

### Selective service director warns draft registrants

Brigadier General Guy N. Henninger, state director of selective service, warned all draft registrants Tuesday that local draft boards must know the address of all registrants. He said that many of the cases being investigated had been due to carelessness or ignorance of the fact that local boards must have the immediate address of all registrants. The department of justice has been spending much valuable time investigating such cases.

### Barb council meets to discuss problems

To discuss problems of the barbs, the barb council representing all barb organizations on the campus will meet in room 307 of the union, Monday at 5 p. m.
