

## Pastor Features Songstress Baird

... At N Club Dance

Featuring scintillating Eugenie Baird as the star singer, Tony Pastor and his orchestra will do their share to help dancers enjoy themselves at the fun party of the year—the N club's annual dance Saturday night in the coliseum—when informality and the queen of queens will reign.

The queen of queens is to be announced in the usual unusual presentation, according to the committee in charge of the dance,

Eugenie Baird,  
... also a "honey."

and the title is being awarded for the first time this year. Articles and pictures of the candidates, Becky Wait, Lois Drake, Beldora Cochran, Betty Ann Nichols, Virginia Ford and Alice McCampbell, have been run in the Nebraskan during the past week.

Only two people know who the queen, selected by the N club is, and all they'll reveal is that "she's a honey!"

Built like a football player himself, Tony Pastor is, as the sponsors vigorously assert, the logical

## Students Going To Estes Park Hold Conferences

Students considering going to the YWCA-YMCA summer conference at Estes Park are asked to speak to Mary Lockett in the YW office or C. D. Hays in the YM rooms at Temple as soon as possible.

Students will leave for Estes May 29 and return June 4. A truck is planning to take many of the students at a low cost and the entire cost for registration, board, room and transportation is not expected to exceed \$25.

## On Ag Campus Dale Wolf To Head Next Year's Executive Board

BY RANDALL PRATT.

Dale Wolf is the new president of the executive board. Election of officers Tuesday night finished up the business for the year. Wolf is a member of Farm House and recently was initiated into Corn Cobs.

The ag exec board holds much the same position on the ag campus as the Student Council since one of its purposes is to function for the ag college as does the Student Council for the university with particular reference to campus activities and social functions without usurping the authority of present organizations.

Other officers include secretary, Gwen Row; vice president, Bob Oswald; treasurer, Kay Huston.

One of the main accomplishments of the board last year was the work done on obtaining the

one to play for a dance given by the N club. His music is hot—in an individual style—and Johnny Morris, one of the members of the band, is the composer of the former song hit, "Knock, Knock." He is also considered one of the best drummers of the day.

Tho it comes just when students are busy studying for final exams, the dance, we are assured, is definitely worth taking two or three hours out to attend. And it is the last party of the year—the last chance for seniors and men who are going to the army to go to a university party while they're still in school.

Informal clothes should be worn to the party—sweaters, skirts, sports clothes or suits, and high heels for the girls and sports clothes, with coats or jackets, for the men.

Tickets \$1.50 a couple, may be purchased from the Union office, Uni Drug, Magee's and from any N club member.

## Arts Group Initiates 16 At Banquet

Several awards to university students for original work in music, art, speech and dramatics were presented at a banquet of Alpha Rho Tau, honorary scholastic fraternity in the school of fine arts, last night at the University club.

Sixteen newly elected members were initiated into the fraternity before the banquet. The awards were granted as follows:

Art—John Norall, senior in the college of arts and sciences, for work especially in the field of advertising illustration; Lynn Trank, senior in arts and sciences, for work especially in mural painting.

Music—Hazel Fricke, senior in teacher's college, and Shirley Smith, sophomore in teachers college, for original composition for violin and string instruments.

### Drama Awards.

Speech and drama—Maribel Hitchcock, senior in arts and sciences, for creative work in radio and theatre. Romulo Soldevilla, junior in arts and sciences, for creative work in drama and radio.

Prof. Linus Burr Smith, chairman of the architecture department, was re-elected president of the fraternity. Prof. Leroy T. Laase, acting chairman of the speech department, is the new vice president, and Miss Katharine Schwake of the art faculty is secretary-treasurer.

recreation room in the new foods and nutrition building. It is hoped that a small portion of the money that ag students pay each semester for student union fees may be transferred to the ag college for furnishing the new rooms for the students.

At the present time there is no place for students to spend a few minutes of leisure time between classes or when their studies are caught up. A frequent scene is to see 15 to 20 students standing outside ag hall or perhaps lounging on the hard steps inside ag hall. Not all of these students that are not in the mood for studying stay outside or on the steps, but rather bother other students in the library.

### Plan Lounge.

## Col. Thuis Reviews Cadets At Last Drill of Year Today

... Beginning at 1 p. m.

Two thousand cadets of the university ROTC corps today will polish their shoes, spiff up their uniforms, vie for honors in the annual compet, and then present themselves at 3:30 for the last time to Colonel Charles A. Thuis, retiring PMS and T of the cadet corps.

Cadets will display what they have learned in classrooms and on the drill grounds, in the various compets, involving everything from entire companies to individuals. For Col. Thuis, it will be his last formal meeting with the members of his corps as Professor of Military Science and Tactics.

First call will be at 1 p. m., according to official announcement of the military department, with general assembly at 1:20 p. m. All cadets are to proceed to their proper assembly areas where companies, batteries and detachments will be formed at assembly.

A complete form of general orders has been issued to all unit commanders and are to be followed closely, in order to make the compet run smoothly and efficiently. All commanders are to have in their possession the correct time table and follow it exactly so that they may leave the particular blocks promptly of signal.

In the event of rain, most of the compet will be held in the stadium with some of the drill schedules omitted. Infantry and engineers will then meet on city campus, and the field artillery on ag campus. No change in schedule will be effected in  
(See THUIS, Page 2.)

## Sigma Xi Initiates 66 Members

Honorary Names 13  
Active, 53 Associate  
Members at Banquet

Thirteen new active members and 53 associates, including 24 graduate students and 29 seniors, were initiated into the Nebraska chapter of Sigma Xi, national honorary scientific society, at the organization's annual initiation banquet last night in the Union.

Dr. J. E. Weaver, professor of plant ecology and past president of the group, delivered the presi-

### Burt Officiates.

Dr. J. B. Burt, chairman of the department of pharmacy and pharmaceutical chemistry, administered the membership pledge and presented certificates to the initiates. Dr. F. D. Keim, chairman of the agronomy department, introduced the initiates to the society.

Dr. J. S. Latta, chairman of the anatomy department in the college of medicine, introduced the society to the initiates. Dr. A. F. Jenness, chairman of the psychology department, and Prof. I. L. Hathaway of the dairy husbandry department were marshals.

Responses were given for the actives by Dr. R. L. Ireland, chairman of the children's dentistry department, and for the associates by M. F. Hansen of Minneapolis, Minn. Guests of honor at the banquet.

## Famed French Movie Booked Here Tonight

A story of provincial France, and the only foreign language film to be shown on the campus this year, "Harvest" will be presented tonight at 8 o'clock in the Union ballroom. Tickets are on sale at the door for 25 cents.

"Best moving picture in any language of 1938," this French movie is directed and produced by Marcel Pagnol, French playwright of note. Music is arranged by Arthur Honegger, who arranged the musical score of the famous "Mayerling" and "Pygmalion."

Taken from the novel, "Regain" by Jean Giono, "Harvest" is almost a folk tale, telling of the struggles of a provincial farmer to make the most of life with the earth acting nearly humanly against him. Fernandel, the famous French comedian, acts the role of a knife grinder who brings to the farmer a woman to help him in his toil.

The movie is presented thru the co-operation of the department of modern languages and the Student Union. Lucile Thomas is chairman of the committee.

## Rosenlof Declares ... US Universities Must Take Orders from Government

... To Adjust War Program

Pointing out that failure of colleges and universities to adjust their programs so as to make a

have adjusted themselves to wartime in an article in this month's *Alumnus*.

"The University and the college must take their orders now from the government in so far as they have a contribution to make," according to Rosenlof, who emphasizes the importance of there being no "bottle-necks" chargeable to higher education.

Universities are doing this by accelerating programs, he writes, by accepting the obligation of protecting the interests of students deferred thru co-operation of the government, by broadening curricular offerings, and by placing a greatly augmented emphasis on physical and health education.

### Broadens Programs.

Further adjustment is made possible by government extension of its own facilities and inaugurating greatly broadened programs in military science, both for army and navy training.

Nebraska, Rosenlof points out, has taken official action "that the interests of students may be given their due consideration, the faculty and the administrative officers

... he wants no "bottle-necks," significant contribution to the all-out effort in the present emergency "would be tragic." Dr. G. W. Rosenlof has outlined how colleges

## Queen of Queens Nominee Number Six

Last but certainly not least in the group of contestants for the title of Queen of Queens is petite brown-eyed, blond Becky Wait. She is a member of Kappa Alpha Theta and wants to be a kindergarten teacher.

At present this little miss standing five feet five in her socks is taking a nurses aid course in con-

ning after her as she got ready to go to the Lincoln General hospital for part of her 150 hours for the course we found out there is a great need for more girls are preferred, so you fellows will simply have to get sick.

Becky has been Nebraska Sweetheart, a beauty queen candidate and a member of the Student Council. She is now social chairman at her sorority house.

For fun she likes to ride and play badminton. And, although she didn't mention it, she is a right good dancer and looks pretty lovely in a formal.

Miss Wait is anxious to inform everyone that she is not pinnel, never has been, is not going steady and never has gone steady. Take notice!

Becky's favorite colors are red and blue, not in combinations but separately. She looks particularly nice in off-the-face hats which compliment her blond hair.

The little candidate hails from Omaha and was elected Miss Central by an exclusive women's vote there in high school. By being elected Nebraska Sweetheart, voted so by the men, she has proved her popularity with both the men and the women, which is really something.
