BY MARY LOUISE GOODWIN.

Some of our little pals suggested that we print this column solid black in honor of last night's black out. We thought it was a good idea too, so we took it up with the

editor so we write the column per usual. If anyone else has any suggestions, just send them in, they're all appreciated even if ignored.

Things happened thick and fast this week-end all of which goes to show that when the girls take over things get done. Mary Alice Lehr and Kappy Kellog both turned up at the DG house Sunday night with pins from FH Innocent Randy Pratt and Phi Gam Bob Miller respectively. It looked like a pre-

arranged deal but they all say that it wasn't.

Has Three Stars.

Mary Jean Fischer, Kappa pledge now wears the diamond and three stars of Beta Don Stewart all of which sews up in a hurry a little romance that started only a few short months ago.

Also turning up with a pin this week-end was Alpha Chi Wilma Schacht who gathered in the Phi Delt pin of none other than prexy Bud Kruger.

London have decided by mutual agreement to call it all off for a while anyway, but they're still the best of friends.

Burkett Farquahar, Phi Gam at Iowa State is in town to see Kappa Jane Titus—again.

No Dates.

Laura Lee Mundel of the Dorm and Phi Gam Russ Ledger are not dating until after Christmas vacation . . . Wonder if ATO Don Pappis has anything to do with this arrangement?

When Lt. Jim Seizer left town

he left behind a jeweled Phi Psi Sweetheart pin for Kappa June Jamieson to wear.

The Alpha Phis have another steady twosome in the house and it's none other than Joan Witt and Sig Chi Paul Toren. Looks like the feud's all over on that front . . . Now if only the girls will speak to Bob McNutt again everyone will be happy.

Alpha Phi Billie Kline and ATO Dale Porter aren't going steady yet but they do have a standing Saturday night date.

MEN who go down with their ships at sea—an Admiral or the helmsman of a tanker—pay the last full measure of devotion to their country. We who are buying War Bonds to replace those ships—are we merely *lending* our spare dollars—or are we *fighting* with them? We are fighting if we're scrimpers and savers—*spending less to lend more* to our country—for guns and tanks, planes and ships—for security of our flag, our homes and loved ones—and with the *best security* in the world for our investment: The promissory note of Uncle Sam.
