

Sports Whirl

By Bob Miller

TORONTO'S Maple Leafs did the expected in a very unexpected way during the recent Stanley Cup hockey playoffs . . . The Leafs were heavily favored over the obscure Detroit Red Wings before the playoff started . . . In fact the betting odds reached 10-1 in favor of the Toronto ice contingent . . . That was before the two began playing . . . The Red Wings took the first match and the experts thought that it was luck . . . They took the second and then the third and all the percentage boys began perspiring because it takes only four out of seven games to win the championship.

AFTER the third game there was a little time for rest and it was that rest period that spelled the death knell for the Red Wings . . . First their coach was banned from the Detroit bench and then, there was a shake-up of the Toronto team . . . The series moved to Toronto and since that time the Maple Leafs copped four straight games for the Stanley Cup and set a new record by doing so . . . In season play, Toronto had finished second and Detroit fifth . . . Yes, the Leafs got the expected accomplished but it was accompanied by a rise in the aspirin market along Percentage Row.

HUSKER cindermen were not quite up to par Saturday at the KU relays . . . Harold Hunt was held to a 13-5% limit in the vault due to a high wind that kept the bar teetering precariously . . Williams of Wisconsin tied him as did Defield of Minnesota . . . Hunt and Williams will meet at the Drake Relays this Friday and Saturday and if the weather gods smile, you can look for some records to be broken . . . The relay teams are not strong enough, it seems to me, to bring home many first place medals next weekend without the services of Red Littler, Paul Davidson and Arden Kersey . . . The last two may get a chance to run but now it looks

ONE of the feature individual events at the KU get-together saw two Huskers in the top spots . . . This was the 120 yard high hurdles, the opening event . . . Bill Smutz, Big Six champ, won the event by a foot from team mate, Ralph King, in 14.8 seconds . . . This shows that the two will be fighting bitterly for supremacy in the high stick race-this season . . . King looks much better in workouts this spring than he did last spring and it would not surprise us a bit if he brings back the firsts in this event . . . Taller than Smutz, King seems to be better adapted to the high barriers than the former who makes up between the hurdles . . . One thing that we will be willing to bet is that Smutz will not meet his match in the 200 lows in the Big Six this spring . . . Smutz runs the dashes but a tenth of a second slower than the dash men and his burdling ability will assure him of supremacy in the lows . . . Both King and Smutz will meet Ohio's famed Bob Wright in the highs at the Drake meet.

INDIANA will conclude spring grid drills on April 28 but at this point head coach Bo McMillin is pretty happy . . . Things look like they are going to break right next fall for the silver-haired Colonel . . . Billy Hillenbrand, All-American back in our voting last fall, will be back again to wreck opponents' lines, backs and records . . . Last fall he played 468 minutes out of 480 and had a hand either directly or by passing in all but three of the Hoosier touchdowns last fall . . . Nebraska and Indiana square off here next fall on October 10.

Victory . . .

Experienced membership provided by calling for an election of one-half the members each semester-the other half to retain their offices and give the background and continuity essential. At the same time the political manipulation possible under the present holdover system is eliminsted.

Coach Depends on Quartet for Infield Duty

Coach Ad Lewandowski counts on the above infield quartet to be airtight in diamond wars this spring. Pat Böyle will be on third; George Gribble will cover the shortstop worries; Allen Artman, left hander will take care of the initial sack while Bernie LeMaster, vet letterman will police the second base area. In practice session so far the four have convinced Husker baseball followers that there will be nothing to worry about in the infield.

Heavy Athletic Ivy Day Sing **Dates Ahead** For Iowa State

AMES, Ia., April 20.-Baseball takes a rest this week at Iowa State college altho the tempo of spring sports activity speeds up.

Golf, tennis and track teams each will be in action twice, in a week which sees Cyclone teams tasting Big Six competition for the first time. The baseball team is idle until April 27.

Track easily takes the spot light during the next five days with a dual meet with Grinnell scheduled with the Pioneers. Iowa State won for Tuesday and the Drake Re- the 1941 meet, 63 to 58. lays Friday and Saturday.

Huskers Open Season,

The golf and tennis teams meet the University of Nebraska here Friday to start the conference campaign, altho neither contest will count in the championship standings. The following day the (G), 1925 McCallum (G) 1941 (G), 1928 (G), 1928 (G) tennis team meets Coe at Ames, while the golfers head north to meet Carleton college at North- 1935

on the Cyclone squad in the meet (G), 1941.

Leaders Meet This Afternoon

All chairmen of Ivy Day sing groups in the women's division for the last meeting of the year will meet this afternoon at 5 in Ellen Smith hall in the AWS room. Rules governing participa-tion in the sing and the time for proceed to Lincoln Park in cars group appearances will be explained.

Any sing chairman who is unable to attend this meeting should arrange for a representative to be sent in her place.

Iowa Holds Records.
