#### The Sports Mill

By Bob Miller

An injury jinx that hovers around any football team during the season has decided to light on the Huskers ... Its effects have been strong enough to keep Trainer Elwyn Dees on the jump constantly these days....At the present time, the situation is worse than it has been throughout the entire early part of the sea-

Bruises, blisters and strained muscles were the worst things that Dees had to worry about a month ago but not now.... Since that time Kenny Simmons has had a broken jaw bone and recuperated...Bob Ludwick twisted his ankle severely and has been kept out of the first two games on that account....Lud has just returned to the squad ....

In the last week, however, injuries in far greater number and seriousness have been popping up

to hurt the Huskers chances . . . Clars having the hardest time... He hurt his ankle so badly that he needs crutches to navigate but at the same time he hurt his shoulder to such an extent that he can't use the crutches .. And if that

Kansas: The Jayhawkers with Saturday will perhaps show how Gwinn Henry, the aging veteran at the helm, have possibilities that seemingly are misdirected. Missouri Plans to Toss All to Defeat Nebraska

Columbia, Mo., Oct. 22-Missouri's coaching staff huddled here today to plot dire strategy for ammunition against the invading Nebraska Combuskers

Main topic of interest on the Tiger front was the return to active duty of Joe Flavin, passer de luxe. Flavin, who was forced out of the first four games by an injury, moved into the second team tailback position.

Mizzou May Pass.

Missouri's famed passing game made famous by "Pitching Paul" Christman, may receive a thorough airing against the Huskers Saturday. The coaching staff emerged from the huddle with "pass" the byword of the meet-

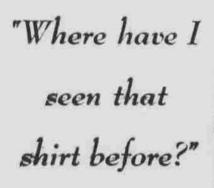

Harry "Slippery" Ice /lipped the ball for the No. 1 backfield, which included Bob Steuber and Don Reece, vets, and Jim Darr, sopho-more. Veterans Ralph Carter and Harold Adams were stationed in the second team backfield with Bob Horton and Leo Milla, soph aspirants, doing alternate fullback duty. Charles "Red" Wade, highly touted Mizzou quarter who passes and punts from either side is nursing a muscle injury.

Four Others Injured.

Four other Missourians are on the sideline with injuries. Vernon Bowen, halfback; Ed Sweeney, guard; Rayburn Chase, fullback, and Dick Keller, halfback, have not suited up this week.

Missouri fans predict that Mentor Biff Jones' Husker backs may find trouble bucking the Tiger line. Led by Pivot Darold Jenkins, team captain.
