Maybe your
 "fatigue" clothes
 make her yawn

Is she "so-sorry"ing you
 too often when you ring up
 for a date? Does her eye
 rove over your shoulder
 and light on a snappy lieu-
 tenant's back? Could be
 ... because you're wear-
 ing "fatigue" clothes when
 you ought to be appearing
 on "Dress Parade" a little
 more often. When you
 want to make a conquest
 you need your best fight-
 ing clothes. Pending the
 time you get into one of
 Uncle Sam's uniforms ...
 this means clothes from
 Simons!
