Sassy Items

School has really started and so have dates and steadies and things. Everyone is back so things ought to start popping any minute.

Helen Higgins, Sigma Kappa, and last years president of Pan-Hellenic, has a diamond ring. Harold Mizner, UN grad, gave it to her.

A new steady couple is that of Connie McCauley, Chi O and Bob Murray, Sig Alph. Almost steady are Billy Bryan, Alpha Phi, and Sigma Chi Jack Conklan. They are going steady every Saturday and the brothers think it will take about two weeks to make it real steady.

Not On Steady List.

Ed Calhoun, ATO, is definitely not on the steady list any more. He has had dates with an Alpha Phi active and pledge, and has a date this Saturday with Janet Hemphill, Pi Phi.

Two unhappy Kappas are Shirley Hoffman and Kay Tunison. Their fellas are in the army, so we don't blame them for being unhappy. The fellows are Rags

Rodman, Phi Psi and Chuck Pillsbury, Beta.

It seems that Jean Fisher, secretary in the union office, has been the idol of "Carrot-top" Shelly, DU. But an old flame of hers was in town for a while which made Shelly very unhappy. That old flame was Wade Raser, ex-president of Delta Upsilon.

Almost Steady.

Ruthy McMillan is going almost steady with Buck Vette, Beta. It all started in summer school and it looks like it won't be long now.

Chi O Ruth Brickle goes with a fellow who is now in the army, but she had a date the other night with Norris Anderson, Phi Gam pledge, to help forget.

Down DU way Helen Matz, DG, has given Max Wieland's pin back, and Mary Adelaide Hansen has been dating Wally Munsen, DU prexy.

That popular ATO, Johnny Mason, has really fixed himself up. When he had his first date with Myrdean Buller he must have said "Are there any more at home like you?" because he has a date with her sister Gerry this week end.

Forecasting.

Forecasting a few dates you might watch for this week end: Bonnie Price, Chi O pledge and Allen Zikmund, Sig Alph pledge; Dorothy Black, another Chi O pledge, and Jim Alexander, Sigma Nu pledge; Vera Cameron, Pi Phi pledge, and Bud Wehrman, DU pledge; Helen Johnson, DG pledge, and Tom Davis, Phi Delt.

One half of the Dobbs-Hays team is still going steady. That half is Preston Hays, Sigma Nu, and the half which doesn't always go steady is Bette Dobbs, Pi Phi.

A Phi Psi pin belonging to Dan Moravec no longer adorns Marion Dredla. She sent it back before school began.

Innocents Money-Making Scheme.

If any of you boys just can't find a cute girl to date, the Innocents will solve your problem. They have a complete list of beautiful freshmen with all the details, which they might part with for a large sum. This was a free advertisement. Maybe they're raising a fund that way.

Reception For Music Students In Union Sunday

An opportunity for all music students who are working for a degree of Bachelor of Music or for Bachelor of Music in Education to meet the faculty of the school of music has been provided in the form of a reception by the honorary music societies, Sigma Alpha Iota, Delta Omicron, Mu Phi Epsilon, and Phi Mu Alpha-Sinfonia.

The reception, at which tea will be served, is to be held from 3 to 5 p. m. Sunday, Sept. 21, in the parlors Y and Z of the student union building. All music students are urged to attend.

Riders Hold First Meeting Saturday

Riding club will meet for the first time Saturday at 8 a. m. in front of Grant memorial. Transportation to and from Shreves stables will be ten cents. Tickets are \$5 for ten rides or 75 cents for single rides.

Mexican Theme Used at Barb Dance Saturday

The first Barb dance on their new social program will be held in the union ballroom Saturday from 9 to 12. Barbs will be admitted by presenting their activity ticket. Other students will be admitted at ten cents per person.

Hank Mattison, who will play for the dance, has arranged several specialty numbers. Additional entertainment will be Mexican dances by seven couples. A Mexican theme will be used for the entire party.

Women Students Invited to YW Mass Meeting

Freshman commission leaders of the YWCA will be introduced to new students at a mass meeting in Ellen Smith Hall at 2:30 p. m. tomorrow.

At this meeting the entire YWCA program of the year will be explained and an opportunity will be given to become active in the work at once.

Frances Keefer, president, Mrs. Rice, member of the city YWCA, and Flavia Tharp will give short talks. Jean Christie will speak on "What freshmen may expect the Y to mean to them in a total college curriculum."

Commission leaders who will be introduced by Margaret Deines are Betty Bonebright, Betty Toothaker, Margaret Forrey, Helen Gogela, Gwen Oatman, Janice Cook and Priscilla Moseley.

Mary Lockett, YWCA secretary, asks that all new women students attend this meeting.

Squad . . .

(Continued from page 6.)

third team to see what they could do about the whole thing.

Zik. Tallies On Reverse.

After the Viscount and assistant Dale Bradley had taken the ball within striking distance of the goal line, Al Zikmund was cut loose on one of his famous reverses and proceeded goalward for the remaining 28 yards and a touch.

Then along came number two with the ball and number four trying to stop them. Howie Debus, sophomore flash, wound up on the first play and sent a 35 yard pass into Jerry Kathol's waiting arms.

Debus Proves as Plunger.

Debus next uncorked a 15 yard jaunt of his own to show that he could also prove his worth as a runner. The seconds scored on a flip from Debus to Roy Nyden after his pass to Kathol had taken the ball within 10 yards of the goal.

This was not all for the squad however for after this was completed they were lined up on the goal line according to position and then told to sprint 40 yards to determine the fastest at each position.

Preston and Ludwick were the fastest ends. Herndon and Byler ran less in one place than did any of the other tackles. Zikmund was best at the wing back with Metheny leading the quarters.

Vike and Wayne Meet.

The big dual was between Vike and Wayne Blue with the two towering behemoths lumbering down in nearly a dead heat. Finally, Blue pulled away and led Vike across the line.

Maybe, you gals that date these footballers noticed that he was a little worn down last night, just remember he had a right to be.
