## Hard luck story

of the week concerns DU "Heavy" Day who went off to Columbus, O., for the National Pershing Rifle conclave. "Heavy" is national commander, and so had looked forward to the meeting with a great deal of enthusiasm. Theta Dorothy Weirich got a letter from him yesterday, however, and it seems that the poor lad is in a hospital there with the mumps!

## AGR's

will entertain at their annual spring formal this Saturday. Don't be surprised if Pi Phi Ruth Harvey shows up with Floyd Hansmire's pin. New pledges at the AGR house are Don Brown, Bob Otte, Max Towne, Conrad Peterson, and Lawrence Barley.

## Al O'Connor,

he of the California license-plates and the Fiji house, is a verro, verro, unhappy fellow. He's lost his wallet, and unless it's found, it'll be a long, dark week-end for him and his gal.

## Saturday night

brings the Crud party to the Beta house, Lowe Folsom, the old confirmed bachelor, himself, was inspired to ask DG Flossie Perkins for a date, his first since January, and Bill Huffman will escort Alice Ann Hascall. Harold Howell will

be in town for the affair, but what with DG Betty Holtorf's anchor firmly chained to that SAE pin— Feature of the evening will be a raffle at \$1 per chance; prize will be that sleek red phaeton of Bill Huffman's that's been in the Beta family for years and years.

## Bob Carey

has organized an all-university dance band of seven pieces. 'Tis understood that he's going to play for several of the spring house parties on the campus.

## New pledges

at the Delta Sig house are Marvin Goos, Tom McCandles, and Walter Morrison.

## New convertibles

are quite empty with no pretty girls in them, so don't be surprised to see Bob Cohen not all alone, despite the fact that he's true to Selma Hill in Chicago. ZBT Irv Cohen also has a new beige convertible, trimmed in red and black. Paging sunnier weather!

## Pi Phi's and DU's

got together for an exchange dinner last night and everything popped, particularly in the neighborhood of Mortar Board Jane Shaw who sympathetically held Jack Nelson all the way out to the D U house on her lap and (all in fun) conspicuously stood up at the close of the dinner in response to a song made famous on Freddie's Juke box. Walt Johnson and Mary Louise Simpson then seized the spotlight for a few minutes with some original dance numbers.

Coupled up for dinner were: Betty Baker and Paul Englehart, Connie Mirriam and Hap Brainard, Betty Dobbs and John Adkins,

at the spring election must be in John K. Selleck's office by 5 p. m. one week from today. Official filing blanks may be obtained from the Student Activities office or Dean Burr's office on ag campus. Only applications on official filing blanks will be accepted.

Two new rules were recommended by the elections committee and passed by the Council yesterday.

1. All publicity concerning candidates must be given approval of elections committee.

2. It will be the power and the duty of the elections committee to enforce article 14 of the rules of election according to interpretations of the article handed down by the judiciary committee approved by the Council.

The latter rule applies to the article of the constitution which states that soliciting at the polls or in the building on the election day, spending money on candidates, and printed campaigning is illegal and cause for declaring the candidate ineligible.

### Plan to publicize.

However, the Council is making plans to publicize each candidate by asking that each candidate submit three application pictures of himself at the time of filing. This applies to Student Council, Publications Board and Ivy Day orator candidates.

Recognition of the new fraternity coalition as the "Union Party" gave official authorization to two parties for the next election, the Union Party made up of all fraternity men, and the barb party composed of unaffiliated men.

## English union receives returns from benefit show

Seventy percent of the total receipts from Gracie Fields' benefit performance, \$1,288.92, was sent to the English Speaking Union for the benefit of British children, according to Dean LeRossignol.

1,460 adult tickets, and 935 student tickets were sold for the performance. In addition to the return from ticket sales, a gift of \$100 was added by Mrs. Hazel Abel.

Commenting on the benefit, Le-Rossignol said, "It is a pity that only 935 students paid 25 cents to hear Gracie Fields. If she would come again we could easily get 5,000 in the coliseum."

Those in charge express appreciation to the athletic board for permitting the coliseum to be used at a minimum expense.
