BY MARY LOUISE GOODWIN.
With one down and one to go, the smooth operators and the coy coeds spent this weekend patronizing successful college parties at the local hotel and Uni club. Staving off the reality of the approach of those gosh-awful finals, college activities or antics bring to surface such Sunday morning gossip as another Beta-Theta combination ending in a pinning Friday night. Brick Murray hung his diamond and three stars on pledge Mary Winter... Going steady these days are Alpha Chi Janet Mason and Phi Delt Dual Anderson.

Twitterpated.

A couple of constant twosomes are Phi Psi Dick Harnsburger and DG Virginia Trowbridge; and another DG Janet Krause and Phi Gam Frank White.

Initiations are taking place on a wholesale scale this week-end. Congratulations to the new actives of Alpha Tau Omega, Phi Gamma Delta, Beta Theta Pi, and Phi Delta Theta.

Back in town for a few days are Taus Tom Hood and Tom Miller... Also back on the campus for recruiting purposes were WAACs Maxine Cloit and Betty Jo Billsby, both lieutenants.

Having a great time at the Kappa party last night were Betty Hohf and Sig Chi Ronnie Metz; Nancy Newbranch and Sig Nu Don Anawalt; Catherine Wells and Sig Nu Cliff Bloom; and Nats

Bizad Banquet To Feature Presentation of Ten Keys . . . Wednesday Night

Gathering next Wednesday for their annual banquet at the Union ballroom will be the students of Bizad college, announced Dean J. D. Clark, dean of the college.

Curt Merrick, smooth Fiji operator, had visiting him this week-end his Pi Phi girl from K. U. There's a strong rumor on the wind that she took a Phi Gam sweetheart pin home with her.

Fiji Norrie Anderson and Ki Eisenhart flipped a coin to see which one of them would get to take Theta Lois Wright to the Fiji party—Ki won.

Having a wonderful time at the Sig Ep party the other night were Phi Gam Gene Reece and Alpha Phi Polly Ann Petty. This is another combination that spends a great deal of time in the grill over a coke.
