BY MARYLOUISE GOODWIN

There's been a mass exodus in the direction of home this weekend to recuperate from six week exams and various and sundry other things—so if you miss someone they're probably among the majority who preferred home to college.

Wonder if Phi Gam Bob Miller is interested in aviation—we understand that he made a beautiful three-point landing on the Union ballroom floor Friday night... Wilbur Wiedman, Beta pledge is staging a one man boycott of the campus females. He prefers the company of a certain high school gal and all the brothers threats won't change his mind.

Alpha Xi Jean Wochner sent a congratulatory telegram to campaign speaker Bill Rist, ATO, on his radio speech. Bill retaliated by treating Jean to a coke all of which may, or may not mean the renewal of their frequent dating this summer... One couple making good use of the Union grill is Chi O pledge Julia Rogers and Sig Ep Bill Lyons. Almost any afternoon you'll find them there musing over a coke.

Omaha med students are having a week between-semesters vacation this week and several of them lost no time in getting back to this campus. Among those on hand Friday night were Lyle Wilson, and Verne Deyke.

She's Happy.

Pat Caley, Pi Phi pledge is happy these days 'cause Lynn James is spending his vacation in town. Wally Engdahl Sig Nu of last year is another future doctor back for the week and to see Kappa pinmate Phyl Hoffman, as was Nick Douvas, last year Phi Delt who came to see Ruth Grant, Tri Delt.

Sig Nu brothers are speculating over the many, many dates Roger Hasek has been having with Alpha Phi Pat Gilligan. Its gotten to the "at least one date a week-end" stage... Sid Otto prefers Chi Os, blond or brunette. This week-end he had dates with Estelle Lenemann and Dorothy Black and during the week with Colleen Campbell.

Letting off steam after six week tests at the "Pike" Friday night were Fiji Max Mertz and Theta pledge Jean Dresden, Sig Chi Gilbert Ryder and KKG Ann Aherne, Bill Cist and Barbara Schlater, Theta pledge, and Barbara Morehouse, Alpha Phi with Phi Psi Wayne Southwick.

Phi Delt Johnny Jones and Ann Seacrest Theta were also enjoying the fun along with Phi Gam Fritz Wolfe and Kappa Jeanne Browne, and Alice Wenzlaff AOPi and Ward Quilter, Xi Psi Phi.

From all reports the Farmers Formal was one of the better parties with lots of people and lots of fun... Congratulations to the five new Pi Phi actives.

Do 'White Christmas' Mailing Early

Planning to send your soldier overseas, in Texas, or in California a gift this 'White Christmas'?

Best you decide on books or neckties this month then, for, according to reports from the post office and Lincoln's department stores, gifts to soldiers should be in the mails near November 1 to insure delivery on December 25. This holds especially true for men overseas, because at best mails across oceans are apt to be late.

Just in case your soldier stationed within the country might receive his gift a few days early, you can play safe by pasting "Do not open until Christmas" on the outside of the package.

Christmas cards may be sent a little later than packages, also it is recommended that these be on their way by the middle of November as mails will be particularly heavy this year.

Lyman Agrees . . .

Need Increases for More Pharmacists in Civil Life

. . . As Well as in Army

Agreeing with a statement in a local paper by Mrs. Jeannette Crawford, chief of the state bureau of examiners, Dr. R. A. Lyman, dean of pharmacy college, said yesterday that the necessity for pharmacists in civil life would increase because of a corresponding need in the army.

Mrs. Crawford pointed out that, without a registered pharmacist, drugstores could not sell even rubbing alcohol or epsom salts, and recommended that pharmacists be placed on the selective service preferred list.

Dr. Lyman, however, stated that pharmacy students are on the

same deferment list as medical and dental students. That is, they are deferred after their second year of pharmacy work. Since schools turn out about 1,500 pharmacists a year, he added, older men must be taken to reach the 5,000 quota asked by L. B. Heshy, selective service head.

A shortage of 250 men now exists in Nebraska alone and the situation will become ever more serious as the war progresses, according to Mrs. Crawford.

National fees of fraternities and sororities in the United States have been estimated at \$3,838,800.
