Water Safety Course Open To All Women

Any woman enrolled in the university will be allowed to enroll in the American Red Cross water safety course which will be offered next semester according to an announcement made yesterday by the women's physical education department.

As a prerequisite she must have had some elementary swimming courses. The class will meet Mondays and Wednesdays from 3 to 4:30 p. m. and can take the place of physical education credit courses.

This is an advanced course which will include more than just life saving technique.

To All Women Students—

The new system worked out in Rifle club offers an opportunity for anyone who is interested in the club and who can shoot, an opportunity to make the team and shoot in the matches which we have with other schools.

If you don't know how to shoot, come over to Andrews hall and there will be instructors there to help you. All that is required is to turn in one target a week, signed by Captain Richardson. If your score is high enough, you will have a chance to compete on the team. The team changes every week. Doing this the rifle team is made up of the best shooters of the university.

The Biffer Returns—

Nebraska's coaching situation is still a question mark and will remain so for a time.... Major Jones has returned from a short trip following the East-West game and reports that there has been no indication that he will be called.

Very Indefinite.—

The coaching situation is definitely very unstable.... Biff has been ordered to take his physical examination but whether he will be called tomorrow, next week or next month, is the question.... Previously, the athletic board with Dr. R. D. Scott had failed to renew line coach, Link Lyman's contract and that left the Husker's without a line coach.... Now the Major will more than likely ask for a leave of absence for the duration.

Renewed Biff's Contract—

Before the war came along the board had renewed Jones' contract for five additional years at a reported salary of \$12,000.... Another problem which the board will have to struggle with concerns an end coach, Paul Amen.... Amen is single and has no dependents so that he will be subject to the draft.... This leaves the Huskers without an athletic director, a head coach, an end coach and perhaps more.

Presnell Still Available—

At this point if the expected does happen and the above coaches are needed in other places—Glenn Presnell will be the only grid coach that will be back.... Presnell has been backfield coach and is competent enough to take over the head mentorship.... Ad Lewandowski will also be on hand to help with football and rule over basketball.... This would at least

Tiger Cagers Invading In Second Big Six Game

By George Abbott.

After a successful debut in conference competition, Nebraska's basketballers will meet their second Big Six opponent when they meet the University of Missouri's quintet on the coliseum boards tomorrow night at 8 p. m.

Pointing for nothing less than top honors in the conference, Coach Ad Lewandowski's cagers will face the invading five with a Wildcat-rejuvenated confidence which had, before the K-State encounter been almost stifled by a disheartening record of six losses in eight non-league encounters.

Uses Four Veterans.

While Lew will probably start the same five who started against Kansas State, Tiger Coach George Edwards will use four lettermen and one newcomer for the opening tip-off.

Sparked by Guard Loren Mills, the Missourians will use the same quint that has averaged 38 points per game in chalking up four wins in seven starts. Teaming with Mills, who ranks as the top defensive man on the team in addition to his high-scoring record in most of the games played this season, will be letterman George Evans.

Matheny Ranks High.

Although George Constantz and Don Harvey regularly hold down the forward posts, Edwards has one or two reserves who may see more action than the starters, with Ed Matheny, who has outscored either when used, likely to get an early call.

The same situation has occurred at center, where 6-foot, 6-inch Sophomore Ross Burns has outpointed the veteran starter, Roy Storm.

Held vs. Mills.

In the Cornhusker line-up, Sid Held, the Nebraska high-scoring ace will try to outpoint Mills from his guard position, with Max Young supporting Held in the backcourt. Hartman Goetze, who accounted for seven points in the 44 to 38 victory over Kansas State will start at the pivot post, with John Thompson and John Fitzgibbon carrying out down-court duties.

The Missourians will invade the local court with wins over St. Louis (2), Gonzaga, and the University of California. In the latter game they picked up a close one from the Californians, 37-34. The Tigers have bowed to Idaho, Washington State and the University of Washington.

Probable Starting Line-ups.

Nebraska	Missouri
Fitzgibbon	Constantz
Thompson	Harvey
Goetze	Storm
Held	Mills
Young	Evans

Newt Copple Annexes Only Weight Title

... for Huskers

Newton Copple, star grappler, was the sole Nebraska winner to appear in the Midwest Invitational wrestling tournament held in Ames, Ia., yesterday as Oklahoma A. & M. smothered the competition by taking 18 of 20 matches.

Copple, wrestling at 145 pounds, decided Roy Reppert of Iowa State to win the unofficial title in that weight. Butch Levy, Minnesota heavyweight footballer and wrestler, won the other title that the A. & M. team failed to get.

The remainder of the Husker team went out in the early rounds on Friday and Copple was the only one to get into Saturday competition for the Husker grapplers.

some bandmen, he then agreed to seat the band in the regular east bleachers along with the Corn Cobs and Tassels. The section will be reserved for the three organizations.

According to Don Lentz, band chief, the musicians will stage special novelty shows for the crowd during the half periods of some of the games.

Words and music for seven favorite university songs are being sold by the Wayne university student council in a 13-page booklet.

Still Several Left.

There are still several left to keep the picture fairly bright.... Ed Weir, track coach, can tutor footballers if need be since he made his bid for fame from a tackle spot on the Husker team of around 1925.... Then there are several others: Charley Miller, gymnastics; Jerry Adam, wrestling; Tom Leeke, swimming; and then if need be John Selleck can take over part of the athletic director's duties.

Need Some Replacements—

With the above still on hand, I think that some new appointments will have to be made.... Especially if a drive, national in scope, to make physical education compulsory in all colleges throughout the land, goes through, there will be an increased need.... There has been talking of landing Elmer Holm, former Cornhusker, at the line job, and then even wilder rumors concerning the signing of Lonnie Stiner, Oregon State Rose Bowl coach, and former Husker, at the head coaches position.

Band To Play For Coming Cage Games

From now on the scarlet and cream uniforms and the music of 100 varsity band members will add pep and color to Nebraska's basketball games. Following a talk at band practice Wednesday by cage mentor Ad Lewandowski, the organization agreed to play for the five remaining home contests.

Lewandowski appealed to the band to help the crowd help the team to win. On the request of
