### Sea Hawks Humble Injured Huskers 46-0

By Norris Anderson, Sports Editor.

IOWA CITY, Nov. 21—Bernie Bierman's slick-running Iowa Seahawks convinced their followers today that they were one of the nation's topmost teams by slamming a crippled Nebraska eleven, 46-0, in a great offensive display.

Punching over for two touchdowns in the first, third and fourth periods, the rampant Seahawks utilized superb blocking and professional ball-toting to undermine the injury-wrecked Husker team.

#### Nine Plays.

Nine plays after the ref had toted his opening message the Seahawks possessed six points. Swisher, Jankowski, Evashevski and the powerhouse Seahawk backs simply had too much offensive "oomph" for the Husker line to hold.

A pass from Fisher to Evashevski capped another first-period

drive for the second tally. Svendsen failed to duplicate his initial successful conversion and the count stood 13-0.

Former Ohio State ace, Jim Langhurst, sparked the drive for the sole Seahawk touchdown in the second stanza. After packing the leather over a majority of the territory to pay dirt, Langhurst tallied on a seven-yard end sweep. Wells converted, leaving the half-time count 19-0.

#### 33-0 at Third.

Most sensational play of the fray occurred three plays after the third period started when Bobby Swisher, former Northwestern great, galloped 80 yards behind perfect interference for fourth score. Fact that not a hand touched Swisher during his journey reflects the effective Seahawk blocking. Svendsen's conversion attempt was partially blocked, 26-0.

Second third-period score was

result of a great piece of open field caving by Babe LaVoi, former Minnesota quarterback. LaVoi tripped 19 yards thru the entire Husker club to score. Eddie Jankowski successfully converted, 33-0.

Swisher broke thru the Husker line, then lateralled to Jim Langhurst in the first play of the fourth period. The play carried 43 yards down to the Nebraska 10-yard stripe. Three more Swisher sallies carried to the two-yard line where Langhurst poked across. LaVoi's conversion clicked, 40-0.

Another fourth-period drive clicked to the four-yard line where LaVoi again scored. Wells' conversion missed, 46-0.

#### Standouts.

Outstanding Gopher performers were LaVoi, Svendsen, Langhurst and Swisher. Nebraska had Roy Long's ball-toting and passing, plus Howard Debus' passing, and Wally Hopp's plunging.

### ATO's Skit Wins In K-Klub Revue

Acclaimed by a capacity crowd yesterday afternoon, Myrledene Buller, Alpha Chi Omega, was announced the new Nebraska Sweetheart by members of the 1942 Kosmet Klub. Co-featured at the annual ball show was the announcement of Harold Hunt as Prince Kosmet and Alpha Tau Omega as the winner of the fraternity skits.

The new sweetheart, an art major in the college of arts and sciences, was presented to the group by Maxton Laughlin, club president, climaxing one of the most successful shows the club has experienced in recent years. Harold Hunt, the new prince, is a member of Alpha Tau Omega and has won recent renown in track and field events during the past few seasons.

... At Sigma Xi

A full description of the art of making aircraft bombs and bomb filling will be given members and guests of Sigma Xi at its meeting

Evolving the themes of their skits around the present war, the majority of the participating fraternities kept in step with the spirit of present day college life and activity. Because of the ruling of no sororities participating in the show, a departure from the years past, the program included an all male cast. To allow for the vacancy left by the skits of the sororities four more fraternities were included in this year's show.

#### The Winner.

The championship skit, entitled Chocolate Sunday, presented by members of Alpha Tau Omega, under the direction of Don James, depicted humorously the nightlife of a Negro cabaret. Coordinating humorous Negro dances and antics with some of the more popular songs of today the audience judged this skit the best by registering their vote through the applause-o-graph.

Other outstanding skits were presented by members of Sigma Nu, Phi Kappa Psi, Sigma Alpha Epsilon, Sigma Chi, Phi Gamma Delta, Sigma Alpha Mu and Alpha Sigma Phi fraternities. All skits were the product of the individual fraternities and were adjudged the best for presentation by members of Kosmet Klub earlier in the year. Acting as matser of ceremonies for the afternoon's performance was Romlo Soldevilla, senior in the college of arts and sciences.

The show was the 31st annual performance of Kosmet Klub, the first venture dating back to 1911.

### Union Gives 'Brief Music' Today at 8 ... In Ballroom

"Brief Music," the first production of the Union series of the University Theater, will be presented today at 8 p. m. in the Union ballroom. Under the direction of Jean Cowden, "Brief Music" features Betty King and Betty Heine in the leading roles.

First produced as "Lark on the Wing" by the Pasadena Community Playhouse, "Brief Music," written by Emmet Lavery, develops the story of seven girls at a women's college through their sophomore, junior and senior years at school. The widely different personalities, ambitions, and love affairs of these girls, all mixed together in one close group, provides a story full of action and fast moving lines.

#### Cast Includes ...

Members of the cast and the parts they portray include Betty

Heine as "Spiff," the college Amazon, handsome in an athletic way, clever without half trying; Betty King as "Drizzle," frail and intense, is a poet on the wing, traveling the road from near suicide to near genius; Dorothy James, "Lovey," the class beauty, the girl with the Body-by-Fisher look; Pat Beadle, "Minnie," a college smoothie but not silly, a calculating woman; Lois Neumayer, "Maggie," is left of left but genuine about it, a dynamic personality and utterly honest; Janet Mason, "Rosey," the daughter of an intellectual and conscious of it, the college oracle; and Jean Buckley as "Jinx," the eternal straggler, with a Southern drawl.

The production is under the supervision of Joe Zimmerman, instructor in the department of speech, and is staged by Nan Carol Morgan.

### India Traveler To Speak at Ag College Dinner

Twenty years of traveling through India, teaching, and being entertained at Indian courts, has given Mrs. Mason Olcott, guest speaker for the Ellen H. Richards dinner Tuesday evening, a real background for her topic, "India and Her Princes." The privilege of meeting Ghandi, personally, has been hers, as well as being acquainted with many Indian leaders. Her ideas of the present situation and formulation for those of the future are therefore well founded.

Mrs. Olcott's life in India began with an appointment to the principalship of a girl's high school
