

Gopher gym team beats Nebraskans

As previous records had predicted, the vaunted University of Minnesota gymnastic team defeated the Husker gymnasts in a dual meet held yesterday by a total score of 680-616½.

The total score was closer than was expected due to Nebraska's taking first and second in the side horse event. Guy Johnson won this event defeating Drinkwater and Grossman, who had placed high in the Illinois meet the week before.

In the horizontal bar event, Minnesota swamped the three high places with Loken, Warpeka and Olson finishing in that order. The three Gophers had a combined score of 151 to Nebraska's 122.

Daly improves on rings.

Daly of Minnesota, showing improvement over preliminary workouts, took the flying rings followed by Geier of Nebraska and Olson of Minnesota. Warpeka and Anderson finished in that order for Minnesota on the parallel bars while Pete Kreischer of Nebraska took third.

Loken and Grossman of Minnesota carried off top honors in tumbling with Kreischer third. Loken did a difficult trick with a full somersault and a half twist.

Each team entered three men in each event and the team's score in each of the five events was determined by adding the three scores. The three highest individuals in each event were given individual places but the meet was decided on total points rather than individual places.

The summary:

Horizontal bar: Minnesota, 151; Nebraska, 122. Individual: Loken (M), Warpeka (M) and Olson (M).
Side horse: Minnesota, 114; Nebraska, 128. Individual: Johnson (N), Geier (N) and Drinkwater (M).
Flying rings: Minnesota, 139; Nebraska, 128.5. Individual: Daly (M), Geier (N) and Olson (M).
Parallel bars: Minnesota, 131; Nebraska, 122. Individual: Warpeka (M), Anderson (M) and Kreischer (N).
Tumbling: Minnesota, 139; Nebraska, 116. Individual: Loken (M), Grossman (M) and Kreischer (N).
