Former Students Married Oct. 8

Kathleen Lane was married to Ralph Roberts Sunday, Oct. 19 at 4 p. m. The ceremony took place in the First Episcopal church in Nebraska City.

Mrs. Roberts was a member of Phi Mu and the groom was a member of Kappa Sigma. Several sorority sisters of the bride went to Nebraska City for the wedding.

Mr. and Mrs. Roberts will make their home in Lincoln where he is connected with Paxton-Gallagher.

Council . . .

(Continued from Page 1.)

One of the main objections to the plan came from R. Donald Steele, ag campus council member, who stated that the university is composed of colleges and the student council is representative of those colleges. He saw no logic, he said, in making a differentiation between ag and other colleges. This system, he continued, would without a doubt leave some colleges without a representative and since ag college is connected with the university as closely as any other college, it had no right to be favored by the proportional system.

Marion Cramer Aden, backed later with a statement by Mr. Lantz, showed how it would be possible for women to be completely omitted from the council under the proposed system.

What's Wrong?

Ruth Iverson then took the floor and asked if the student body had not been satisfied with the way the council had been functioning under its policy of proposing and backing constructive legislation.

Dave Marvin, barb, and not a member of the council, insisted on taking the floor in spite of not being recognized from the chair. Finally recognized by Thiel, he asked how the student council could legislate on a matter which concerned its staying in existence. Emphasizing his words by

pounding on the table with his presidential gavel, Thiel said, "Mr. Marvin. There are members of the student council who are not here for political reasons but whose interests lie in student government. This is the governing body of the students of the University of Nebraska, and as such, we have a right to discuss all legislation which would change that student government.

No Dinner.

Continuing long past the dinner hour, the council finally adjourned after the final vote on the proposal had been taken.

Other business taken up by the council during the meeting was the constitution of the America First Committee, which it approved; the plans for the campus Red Cross drive, explained by Mary Rosborough, chairman, and the report of Dick Harnsberger, chairman of the elections committee, which resulted in voting to reopen filings on Nebraska Sweetheart and Prince Kosmet.

Ruth Iverson, local chairman of the NSFA convention to be held here Friday and Saturday, also gave a report on plans for the conclave.
