottie Wierich and DU Heavy Day who are seeing more and more of each other these days.

No, it's not double talk,

there really are two Marie Andersons on the campus. Don Fitz, pride and joy from the Theta house has a name twin, Marie Anderson, a Kappa from North Dakota has joined the ranks of UN students. Marie will be seen at the Interfraternity Ball with eligible bachelor Jack Stewart. Other Ball dates include people such as Alpha Xi Deltas Peggy Jones with Bill Anderson, Betty Klingel with Beta Paul Dinnis. From the Gamma Phi house comes the news that Lois Thompson will go with Kappa Sig Rex Weaver. Frances Hans will be there with AGR John Schick who was pinned to AXD Virginia Sack last year. She is in sunny California these days.

U. S. Navy shows film on U-boats, 'Man O Warsmen'

"The U. S. Navy in Action," a four reel film sponsored by the U. S. navy recruiting office, will be shown Feb. 18 at 7:30 p. m. in the Union ballroom. George Greenwell will give a short talk before the film is shown and the entire program will last about an hour.

The film shows the duties and life in two departments of our navy and two reels are devoted to showing the life of a recruit in the navy.

"Service in a Submarine" and "Crossroads of the Pacific" are the reels on the navy. "Crossroads of the Pacific" was taken when man o' war ships were in the Hawaiian Islands.

Two reels showing the training required for making a civilian into a member of a gun crew are called "Modern Man 'O Warsmen." They show the training life of a recruit.
