When the Kids Go to College Family Finances Go on Blink

... For Awhile

CHAMPAIGN, Ill. (ACP). Family financial worries are greatest between the 25th and 30th years of married life when sons and daughters enroll in college, according to a University of Illinois survey.

The college of agriculture, after examining the home accounts of 473 farm families, found numerous expenditures are added during that period.

Son and daughter continue to need money from home. Clothing and food expenses stay at a high level. Long time borrowings made when father was young come due. And youthful demands for a more attractive home require major housing improvements.

The rally committee made up of Don Steele, Phil Kantor, Preston Hays, Max Laughlin, Phyllis Cope, Betty Bonebright, Dorothy Weirich and Miriam Rubnitz, has asked every student to turn out to make "the numbers at this rally exceed those of the first two rallies of the year."

Again we're sorry—the first half of the column today is dedicated to the poor souls we have massacred... Our apologies to Beta Sigma Psi and Alpha Sigma Phi... In the rush of reaping Rag stuff we got slightly confused about house parties, so here's the real dope: The Beta Sigs are holding a husking party at the Cornhusker hotel and you'll see Clarion Buethe there with Alpha Chi Rose Kitrell and Floyd Walter with AOPi Betty Bonebright... On the same Saturday night the Alpha Sig party will feature an Omaha quartette... Stan Scott, who's contemplating transferring his pin, will take Pi Phi Kay Duncan. Another apology: The DU Coconut Grove party is not closed—come one, come all...

Alpha Phi's Marcy Bauer and Polly Petty are confused... Polly has a date to the Mil. Ball with ATO George Blackstone... She

used to date Ben Clark who's taking sorority sister Betty Winn to the Phi Psi house party... And Marcy's going to the same big dance with Bill Mc Kearney who used to date sister Mary Bird who dates Delt Chuck Schubert... Instead of staying here for the DG houseparty Saturday night, Betty Perry will go to Omaha to the Phi Rho doings with last year's Beta Ned Bell...

It'll Happen Every Time.

Absence makes the heart grow fonder—for somebody else... Betty Rubleman was engaged to the hometown boy last summer and last night she passed the candy with Wilson Gilmour, not the same joe, and set the date for June... According to some of the least reliable sources, the Sig Alph's aren't dating nowadays without permission of Walt Rundin; they sit at home nights and read his ten easy lessons on how to be aggressive... Beta Norm Yule has things all sewed up before Rosy Krause leaves for California Saturday—the deal's tied up with a sparkler... Dancing at the closed Sigm Chi house-party Friday night will be Tri Delt Alice Blackstone and Don Hartman and Alpha Chi Jerry Buller and Chuck Mills...

All Corn Cobs and Tassels must report at the Union at 7 p. m. today for speaking tours.
