## Ag Religious Council Sponsors Halloween Party on Saturday

The ag religious council will sponsor a Halloween party in the ag activities building on Saturday, Oct. 31. Square dancing will be the feature of the party, and refreshments will be served by the council.

The idea of the party, according to Dr. Goodding, club sponsor, is

not to make money but to merely provide a good party for university students.

Tickets will be 20c apiece and this will include the refreshments. The music will be furnished by records and the calling of the dances will be done by Ralph Copenhaver. All students are invited to attend.

## Social Work Group Names New Officers

Presided over by Rachel Stephenson, president, the Student Association of the Graduate School of Social Work met yesterday morning to elect the following officers:

Joseph Meisels, vice-president; Eleanor Unzicker, recording secretary; Jesse Bonnell, corresponding secretary; and Rita Coffy, treasurer.

Students decided at the meeting to make their community chest contributions together in the name of the association, and an executive committee meeting of the officers was held to discuss the year's plans.

This group is a member of the American Association of Student Social Workers.

## Students Get Two Proofs On Pictures

Another touch of the war was felt yesterday when government priorities stepped further into the photography setup. The knife of priorities slashed use of photographic materials in half.

This has made a change in Cornhusker proofs as the Yearbook received word yesterday that henceforth the photography studio would be able to furnish only two proofs instead of the previous four for each person.

The studio will make the two proofs with great care to insure student approval. All proofs should be returned within three days after receipt.

## Coed Counselors Meet to Discuss Activities Mart

## YW Group Holds Vespers Tonight

## Parade . . .

(Continued from Page 1.)

In case of inclement weather, the presentation ceremony will still be observed by all junior and senior officers in the coliseum. In that event, the regimental commanders and guidons and the brigade color guard will report to position immediately in front of the stage.

### Senior, Junior Orders.

Engineer and field artillery seniors and juniors with the exception of the commanders will report to the west side of the coliseum and the infantry seniors and juniors will be on the east side.

An official notice has been passed down by the military department stating that all junior non-commissioned officers will wear the khaki tie instead of the G.I. black.

Senior cadet officers will wear chamois colored gloves, Sam Brown belts and garrison hats. Basics and junior officers will be permitted to wear dark gloves if the weather is bad.

## Society...

BY MARYLOUISE GOODWIN

Back to the grind again after a better than usual week-end what with the Farmers Formal, barn dance and the Oklahoma victory. . . . Dancing among the cornstalks at the Kappa Sig affair were DeeGees Betty Lillibridge and Carol Robinson with Reed Smith and Bud Nelson. We understand that Bud's new chapeau was the rage of the party.

Beta Bill Huffman left for the army air corps yesterday and pinmate Janice Goldsmith, Alpha Chi, went up to Kansas City to see him off. . . . Also in Kansas City this week is Sig Chi of last year Don Hartman, who zoomed into Lincoln today enroute and will be back to visit the campus Wednesday.

### It's Hard to Tell.

Tri Delt Shirley Kennady has the sisters wondering, is she or isn't she going steady with Sig Chi Bob Younkin? . . . Triple Delt pledge Fanchon Jones and Sig Nu Hank Anderson have four standing dates which looks pretty promising from here.

One reported steady deal which isn't and never was is that of Phi Delt Rod Smith and Alpha Chi Roma Stahl. They've been dating but nothing steady as yet. . . . Alpha Gamma Rho Dick Wahlstrom left for the army Sunday night but minus his pin which he left behind in the keeping of Virginia Van Patton of the dorm. . . . Pi Phi Gloria Mardis has exchanged her Fiji pin for a jeweled sweetheart pin, the gift of Dee DeVoe of course. . . . The Sig Nu brothers of Merle Wolfe are seeing to it that DG Kay Detweiler isn't spending any of her week-end evenings at home. Last Saturday night Kay and Roger Hasek were having fun with a few hundred other campus couples at Kings.

Congrats to three new Sig Chi pledges, Bill Frantz, Dick Proud and Jack Monkrist.

Betty Shultz, Chi O radio gongrel, hit the high spots last week-end with Chem E Prexy Bill Lennemann and Sig Nu Jack Kennedy. . . . AGR pledge Gene Sim and Alpha Phi personality girl Jo Martz, have been making the rounds together frequently of late. The TNE curse has hit the campus again for its semiannual picture drawing contest, or have you been on fraternity row of late?

## Catch . . .

(Continued from Page 1.)

still for any attempted "tricks." After being booked at the police station and told to report at 9 yesterday morning, the four roughly dressed young men learned that the filing station attendant had charged them with tampering with his gas pump. Before allowing the men to leave the police station, police confiscated three shotguns and a rifle, keeping the car at the station.

It was then, and only then, that the four pheasant hunting University of Nebraska students were allowed to go home to the fraternity house at which they live. In the county sheriff's office yesterday morning they were released after police learned that the pump had not been tampered with except by cold weather, which prevented its functioning.

Sooo—combine a Michigan car with four young men, three shotguns, a rifle, an imaginative filing station attendant, pheasant hunting and an efficient or inefficient police force; have them traveling on the highway at 3 a. m. (on their way home from Norfolk) and you have—a story.

## Policy . . .

(Continued from Page 1.)

will be to acquaint the cadets with the various officer clubs on the campus and to explain military customs that will have to be observed when they get in the army. All officers, juniors and seniors, are required to attend in uniform. There will be a luncheon served following the meeting.
