

ATO's Betas Reach Finals

Phi Gams, Delta Sigs Fall Before Top Passing Play

Intramural play plumbed into crucial stages yesterday when the victors of the four leagues collided to see who would meet in the finals. When the smoke of battle

had ceased, the stage was set for the championship fracas—Beta Theta Pi vs. Alpha Tau Omega.

Combining a swift running attack with Bill Arnot's adept passes, the Beta's downed a Phi Gam team, 13-0. Don James (Falls City), Johnny Thompson, Francis Hunt and Warner Stevens led the ATO's to an overwhelming 25-0 decision over the Delta Sigs.

Arnot Passes.

Beta spearhead, Bill Arnot, opened the throttle on the Beta offensive at the outset of the battle. A series of Arnot dashes and passes brought the ball to the Fiji two-yard stripe with three moments left in the first quarter. Arnot found a hole a center to tally.

Fiji hopes went berserk early in the quarter when Fritz Wolf, pass-snatching star, collided with Beta "Brick" Murray's knee and was forced to the sidelines. Minus his ace target, the Fiji's ace tosser, Ned Nutzman, found trouble spotting eligible receivers.

Second Beta marker was the highlight offensive sally of the fray. Arnot's high pass over the goal traveled 39 yards enroute before Gene Tallman's desperate lunge for the ball produced the score. Momentum of Tallman's lunge sent him spinning head first into the greensward.

After possessing only a 7-0 half-time lead, the high-powered ATO offensive machine found itself during the second half to amass 18 more tallies. Francis "Fats" Hunt converted two extra points beside a field goal. Warner Stevens, Don James, and John Thompson bounced across for the ATO touchdowns. Harry Hunt's line play was another Tau feature.

Horse Sense

Like a surgeon ready to knife a victim, Nebraska's Scarlet and Cream grid giants have their work cut out for them. Current contemplated butchery is to slice Kansas to size Saturday.

Next slice job, providing the Jayhawks are willing, will be for the Big Six title here Nov. 7. Mizzou's point-a-minute club will step on the chopping block that day for joust with the Huskers. Thoughts of this train produce both retrospect and foresight.

Foresight deals naturally with the enigma: Can the Huskers stop Evans Saturday? Evans is to the Jayhawks what ham is to eggs. Sole offensive hope down at Lawrence thus far has been the sturdy right wing of Master Evans. His flipping record of 59 hits in 130 attempts is unrivaled in Big Six play.

A Husker offensive disease which seemed remedied in part against Oklahoma had best be remedied in full against the Jayhawks. Said disease is an acute case of no pass defense. Iowa, Indiana, and Minnesota completed arials at will against the Huskers, though Oklahoma found the air lanes cloudy.

Word still trickles into this post from Soonerland in regard to Vic Schleich and Joe Byler, "diminutive" Husker tackles.

Sports editor of the Associated Press branch at Norman waxed plenty of complimentary icing over the performance of the Husker tackle huskies.

He spoke thusly of Vic Schleich: "Turned in what was probably the most important play of the conference season when he struck his chest in front of a punt by Oklahoma's left-footed Eddie Davis. The Nebraskans covered the ball, went on to score and win, 7-0, Schleich kicking the seventh point just to rub it in. He is big enough to take care of himself—and several others. He's a six-foot tackle who weighs 222 pounds."

Joe "Let's get 'em" Byler is even superior to Schleich, according to our press informant. "This shows how well the Nebraska tackle situation is in hand. Byler, who is 6-4 and weighs 210, caught the eye of Orville Tuttle, Sooner line coach and one-time professional star. 'That Schleich is good,' he conceded, recalling the blocked punt, 'but Byler was the stand-out in their line today.' Those Huskers have the tackles."

Our grid-predicting experts huddle over their root beer (3%) in the corner. They emerge with sud-covered mouths and these predictions.

Carton Broderick: Evans of Kansas will sneak in a last moment pass for a winning Jayhawk touchdown. Salt my suds again, Willie.

Bob McNutt: We'll win, by golly, we'll win, 21-0.
