Upon the shoulders of these three cage veterans rests a lion's share burden of the Husker cage mettle. Left to right are Bob Heinzelman, junior, who led the scoring against South Dakota; John Fitzgibbon, senior forward; and Johnny Thompson, who teams with "Fitz" at the other front line berth.

Presnell, Lewandowski, Pfeiff Apply For Spots In United States Service

Nebraska's war-shredded coaching staff, stripped of "Biff" Jones, Harold Browne and Harold Petz by the army last year, may lose its Glenn Presnell, athletic director and head football coach, to the U. S. navy.

Coach Presnell completed and passed his physical examination to the navy and his papers have been forwarded to Washington, the Omaha navy recruiting office announced late Wednesday afternoon.

Presnell, in the event that he is accepted, will be commissioned and probably assigned to the new

physical education training setup involving college reserves. Lewandowski, Too.

Another possible blow to the staff was indicated this week when Basketball Coach Lew Lewandowski made formal application in the naval pre-flight physical training program while in Kansas.

Nebraska will lose Bill Pfeiff, freshman football mentor, to the navy soon. He is scheduled to report for duty by the first of the year.

At the same time it was understood that Elmer Holm, line coach, had sought to have his commission in the U. S. army reserve renewed.

Cycyones Meet Farewell For Arms Drake, Cagers

AMES, Ia., Dec. 9.—Iowa State turns from a surprisingly strong Grinnell five to a well-advertised tough club from Drake in its last pre-holiday basketball game.

The Pioneers tossed a 37 to 30 surprise for the Cyclones in the first game played in the new Grinnell gymnasium Monday night. Drake invades State gymnasium Friday night.

"Grinnell was a good club Monday," said Coach Louis Menze. "They had speed, and they were hitting too regularly for us. The game further emphasized our lack of depth and size, though. We aren't big as Big Six teams go.

"We definitely lack size but I feel we may be able to make up for that to some extent with fight," Menze continued. "This is one of the scrappiest teams we've ever had here at Iowa State."

The play of Ray Wehde, forward from Colstein; Ron Miller, center from Cartou, and Ron Norman, guard from Fairfield, served to clinch first team spots for the trio. At the other forward and guard positions Menze will continue experimenting with several evenly matched players. Roy Wehde, Bob Hayes, Mark Meis, forwards, and Rub Mickelson, Gene Oulman, Royal Lohry, and Charles Gradoville, guards, are in the thick of the fight for the jobs.

Pivot Black Lost To Jayhawk Team

Kansas rampant hopes for the 1942 Big Six basketball title were dealt a severe blow Wednesday night when Charles Black brilliant all-conference center of last year who hit hoop for 243 points in 21 games was dismissed from the squad.

Black, 6 feet 4 inches tall, averaged 11 points per game in the past casaba campaign and was being consistently boomed as shining light of the Jayhawk squad this fall.

Head cage mentor Phog Allen stated the dismissal was because of insubordination of lack of interest.

Left to right are Glenn Presnell, head coach who took his navy physical Wednesday; middle is John Selleck, Husker money man; and right is Elmer Holm, line coach who is contemplating reinstating his commission in the U. S. army reserve.

Former Husker line mentor, Link Lyman, was selected by Grantland Rice recently on the All-Professional all-time gridiron eleven. Link was chosen at a tackle berth opposite Cal Hubbard of Michigan. Backfield included Dutch Clark, Jim Thorpe, Sammy Baugh and Bronko Nagurski.

Navy Reserve Enlistments Due on Dec. 14

The navy department advised the university late yesterday that students who signified their intention of enlisting in a Naval Reserve before the ax fell on all enlistments last Saturday will be able to complete enlistment providing they meet certain date deadlines.

Dean T. J. Thompson, armed services representative, was informed by the navy department that UN applicants must clear their enlistments at the local recruiting station by tomorrow.

Such students must report to the local station and make arrangements to go to Omaha Sunday afternoon for final physical examinations. The navy has set Monday, Dec. 14, as the deadline for all enlistment procedures.

More than 3,500 students who have attended the University of Wisconsin are now in the armed services.
