

# Summer Sleuthing

By Janet Haggart

## Alpha Chi

Pat Griswold and Sig Chi Bert Miller will walk down the aisle of Westminster church Tuesday with wedding bells chiming. Bert is at present attending Med school in Omaha so they will make their home down around that campus. Betas

Lee Taylor and Homer Sheridan were off to South Bend the other day dragging Barbara Clock and Peggy Miles both of Lincoln. Along too were Bill Weingarten, staying at the Beta hut this summer, and Marsha Woodruff. Still around the Beta domicile, Bill Shaumburg and Don Stewart were out at Kings last week with Joan Damewood and Janice Campbell of Lincoln.

Those fellows at the Beta house are really having a great time this summer playing softball with the girls staying at the Phi Mu house. It seems that Janet Ebers and one of the Betas got it started and now everyone is playing.

## What Ho!

Guess who's back—none other than that super football player, Sig Chi, and Coed heart beat Bob McNutt. He's been down on St. Lucia island for about a year

running a caterpillar pushing down trees and moving rocks to make runways. But he is going to be in school this fall, tan and everything.

## Up to Omaha

Last week end were Delt Art Lincoln and Kappa Annabelle Schaum for the Phi Chi Med fraternity party.

## Down Kansas City Way

Betty Baker and John McDermott, formerly of this campus, have been seeing quite a bit of each other lately. Looks as tho something might come of it.

## Bob Schlater

Daily Nebraskan editor, Innocents Society, and all that sort of stuff, has left these parts for Cody, Wyoming where he has a job if you haven't heard. But, come the autumn, he'll be back on this campus.

## Sig Chi

Dwight Mills is off to the army which rather leaves AOPi Lucy McLafferty out of the Sigma Chi house for the present.

## Home Too

Is Fraank White Phi Gam who has been gone a short time attending summer school at Boulder. Seems good to have more people back on the campus.

## Tommy Ingles

Formerly of UN, but now of U. S. army—second lieutenant in the infantry, is home for five days and has been dashing about in his blue convertible with Mary Jean Lauvetz, Gamma Phi. They were dancing at the Pike Friday night with Harold Hopkins, Kappa Sig and Alpha Phi Becky Ely.

## Palladians

Maxine Thompson and Harold Alexis unexpectedly came across with the long awaited candy last Saturday night at the Pals' formal lawn party, when tiny capsules containing the announcements were cleverly concealed inside each of the sweets passed.

## And

At that same party (probably the last formal for a long while) Lela Lyne spent a great deal of time wishing Don Pierce were in Lincoln, not California, or that she were in California, not Lincoln. And we bet he's wishing the same thing.

## Saturday Night

The fellows who balance the trays in the Union Grill plan to descend practically en masse on the Turnpike to hear Blue Baron. Great time. Also Saturday night.

# Married Monday

Helen Elizabeth Claybaugh shown here, became the bride of Austin Mutz in a wedding at St. Mary's Cathedral last Monday morning at 9 o'clock. Both are graduates of the university and former members of Palladian Literary Society.

Lincoln Journal.

Richard Hagelberger is holding a costume party at his home.

## Red-head

Palladian Betty Schnell is looking forward to Sunday because Bob Veach is whipping home for five days. To see her?

Rita Marie Dosek, Tri Delt, will marry Lt. Keith Evans, Delt, Monday morning at St. Mary's Cathedral. A sterling set in the King Richard pattern, which is featured only at Gardner's, 1220 "O" would blend perfectly with their army apartment in Ft. Perry, O., because the King Richard sterling is at home wherever it is placed. With its swirling scrolls and beautifully proportioned lines the silver is charmingly suggestive of another way of life—old England with its age of chivalry and romance, its knights and lovely ladies—a gracious way of life. King Richard lends with ease gaiety, and loveliness romance wherever it is. First dinners become exciting, vital things with new love and romance. The pattern is featured at Gardner's, 1220 "O."

## Like Some

Other people we've already mentioned, engineer Ralph Marlette has deserted UN for the rest of the summer—to take a job surveying near Cheyenne, Wyo., but he too will be back when the school bells start ringing this fall.

## Carl Leonard

Formerly of UN, was home last week from Ft. Benning, Ga., where he is a second lieutenant in the infantry. Was seen about town and swimming out at Linoma Beach with Alpha Chi Waunda Crumbaugh.

## Sigma Nu

Neil Himes serenades the girls who stay at the Kappa House each night. He takes his radio along to accompany his beautiful voice and the girls say it is something no one should miss!

## Wedding Bells

Will ring Monday morning for Tri Delt Rita Dosek and Delt Keith Evans who is a second lieutenant in the army. They will make their home at Ft. Perry, O., where Keith is located at present.

## Ah for a Life of Leisure

Former DG Harriet Talbot is being idle this summer in an exquisite suite of rooms in the Miami Biltmore Hotel in Miami, Fla., where her husband is stationed as a sergeant in the army. What a life—while we sturdy souls are melting in summer school.

## Navy Wings

are now in the possession of Gwen Parson, blond beauty of the dorm, who received them from a fellow from back home who is in the naval air corps in Jacksonville, Fla.

## Phi Psi

Fred Steiner is spending his time while waiting to get into the army, by digging telephone post holes out around Hastings.

## Even Tho

the little off-and-on deal between Lois Christie Alpha Phi and Alpha Sig Bob Hyde is coaxed with a pin, wedding plans are in the far distant future because, of course, there is the army for Bob, but soon he fears. However, he has finally persuaded Lois to come back to UN next fall which makes everything much brighter.

## To Parts Unknown

is going Bill Stuhl, Sigma Nu who is in the air corp administration. He was only in three weeks when he was promoted to first lieutenant and is now being sent across water.

## Rumors

are about the AOPi Pat Slattery and "Put" Overton formerly of UN have been married since last May. How about that? Still with

the AOPi's, Kay Hanley was here visiting last week end. Still with the Alpha Chis and Delt's, the up and down romance between Lois Scofield and Allen Chapman appears to be up again.

# Held-over . . .

That popular guy, Jay McShann, is going to be at King's another week, which will give you people a chance to loosen your

limbs to some really keen music, hot, harlem, sweet, New Orleans, anything, that guy can play. He has a crooner that can really do the blues, too. It's nq double-talk either.

Just by way of incidents did you know that Johnny DePutron and brother Dee celebrated their birthdays at King's the other night. Johnny had Giffs Berggren, Alpha Phi; Dee twood Betsy Wright, and John Safford, third member of the party, had Dorothy Theison.
