## Husker Nine Drops Series To Gophers

By Gene Sherman.

University of Minnesota baseballers swept their two game series with the University of Nebraska by defeating the Huskers yesterday by the score of 7-3. The Gophers eked out a 1-0 win in the series opener on Friday.

In yesterday's game, the Gophers concentrated their hitting in the early innings to put the game on ice. The winners ganged on Carl Leach for 3 runs in the third and 1 run in the fourth to cinch the game.

The Huskers got only 5 hits off Anderson who was very effective in the pinches.

Friday's opener was a pitcher's battle from the start, with Norma Gallup, Gopher hurler, holding Nebraska to two safe hits.

### Swanson Effective.

Ernie Swanson threw effective ball, except in the fourth frame when he gave up three hits which led to the winning marker. In that fatal frame, Stewart opened with a single, advanced to third on Feickert's double, and scored when pitcher Gallup singled.

The Huskers move over to Ames where they will open Big Six competition by meeting at Iowa Staters on Monday and Tuesday.

## Sooners Hold Soccer Game

### Students to Participate In Game for War Relief

NORMAN, Okla.—A soccer game for war relief between South American and Canadian students at the University of Oklahoma has been booked for Sunday afternoon April 26 at Owen field here and is attracting wide attention.

Admission will be 25 cents and the game will immediately follow the annual military parade starting at 2:30 p. m. the same afternoon.

### Canadians Won Before.

In the last meeting here between the two teams the Canadians captained by Big Bill Farmalo, defeated the South Americans, coxwained by voluble little Jose Crigiliano, 5 to 0 in a rough spectacular battle punctuated by several heated disputes carried on in four languages, three dialects and much eloquent pantomime.

The South Americans lost because they magnanimously permitted the Canadians the lease lend assistance of two Turkish students, Abdi Durukal, here to study petroleum engineering, and Hulusi Berigen. Both are from Ankara and both know soccer.

The Turks literally broke up the game, Berigen booting two goals and Durukal one. Each could skillfully billiard the ball off his head.

But the South Americans have vowed to do better this time.

"The Canadians are huskier but the South Americans can kick better," politely explains Chuck Ferris, architectural engineer from Caracas, Venezuela, one of the South American players.

"They can kick you better, too."

## Cyclones Prep For Invading Husker Nine

### Nebraska's Horde Meets Iowa State Team Twice In Big Six Opening Tilts

AMES, Iowa, April 25.—The Iowa State college Cyclones are ready to show their baseball wares before home fans for the last time before Veishea when they meet the University of Nebraska at Ames Monday and Tuesday.

LeRoy Timm, Iowa State coach, has devoted the past week to two problem—his pitching and the left field spot. The outfield job looks easier to solve than the task of bolstering the non-too-strong mound corps.

### Timm Changes Men.

So far this year Timm has used four men in left field. One, Tasker Johnson of Bancroft, has been shifted to centerfield. Two others, Howard Silkman of Battle Creek and Howard Tippee of Des Moines, have been off in their hitting. The fourth, Mel Shanda of Elberon, has shown plenty of hitting power but has never played any other position except catcher. The Cyclone coach has been working on his fielding and figures he'll be ready for a trial against the Nebraskans Monday.

The pitching problem is something else again, according to Timm. Willard Mylenbusch, Boone, and Al Strohbehn, Council Bluffs, are the only twirlers who have proven they are ready for duty. The rest of the staff has been so shaky that Bob Hayes, second baseman from Merville, have tried a few innings of pitching this week on the chance they might uncover talent for the job.

Durukal, the smaller Turk, adds dryly, peeling back his pant leg and exhibiting several scars on his brown shin from the last battle here between the two teams.

## Navy Star Sets Record In Hurdles

DES MOINES, Ia.—Nebraska entries failed to live up to expectations as they made a dismal showing before 10,000 fans at the Drake relays Saturday.

Harold Hunt, ordinarily a 14 ft. vaulter, tied for fourth place with five others at 12 ft. 6 inches. Hunt's rival, Jack DeField of Minnesota, tied for first with Bill Williams of Wisconsin at 13 ft. 5 1/2 inches.

Edsel Wibbels ran a close fourth in the javelin throw with a heave of 184. 75. Cook, of East Texas State Teachers was first with the mark of 198. 24.

### King Places Fifth.

In the 120 yd. high hurdles, Ralph King placed fifth in a field of five. Cummings of Rice took first in the time of 14.6.

Vic Schleich was the only Husker to place in the shot put as he took fifth place with a mark of 47 ft. 10 1/2 inches. Missouri's Elmer Aussieker won first place with a toss of 49 ft. 9 1/2 inches.

Roy Cochran, formerly of Indiana but now with the Great Lakes Training Station, raced by invitation in a special 440 yd. hurdle race and set a new world's record in the fast time of 52.2. Two Oklahomans, John Sharp and Bob Hodges finished third and fifth respectively behind Cochran.

### Oklahoma Shines.

Other Big Six representatives which placed high were: Elmer Aussieker, Missouri; Oklahoma's shuttle relay and 4 mile relay teams; Orv Mathews of Oklahoma.

Oklahoma's shuttle relay team finished second, while the four mile relay quartet finished third. Mathews placed third among the 100 yd. dash entrants.

## NU Golfers Drop Opening Links Battles
