Sassy Items

Steady and Otherwise.

Midge Beasley, Tri Delt, and Lee Lewis, SAE, are now going steady. In the same house June Griffin and Don Albin, Sigma Nu, have had dates every Friday, Saturday and Sunday for the past two weeks, but still won't say for sure. It's all off with Phyllis Shaw, Theta, and "Buck" Jones, Delt. She is no longer wearing his Delt pin and everything looks like it is on the rocks. Going together pretty regularly are Alpha Phi pledge Betty Jerner and ATO Jack Hogan. They will be dancing to Artie Shaw this week end. Delta Sig Aubrey Stevenson has his pin in Hastings, but his heart is in the Gamma Phi house. Seems he really thinks Helen Kiesselbach beautiful blond is wonderful. At the Kappa Delt houseparty you will see Ruth DeLong with Theta Xi Elmo Thompson; Anna Margaret Limpp with Bob Klamer, Alpha Sig; and Jean Ferris, pledge, with Jerry Mayburn, Acacia. Besides that you can't tell what you'll find in a gold mine.

Still Interesting.

A little late, but still interesting is the fact that Theta pledge Jean York was serenaded Sunday evening by the DUs. They must have been practicing up, for they sang the day before over WOW during the dinner hour. At the Kappa Swigma swig-dig will be Pep Queen Janet Hemphill, Pi Phi, and Rex Weaver; Bob Flory and Joan Beltzer, DG; and old friends Dick Berg and DG pledge Virginia Trowbridge. At least Chuck Larager, Delta Sig is persistent. He's been trying for a long time to hang his pin on Kay Keller, but to no avail.

Where to Spend.

It's easy to find the wealthy students this week end what with the ball and Artie Shaw at the

Pike. So Pat Cole, DG, will be dancing at the Pike with Bill Horne, ATO and Gay Gimple of the same house will be there with Jack McPhail, DU. Also at the Pike will be Polly Ann Petty, Alpha Phi pledge, and Delta Sig pledge Don Farley. He says he had to promise her he wouldn't tell or she wouldn't go, but we doubt that. Fern Bergren, Alpha Xi Delt, will go south-south with Claude Wright, Phi Gam, Friday. Seems to us that they are pretty well dated up together, but we haven't heard. It's wonderful to be getting rushes all the time and Mary Mason, Alpha Chi pledge, seems to get her share. At present rushing her is Harvey Leaf, ATO.

Pledges Again.

Alpha Xi Delt actives are still jittery over having to eat spaghetti—without the aid of silverware. When the pledges sneaked they took the silver ware, after requesting that spaghetti be on the menu that night. "A southern drawl really gets 'em." At least that is what we heard. Mark Hargreaves, ATO, has one and who likes it? Ann Hastings, Theta pledge. Walt Morrison, Delta Sig, is taking Helen Gogela, AOPi, to Artie Shaw. These dates keep coming in and coming in. Looks like there are lots of kids well fixed.

Dances.

Farm House is really having a time of it tonight and dates will be Andy Anderson and Barbara Fairley, Phi Mus, with Bob Tooker and Phil Miller. The ball is calling Barbara True, beautiful Tri Delt pledge, and Jim Lindberg, Phi Gam, and Dorothy Turner, brand new Tri Delt pledge, and Jack Cresse who is not in school at present. DG Jean Miller will go to Omaha with Ed Rolley and Julie Frazee, Sara Day, Flora Scott and Alice Ann Hascall will be in Omaha, too. Additional dates to the houseparty at 12th and H are Bob Koefoot with

Bobby Green; Wayne Mack with Marcy Bower, Alpha Phi; Leonard Folk with Beckey Ely, Alpha Phi; Dick Miller with Estell Linnamon, Chi O, and Bob George with pretty red head Dorothy Black, Chi O pledge.

Muzzle Mizzou.

There will be quite a few leave town this week end for reasons besides the ball. Going to Missouri from the DG house will be Tete Talbot, Pat Cooper, Joyce Jirton, Jean Ann Donley, Jane Fenton, Eloise Hainline, Joan Beltzer and Helen Matz. From the Theta house will go Betty O'Shea with Phi Psi Jake Morrow and Mary Aileen Cochran to meet Bill Uphergrove. She met him this summer at an army camp in Rollo, Mo. Gamma Phis Treva Muchmore will go with Beta Frank Mattoon. And twin Phyllis Babcock will be going, too. She has a date there with and old Beta friend of hers from Mizzou. Wonder why a certain ATO pledge is called "King." Dorothy Jean Brown, Kappa pledge, thinks he is, so maybe that's it. Don James? Could be. Shirley Wiley, Pi Phi, left town today to go see the donor of her diamond. He is Dan Claus and lives in Wichita, Kansas. The Delta Sigs announce the pledging of Warren Jeffries. That's swell.

Ho Hum!

And thru it all they still manage to go hunting! Don James, Jim Nicola and Talmadge Miller, ATOS, are planning to shoot a pheasant or two on a hunting trip to Norfolk this week end. Guess that takes the cake.

Patty Berg Golfs Here

WAA Sponsors Exhibition Matches Monday

Patty Berg, nationally famous women's golf champion, and Helen Dettweiler, holder of 32 course records, will give a demonstration from 10:30-12 Monday morning, on the touch football field west of the coliseum. Sponsored by the WAA, the exhibition is open to the public.

At 12:30 Monday noon at the Union there will be a luncheon honoring Miss Berg and Miss Dettweiler. Women's physical education majors, the WAA council, the department staff and outstanding women golfers of the city will

be present. All others who wish to attend may call the WAA office before Saturday noon to make reservations. Cost of the luncheon is 45 cents a plate.

Phys Ed Dismissed.

Women's 10 and 11 a. m. phys ed classes will be dismissed for the demonstration, Miss Mable Lee, director of the woman's physical education department, announced yesterday. In case of bad weather the event will be held inside the coliseum.

At the Lincoln country club

at 3 p. m., the two women will play an exhibition match.

Patty Berg began tournament play in 1933 the first year she was ever on a golf course. During her first year of play, she qualified for the Minnesota State championship and later in the season she won the Breezy Point tournament. To date she has played in 60 tournaments and won 29 of them.

Helen Dettweiler has qualified in each of the three National tournaments in which she played. She has also won several sectional titles and invitations in the East.

Style Quiz

1. In what cases does one dress formally for the Ak-Sar-Ben ball?

If you are going for the coronation tonight, by all means wear formal attire—with all the trimmings. The dance itself will also be formal. Wear something that won't brush the floor and will stand the rush of the crowd.

2. How does one introduce his guests to the housemother at a faculty dinner?

Always follow the rule of introducing a man to a woman and a younger woman to an older woman. If you are in a group, introduce the group, mentioning the name of your housemother first and then the names of the guests. Don't introduce her to everyone separately. If you are on the op-

posite end of the situation and no one has introduced you to their guest, it is permissible to introduce yourself.

3. What about knee-length socks?

Well, Nebraska men don't like them. For most of the co-eds that puts them on the black-list; however, they are warm and practical (which the fellows don't seem to realize) and if you have the legs, go ahead and defy the powers that be.

Kappa Phi Holds Initiation, Dinner Wednesday Night

Initiation of new members to Kappa Phi, Methodist sorority, took place at 5 p. m. in parlor XYZ of the Union Wednesday night. This will precede the annual big and little sister dinner which will be held at 6:15 p. m.

At the dinner, the president will present the Marie Davis pin given each year to some coed who is partially self-supporting, has a high scholastic record, and has shown outstanding leadership and service to the organization. Elaine Jensen will be toastmistress.

To fill the offices of those members who resigned, the following members will be installed into the cabinet: Jean Stroemer and Pat Preston, co-social chairmen; May Diltmer, corresponding secretary; Fern Wilterdink, student council representative; Dorothy White, publicity chairman.

Filings Close For Sweetheart, Prince Kosmet

Students may file for Nebraska Sweetheart and Prince Kosmet until noon today in John K. Selleck's office in the coliseum according to Dick Harnsberger, chairman of the council elections committee. Everyone interested is urged to file.

ROTC Uniforms Arrive Oct. 27

Manufacturers expect the advanced ROTC uniforms to be here Monday, Oct. 27, according to the latest information. All students measured for uniforms should call at Nebraska hall or contact instructors for further information.
