The Alpha Chis met their doom last Wednesday as far as bowling is concerned with all three of their high scoring teams being eliminated by DDD 1, Kappa Deltas, and Pi Phi 1, respectively. In the other game that night the DG 3 took a close one, from the Ag college team.

On Thursday Theta 4 defeated DG 3 to advance to the semifinals. Also, the Tri Deltas 1, last year's runner-up, finally got going to defeat the high scoring Pi Phis to the tune of 711-688. The Pi Phi records as well fell, 711 being the highest score of the tournament while Effie Akin bowled 186 to take honors in that division from Ruthie Fox.

This puts the Tri Delt 1 team in the finals to play the winner of the Monday night Kappa Delt-Theta 4 game. Finals will be played off Tuesday night at 5 when all members of both teams must be present to bowl at the same time.

The rifle club, after minor details of cutting their opponents' scores in half because of a mixup in rounds to be shot, figure they won their last meet with Oregon State. It may not be official, but it looks nice from our point of view.

Unusual ping pong default notice to date comes from Kathryn Kellison. Seems she called her prospective opponent to arrange a game, and was told in no uncertain terms that she did not know of the tournament, and, furthermore, did not intend to play, so there! Intramural reps—best you inform girls you enter in tournaments, just in case. "Kelly," by the way, helped Lincoln win the Intercity ping pong trophy from Omaha a few days back.

Second basketball practices begin tomorrow night at 5 with the Gamma Phis, Howard Hall, Delta Gammas, and Alpha Xi Deltas on the list. In a "just for fun" and demonstration game last Friday a group of phys ed majors defeated a Pi Phi team with Dorothy Martin sinking everything that came her way.

Glad to see the beautiful weather Saturday and the record crowd who turned out for the bowling party. Kinda gives us'ns who rank in the "under 100" club a chance along with the upper class bowlers!

Frat basketball leagues close; finals remain

Thursday evening marked the end of fraternity intramural basketball in league A and marked the passing of the halfway mark in class B. There were eight games played in the former and two in the latter class. The only games in class A remaining are those that were postponed.

Starting the festivities out in a slow manner were Delta Upsilon and Xi Psi Phi. The DUs led by Bob Nye with 4 points, were the winners. Warren Mulford, on the losing team, was high point man, getting 8 points.

The offensive leader of the evening's play was Kappa Sigma in its defeat of Delta Sigma Pi, 25-8. Leonard Van Buskirk collected 13 points to be high individual. Beta Theta Pi defeated

MANHATTAN, Kas.—Refusing to believe that the University of Kansas is unbeatable on its home floor, Kansas State's basketball quintet will attempt to add another upset to the hectic 1941 season at Lawrence Tuesday night.

While out of the title race, the Wildcats have provided no little trouble for their conference foes. Each league team has dropped one game to K-State except KU and Iowa State and the latter still have to face Coach Jack Gardner's cagers before the season ends.

Kansas State well remembers the 34 to 33 decision KU won at Lawrence last year, and is determined to avenge this as well as the 46 to 41 victory the Jayhawkers scored at Manhattan in January.

Wildcats not afraid.

"The fact the Jayhawks are leading the league means nothing to us," Gardner said. "We defeated Oklahoma when they were in first place. Neither do we take any stock in the home court jinx story. We came closer defeating KU at Lawrence last season than we did at Manhattan."

"If we are having a good night," the K-State mentor said, "we'll lick KU." He backed this statement up by figures of the game here. That night KU made 40% of 47 shots while Kansas State connected on only 21% of 75 shots at the basket.

Chris Langvardt, an effective pivot man, will start at center as he did against Missouri. Tom Guy and Dan Howe will be at forwards and Larry Beaumont and Norris Holstrom will be the starting guards. George Mendenhall, soph-

Dark Horse quintet defending barb I-M basketball champs

BY BUDD WALKER.

Barb basketball enters the semi-final round Monday night, with Dark Horse leading off against Pioneer Co-op. Dark Horse, league 2 champs, won the cage championship in each of the last two years, the volleyball championship this year, and the softball pennant last spring. Touch football seems to be their only nemesis, as they have not touched the top in three years.

Pioneer Co-op, a new club on the campus, is in its first year of barb competition. In both football and volleyball they fought well but in vain. In basketball they are the only semi-finalists to have lost a game in the regular season, but they made up for that by beating the second place team of their league twice.

In league 3 games, they lost the first game of the season to Omega Club, by 14-10. They came back to topple Tappa Nu Keggs and Stratford, and wallop the Termites 16-6 to tie for the top. In the playoff they repeated their victory, this time 16-13, to enter the playoffs.

The other semi-final finds the Sigma Nu, 13-9. For the winners, Stan Huffman got 5.

Sig Eps win their league. Delta Tau Delta and Zeta Beta Tau played with the former winning 12-6. Chuck Root got 4 for the Deltas. In a close game Sigma Phi Epsilon paced by Ed Zacek, took down Sigma Alpha Epsilon, 23-17 and won their league in doing so. Bob Heinzelman scored 8 for the losers.

Phi Kappa Psi barely nudged Beta Sigma Psi, 21-20. Lyle Wilson got 8 for the winners and Edwin Klein, 12 for the Beta Sigs. Phi Gamma Delta also lost by a decision to Alpha Sigma Phi, 11-12. Farm House beat Alpha Gamma Rho 16-6 to end play in class A.

In class B, Delta Tau Delta beat Sigma Nu, 10-6 and Phi Kappa Psi got past Zeta Beta Tau easily, 16-2. Phi Gamma Delta outscored Farm House 18-12 to close proceedings in this class.

Angels pitted against the Mad Russians. Both are new to barb sports, but they seem to find the competition to their liking. The Angels over-ran all opposition in topping League 5, the haloed boys winning five as they did not drop a game.

The Mad Russians, former Blair high school players, really looked like champions in running through league 6 without a setback. In both touch football and volleyball the Russians had the misfortune of running up against the eventual champions before the finals. They were in the National league with the Dark Horse sextet, while they lost to the KKK nine after gaining the semi-finals in touch football.

Both even-stevnen.

Both games are natural, with all teams boasting well-balanced high-scoring lineups. Captain Jim Watts led his Dark Horse team in scoring during the regular season, with 30 points, with Bob Anderson and Fred Sukup supporting well. The Pioneers' opposition will center in Carlos Atkinson and Connie Dye.

Wayne Kellogg sifted 24 points through the net for the Angels during the season, while close behind him were Teammates Clair Miller and Al Canfield. Freshman Joe Wise is the Mad Russian satellite who will lead the Angels' opponents.

Gymnasts beat Buffs, 210-194; first win in two starts for Huskers

In their first home meet of the present season, Nebraska gymnasts outpointed a University of Colorado team at the coliseum Saturday morning by scoring 210 points to the Buffaloes' 194.

In all of the five gymnastic events with the exception of tumbling the Huskers took first in showing the best all-around strength that they have shown thus far.

In the horizontal bar, Stan Southwick took first place with 19 1/2 points, barely shading his teammate, Pete Kreischer, who collected 17 points. Fager was third for the Rocky Mountain team.

Geier wins side horse.

Jake Geier had the side horse all to himself and proceeded to show the spectators the fact by thoroughly outclassing the field with his 21 1/2 points. A. Connert was second for the visitors, scoring 17 1/2 points while Guy Johnson took third for the Huskers.

In the flying rings it was Geier again who held the top position but unlike the side horse, he had to give up part of the glory to Jack Schulz, who took second with 22 1/2 points. Geier had a good 25 score with Pete Kreischer pulling in third, very close behind Schulz with 22 1/4 in his favor.

In the parallel bars Johnson and Kreischer were all by themselves but one could not outdo the other with both getting a part of first place by scoring 23 1/2 points apiece. Schulz took third for Colorado with a teammate, Frank Prout, close behind him.

Schulz wins tumbling.

Jack Schulz came into full glory when the tumbling event was being run. He scored 23 1/2 points which was good for a first with Griffin taking second for Nebraska followed by Landrum for Colorado.

The Huskers are all even on the matter of wins and losses. The win yesterday counterbalanced a loss to the University of Chicago earlier in the season. The team is already to leave on a three-meet conquest of the Rocky Mountain region. Meets include the University of Colorado at Boulder on Feb. 27, Greeley State at Greeley on the next day and staying over there until March 1 when the team will compete in the Rocky Mountain A. A. U. championships. The summary:

Horizontal bar: Won by Southwick (N); second, Kreischer (N); third, Fager (C). Side horse: Won by Geier (N); second, Connert (C); third, Johnson (N). Flying rings: Won by Geier (N); second, Schulz (C); third, Kreischer (N). Parallel bars: Tie for first between Johnson (N) and Kreischer (N); second, Schulz (C); third, Prout (C). Tumbling: Won by Schulz (C); second, Griffin (N); third, Landrum (C). Judges: Don McDowell, Gay Cadwell and A. N. Grossman.

dropped it because of financial difficulties 24 years ago.

In the intervening years Obrecht has acquired a large cattle farm.

His determination to complete his college education, Obrecht explained, was given impetus by failing health which made it impossible for him to do heavy farm work.

"Rather than loaf around and pay someone else to do my work, I thought I would do better to get into some line of work that I can do," he said.

NORMAN, Okla.—Sophomore Max Young uncorked a long one-hand shot in the final five seconds to give his Nebraska cage mates a 43-42 win over Oklahoma, here Saturday night.

The win gave the Huskers firm entrenchment in third place in the Big Six basketball race. The Scarlet now have six wins and three conference defeats. The league leading Jayhawkers have a five and one record.

More thrilling than the last second one-hander was the amazing comeback by the Huskers. Behind 28-11 at the half and trailing by 18 points mid-way in the second half, the Huskers came back to win the ball game.

Turning on the steam in the second canto rush were Hartman Goetze, who featured a 22-point attack while the Sooners were netting 3.

As the Huskers poured on the heat—and points—the Sooners began to wilt and the Oklahoma lead narrowed. With a minute to play, the Sooners led by 3 points.

A long one from the corner narrowed the margin to a single point. A foul on Garnett Corbin halted play. Corbin elected to attempt the free throw but missed. The Huskers retrieved the ball and hurried it down the court.

Randall scores.

Young received the ball at the Sooner foul circle and cleanly arched the ball thru the hoop. The game ended seconds later.

High man for Nebraska was Towering Al Randall with 9 points. Second honors went to Sid Held and Max Young with 8 counters apiece. Hartman Goetze tallied 7 and Don Fitz was held to two field goals.

Allie Paine and A. D. "Ug" Roberts were high for the Sooners with 10 points apiece. A look at the box score shows another reason for the win. The Huskers connected on 9 out of 13 free tosses. The Sooners sank only 8 out of 15 attempts. The box score:

Nebraska	fg	ft	Oklahoma	fg	ft
Fitzgibbon	2	2	Corbin	1	0
Thompson	0	2	Roberts	4	2
Livingston	1	1	Rousey	0	0
Goetze	3	3	Zollner	0	1
