Another week-end just around the corner and from here it looks like a lively one . . . Leaving by way of car, rail, and thumb for Kansas will be Grove Nelson, Buck Myers, John Binning, Allan Artman and about 20 other Fiji brothers. Morrie Dingwell, Fritz Wolff, Copples Newt and Ed are stopping off at Stevens on Friday for a whee at old Mizzou before going down to Lawrence for the game.

Dorothy Black, Estella Lenne-mann, Lorraine Crawford, Dorothy Carnahan, and Pat Beedle are a few of the Chi Os making the trip and they're taking along Bus Black and Dual Anderson, Phi Deltas to chaffeur . . . DGs Pat Shaw, Kay Detwieler, Helen Johnson, and Mary Lee Tomlinson will also be making the trek, as will Alpha Chris Janet Mason and Agnes Fox.

We Predict . . .

We predict a steady deal in the not too far distant future to result from numerous dates of Phi Gam Paul Wykert and Theta Marjorie Christensen . . . One rumored steady deal that isn't is that of PG Pat R. C. Williams and Kirk Kimball. They're dating but nothing steady in sight . . . Allan Chapman, Delt, seems to be back on the inside track with Kappa "Dinny" Ford now that the med students have gone back to Omaha.

Friday is the night of the Alpha Phi house party and though Polly Ann Petty is going home and Pat Becker is remaining true to her steady from Wentworth most of the sisters will be on hand for the affair. Betty Winn will be there with Phi Gam Bob Miller, Jo Kinsey with Phi Delt George Howard, and Billie Kline with Sig Alph Bud Brown.

Riding Hayracks.

Riding with the Sigma Nus on their hay rack Saturday night will be Maxine Hoffman, Gamma Phi and Gene Perry, Duke Schatz and Theta Jean Murray, Don Young and Kappa pledge Barbara Clock, Hal Johnson and Ruth Korb, Kappa, and Don Anawalt with Kappa Nancy Newbranch . . . The Cornhusker Co-op boys are also having their hayride Saturday night and Dick Hall and Jean Kushner will be among those on that rack.

The ATO pledges left the actives in the dust Wednesday night when they decided to sneak. They left the house via the second story windows and didn't show up again until after nine yesterday morning.
