Candy and Kisses.

Gen Harmon, DG, passed candy to the sisters Monday night and the brothers brought Bob Ludwig, SAE, over to the house after smoking his cigars. So a good time was had by all, as the fellows kissed Gen and the girls went after Bob. . . . The next day Peggy Jones, Alpha Xi Delt, received a diamond from Hawaii. It had come over on a Clipper, which will do double duty and take the sparkler plus the little lady back to the Isles. . . . Marg Rivett, Alpha Phi, and Phi Psi Harold Hickey are going steady again after a break up which involved the return of a pin. . . . Also on the steady list are popular Hattie Costello, Theta, and Bill Mickelson, Phi Psi pledge. Too bad boys.

Going My Way?

The DU's are wondering if Jack McPhail is going to follow Gay Gimple, DG, to South America when she sails away next year to do her social work there. . . . Virginia May, Kappa, and Harry Rinder, Beta, have passed the hands holding stage and are going steady. . . . Kay Hanley, AOPi, is trying to choose among Marv Thompson, Phi Gam, Max Wilson, Delt, and a boy from Creighton. That's a job. . . . Still waiting for John Spence, Sigma Nu, now in Washington, D. C., at school is Alpha Phi Barbara Hodgman. However she is accepting dates with other boys while she waits. . . . KKG Mary Runyan and Jim Nicola, ATO, are no longer steadies, which should make some pretty good dating for the other boys and girls.

New Officers.

At the AOPi house Shirley Hopkins was elected president of the pledge class, while other officers

include Beverly Hoekstar, vice president; Opol Johnson, secretary; Helen Roode, treasurer; Mary Ellen Bonebright, sgt. at arms. . . . The new AOPi social chairman is Alice Henson, which should make John Kerl, Phi Gam, quite happy. . . . The ATO's elected Bob Sandberg as their president to succeed Dick Stasney who got caught in the draft. . . . Jim Evinger was elected social chairman at the Kappa Sig house for the fourth time. Maybe he likes the job.

More Candy.

Betty Gleason officially passed candy at Towne Club Monday night. She will probably be wed

spent for the development of the property. WPA will put up half the cost of the addition and remodeling.

Payments for highway tests made for neighboring states and the federal government will account for approximately one-half of the total expenditure.

With completion of the laboratory addition and removal of highway testing to the new hall, the university will no longer deserve the description of having "the best equipped road-testing laboratory west of the Alleghenies but the poorest housed," Professor DeBaufre added.

in January to her navy man. . . . Off the regular dating list are Joan Emerson, Pi Phi, and Duke Schatz, Sigma Nu. The whys and wherefores no one seems to know and both parties remain silent. . . . Doing some frequent dating these days are Peggy Elliott, Alpha Chi, and "Whitey" Reed, Delt of several years ago, now home on furlough from Fort Lewis, Washington, where he is on duty as a first lieutenant.

Several Groups Enjoy Exchange Dinners Tonight

ka Debate Teachers association. Laase has served on a national committee which forms the question debated in colleges throught the nation.

In his undergraduate days, the new coach debated for three years at Doane college and while doing graduate work at Northwestern university he served as assistant coach there. He also did graduate work at Michigan, Iowa and Wisconsin universities.

Plans Being Made.

"Plans for the year are now being made," Laase said yesterday. "By next week organization should be complete and announcements regarding both varsity and freshman debate will be ready."

The debate course will be called speech 123-24, formerly English 103-4, and will be the application of English 9-10, argumentative writing. Speech 96, a course for varsity debaters, will replace English 96. Laase will teach all of the new courses; White will continue to teach English 9-10 and other advanced English courses.

"The change was made, Laase said, "to materially strengthen the

Pay Roll of State Capitol Includes 25 Uni Students

Twenty-five university students are employed in the state capitol, according to figures verified by Val Peterson, secretary to Governor Dwight Griswold, Tuesday.

Sixteen of that number work as janitors, seven are employed in the highway department, and two are in the liquor control commission. All are men students with the exception of one of the workers at the liquor control office.

Work Split Shifts.

Each of the boys employed as a janitor works about four hours a day, and receives an average of \$45 per month—about half the amount janitors who work a 48 hour week are paid. They work on split shifts, coming to work at 6 a. m., and staying until 10, spending the time dusting and cleaning. They return at 5 p. m., and work until 9.

The highway department employees work on an average of

constructive speech organization of the department and to give the department a rounded and complete curriculum."

Active Nationally.

White has been active in national debate circles since entering the department. He was editor of the Gavel, publication of Delta Sigma Rho, national honorary forensic society, from 1926 to 1933. He was one of the leaders in organizing debate in Pennsylvania.

White has also authored articles in various national magazines. His comments on debating have been printed in both debate and popular magazines. Since 1925, he has been general editor of the New Century Book of Facts for which he has written extensively.

Will Teach Advanced Courses.

Prof. White will continue to teach four advanced courses in

three or four days every week, and work either as draftsmen or engineering assistants, State Engineer Wardner Scott said. They are Dale Godfrey, Richmond B. Case, Leonard Barker, Paul Schlitt, L. W. Cornell, Harry Ankeny and Marcus Poteet, Jr.

The two students employed by the liquor control commission—Grant Howard and Rosanna Svoboda—work about four hours daily at general office duties.

YW Holds Annual Membership Tea

The annual membership tea for the YWCA will be held in Ellen Smith Hall Thursday from 3:30 to 5:30 p. m. At this time guests will be given an opportunity to become members of the YWCA.

Presiding at the tea tables will be members of the city advisory board. Doris Crittenden will have charge of the music.
