Boss Bierman Leads Hawks To Home Field

MINNEAPOLIS, Minn. Lt. Col. Bernie Bierman will celebrate his homecoming to the University of Minnesota campus Saturday when he guides his Iowa Seahawks into battle against the doughty Minnesota Gophers.

Bierman, who will be aided by former Gophers Dallas Ward and Phil Bengston, will be attempting to break a Gopher win streak that he helped build. Six former Minnesota football performers, who no one ever dreamed would again play in Memorial stadium, will don grid togs for Bierman Saturday.

Ray Antil, end in 1934; George Svendsen, center in 1934; John Kulbitski, tackle in 1937; Charlie Schultz, tackle in 1937; Gene Flick, center in 1941, and Judd Ringer, end in 1941 are the six ex-Minnesotans who will return for battle against their alma mater. Two other former University of Minnesota men, Pat Maloney and Fred Baston, are on the Seahawk squad. Baston, son of former end coach Bert Baston, was a promising sophomore end on the Gopher squad last spring while Maloney is a former national speed skating champ.

In order to fill graduation gaps, Gopher Mentor George Hauser and his new staff—Red Dawson, Bud Wilkinson, John Roning, and Jim Kelly—have had to put on a small juggling act with their performers, but the experiments turned out well. Temporary loss of Bill Garnass, injured against Pitt, will be felt in the backfield.

Nearly 400 Cross Country Men Out For Iowa Squad

AMES, Iowa, Sept. 30.—The biggest cross country squad in the country, nearly 400 men, is reporting at Iowa State college.

The huge squad includes freshmen and upperclassmen, according to George Bretnall, the Cyclone coach. Roughly two-thirds of the group are participating in the gigantic hardening program fostered by the college.

Marlowe Burgy of Ames is the only major letter winner back from 1941 but he has veteran company in Duane Dankel, Glidden, and Gay Wilson, West Liberty, minor lettermen. Other upperclassmen include Don Andrew, Titonka; Gerald Fisher, Nashua; Harold Iverson, Stanhope; Herman Bailey, Ames; and Jack Gibson, Perry. Gibson won a track letter as a half-miler last spring.

Newcomers to the squad are Roger DeWolf, Rolfe; Paul Fowler, Fort Bennig, Ga.; Paul Koprucki, Davenport; Bob Lary, Marion; Harold Matejka, Omaha, Neb.; Art Munsell, Des Moines; Bruce Merten, Sioux City; Lee Richardson, Council Bluffs, all numeral winners; John Staley, Frederick, Md.; and Gerald Secor, Melbourne.

Patton park, located on the Muskingum college campus, covers less than 1/350th of an acre. It is the home of one tree, three stones and approximately 200,000 blades of grass.

Seventeen-year-old Shirley Haines is NOT attending the University of Maine. She had intended to enroll, but when her brother enlisted in the service she volunteered to drive a tractor on her father's farm.

Cincinnati School Introduces New Military Course

CINCINNATI, Ohio. (ACP). When the college of law, University of Cincinnati, opens October 5 for its one hundred tenth year, students will find a new course on military law and defense legislation.

Dean M. L. Ferson points out that although the college of law has seen its students and graduates go into four earlier wars, starting with the Mexican war, this is the first course of its kind in the college's history.

"The course will familiarize the student with military law and aspects of defense legislation affecting the rights, duties, and privileges of the individual, all to the end that he may more efficiently serve his country during the emergency," Alfred A. Morrison, assistant professor of law, explained. Professor Morrison will give the course.

The course will cover these six major topics: Constitutional extent of military power; organization of the army, including conscription laws; military law proper, listing its sources, military and civil jurisdiction, courts martial and their procedures, and

Huskers Practice Passing Attack

Varsity football drill in the Memorial Stadium yesterday consisted mainly of passing offense and defense with a partial scrimmage against the frosh.

This may indicate that the Huskers intend not only to stop the passing threat of Iowa State's Royal Lohry but also to create successful air attacks of their own.

Ruffing Hero Of Inaugural Series Game

SPORTSMAN'S PARK, St. Louis.—Thirty-eight year old Red Ruffing pitched one of the top games of his brilliant career here today as he held the St. Louis Cardinals hitless for the first seven and two-thirds innings of Wednesday's opening World Series game. Ruffing's feat of going seven and two-thirds innings without yielding a hit sets a World Series record, exceeding the seven and one-third frames of hitless baseball hurled by Erb Pennock of the New York Yankees in 1927. Ruffing went into the ninth inning holding a 5-0 lead over the Cards. Then Terry Moore singled sharply to right on the next play. The Yanks added a run an inning in the fourth and fifth stanzas and salted away three more in the eighth. Harry Gumbert, a right-handed flipper, replaced Morton Cooper on the mound for the Cardinals in the eighth, then Lanier opened the ninth inning.

The lineups:
