## Sassy Items

### Rain, Rain Go Away.

The rain not only dampened the girls' curly locks, it also put a damper on the campus social life. Wonder if classes had anything to do with it? . . . However, Dee Carlin, Sigma Kappa, and Sigma Nu Ed Wibbels are now on the steady list . . . Mary Ellen Beechner, Alpha Xi Delt pledge and "Squash" Campbell, Phi Gam, have been dating "frequently." They are not on the steady list, as yet . . . Winnie Martin, Kappa of last year, is not only engaged to the home town boy, she has a diamond from Verg Plaggeman besides . . .

### Sad, Too Bad.

Sad indeed is Janet Shaw, AOPI. Bud Johnson, Sigma Nu, is in the air corps and she misses him. Just to keep him thinking about it she dates the other boys . . . Jo Ann Green, Chi O, and Grant Howard, Alpha Sig, became pinned the Fourth of July. Some holiday . . . Back in the swing are Joan Sheldon, Alpha Phi, and Bill Connor . . . Also steady again are Shirley Johnson, Pi Phi pledge and Ed Faytinger, Sigma Chi. They have been at it off and on for about three years now.

### Mystery!

We'd like to know just who it was who was walking around the campus handcuffed the other night. It was a boy and a girl if that's any hint . . . Betty Warman, AOPI transfer, is getting into the swing of it early. Last week she had dates with Dick Nash, SAE, and Ed Tollefsen, Phi Gam. . . . It is reported that Virginia Bergsten is having a time of it trying to decide about Bill Dafoe and Frank White, Phi Gam. Besides these two she manages to keep others on the string.

### Delts Sneak.

Getting a jump on the actives, 21 Delta Tau Delta pledges staged the first sneak of the year to Omaha last night, after ordering 10 gallons of ice cream (unpaid for). In one way or another the boys managed to get the address of active King Spittler's steady—who lives in Omaha. So she was probably well taken care of, even if King was in Lincoln.

### To Be Popular

among the lassies this tacit term is Hovland & Swanson's new Coed Shop on the third floor of their downtown collegiate style center.

To be featured in the Shop are cuter dresses both for the dress up and casual occasions at lower prices—and what better examples could the shopping miss find than the hundreds of distinctive stylings found in the \$7.95 to \$8.95 price range.

And speaking of the Shop and their stylings, tonight is a red letter date in the appointment books of all style conscious women on the campus for from 7 to 9 o'clock, such best dressed people as Hattie Costello and Marybelle Hitchcock will model many of the campus favorites in the Coed Shop. Attendance at this show should be on your "must" list for this evening. You'll be classy and correct in your clothing if you take your cues from the parade of patterns at Hovland's tonight.

You'll like the atmosphere in the Coed Shop. The decorative theme in this newest of nooks is definitely collegiate with its woven mats and walls beladen with action pictures of football players plus shots of such sport centers as the stadium and coliseum. But you'll see for yourself when you attend the style showing this evening. If you can't make it tonight, Hovland's invite you to be their guests in the Coed Shop anytime!—Adv.

## Student, Faculty Dance Scheduled At Ag Saturday

Ag students are invited to attend the 16th annual student-faculty dance at the activities building at 8 p. m. Saturday, Sept. 27. Following a short reception line, various games for students that do not wish to dance will be played. Tickets may be obtained by ag students at Dean Burr's office beginning today until Saturday without cost. Invitations will also be available at the door.

## Farm House Man Passes Cigars

Roger Cunningham, Farm House, announced his engagement to Mary Lou Butz, Kappa Delta from the University of Denver, when he passed cigars Monday night. The marriage will take place in Denver, Dec. 27.

## Defense Courses Still Available

Engineering defense training courses are open this week to a few additional applications according to Prof. W. L. De Baufre, director.

The minimum enrollment having been reached, courses in drafting and shop practice, beginning drafting, advanced drafting, and production engineering will consider additional applications in the order received.

Courses to be offered from Sept. 29 to Jan. 24 will meet in the evening with the exception of the drafting and shop practice courses. Further information and application forms may be obtained from Prof. De Baufre in the engineering mechanics hall.

## Over 50 Attend First Meeting of Commuters Club

The Commuters club held their first meeting Wednesday noon in their new club room, the old Cornhusker office, room 18, in the basement of the union, where over 50 students ate their lunch, according to an announcement by Pat Lahr, Union social director.

Organized to accommodate students who bring their lunches, the club's new room is large enough for over 90 students. An average of 60 to 70 students were served daily last year.

Beverages, desserts, and soups in cold weather will be sold at cut rate prices. The club will also have its own juke box which will be played free.

The room is open before 8:00 a. m. for the benefit of those who wish to bring their lunches and leave them and is open for service from 11:45 to 1:10.

## Kosmet Klub Meets Today

With discussion for the fall Kosmet Klub show on tap, Walt Rundin, president of the men's dramatic society, announced yesterday that the first meeting of the club will be held this afternoon at 5 p. m. at the Union.

"All members must attend the meeting," Rundin said, "since important organization plans will be made for the entire year."

## Union Sponsors Mixer Saturday

The juke box mixer will be held Saturday from 9-11 p. m. in the Union ball room instead of an orchestra dance, Pat Lahr, social editor, announced yesterday.

The dance will be free of charge but identification cards must be shown.
