

Nuts from McNutt

By Bob McNutt

The column today could well be entitled "The trials and tribulations of an Alpha Phi trying to make her average" or "I may not be the best dancer, but boy! how I can intermission." The reason for this title is none other than Sadie Hawkins. Sadie has caused more heads to turn on this campus than any other girl. A pledge that was hard to control, she taunted actives and boys alike. She's a confirmed chain smoker, can and does eat and drink practically everything in sight and goes blithely on without gaining a pound.

At one time she was considered a monopoly of Alpha Tau Omega, but she recently showed them the Sherman Antitrust Law so is now a free agent. For all this she is a sweet girl who will go through life continually surprised at the crazy doings of other people. Incidentally she recently received her biggest surprise. She made her average!

One of the most popular couples on the campus passed the candy and cigars Monday night. Nate "Tubby" Holman of Sigma Nu, dean of law college poker players; and Betsy Wright of Alpha Chi Omega, short change artist of the Varsity Theatre, gave up the stogies and sweets with gusto.

Becky Gets Her Man.

Alice Louise Becker, after a careful check of her busy schedule, decided that she had time to ac-

cept Clifton "Flower" Bloom's proposal to go steady. Ought to be a good deal.

Joline Ackerman just looked up from her coke to tell me that the girls are being good and studying hard over at the dorm. This statement is more or less true, but I believe it is given mostly in self defense.

At the Alpha Phi party Friday night will go such unusual couples as John Bauermeister, Beta Sig, with Lois Christie, and Emerson Jones, Sig Chi with pretty, red-headed DeMaris Morton, two Lincoln people who have been seen together quite often.

Ben Took Over.

Kappa transfer, Betty Grubb, certainly didn't waste any time (with a southern accent why should she?) waiting for the phone to ring. Ben Clarke, Phi Psi was taking up all her time till he left for the army.

Larry Wentz, cagey Phi Gam conversationalist is unofficially credited with the top description of the week. He was telling of one of his numerous dates.

"We went for a long ride but all she did was shake her head. After sixty-three miles she told me her nose was caught in the windshield wiper."

Minus the Men.

Last night the Dorm girls received a preview of what to expect in a war time college. They held a party completely for girls. No ordinary party, one half the girls came dressed as boys, and brought the other half as girl friends. The girls brought boxes with various types of valentines while those coming as boys, bid for the boxes in pennies. The total amount of pennies bid will be turned over to the War Scholarship Fund.

Oh yes: Anyone interested in attending the North High Military Ball will please contact Lee White at the SAM house immediately.

Poem for today is dedicated with my humble apologies to Lois Wright.

New Actor Enters Play . . . Bill Todd Has Leading Role In Uni Theatre's Thunder Rock

BY JANET MASON.

A swift rise in the theater world brought Bill Todd, slightly dazed but none the worse for wear, into the lead of the University Theatre's next major production, "Thunder Rock."

Bill made his debut in the last production "Arsenic and Old Lace" which was his first appearance on the University stage. In the part of Mortimer Brewster, Bill appeared as the only sane member of the Brewster household and his surprise and agitation at the discovery of his sweet old aunt's tea-chery de-

Lincoln Journal. Bill Todd.

lighted the audience and caused many a side-ache from laughter.

Todd's rise was made more spectacular by the fact that he has had no technical dramatic training either in or outside of the school, as have most of the University Theatre Players. His experience has come solely from participation in high school plays.

In "Thunder Rock" Bill plays the part of Charleston, the lighthouse keeper. Charleston was once a newspaper man who became so disgusted with the state of world affairs that he quit his job and tried to find escape from the world's troubles by living as a hermit keeping a lighthouse on Thunder Rock.

ets are \$1.10 per couple and may be purchased at Simon's, Magee's, Harvey Brother's, Student Union, Uni Drug or from any Innocent, junior man or member of Corn Cobs.

'Ivy Day' . . .

(Continued from Page 1.)

bara True, Delta Delta Delta; Janet Gibson, Gamma Phi Beta; Helen Johnson, Delta Gamma; Mary Helen Farrar, Kappa Alpha Theta and Dorothy Smith, Kappa Delta.

Jeanne Browne, Kappa Kappa Gamma; Janet Hemphill, Pi Beta Phi; Jacqueline Woodhouse, Sigma Kappa; Becky Silverman, Sigma Delta Tau; Betty Malone, Lauralee Mundil, Barbara Stahl, Mary Russel and Addie Kloepper, dorm.

The Prom is being held this year in connection with university Charter Day. Coeds will be given a 12:30 night for the affair. Tick-

War Plan . . .

(Continued from Page 1.) delegated to that organization or to a group that will be able to carry out the project successfully.

New war activity plans must be passed through the War Council which will act as a clearing house for ideas, dates of performance, and direction.

Perfume—3.00-7.50
Cologne—1.50, 1.75, 3.00, 5.00
Plus Federal Tax

A shining gift of jewelry will make her know you care. A pearly clip, ear rings, perhaps a bracelet of colored stones, a brilliant pin. . . To put a light in her eye . . . a Valentine gift of jewelry!

1.00 to 7.50

"CRUSH GUNS ON YOUR LEFT"

See the throat microphone?

FIGHTING WORDS
delivered by
Western Electric Radio

Wherever American soldiers ride into battle in roaring "hell buggies," they get their orders over radio telephone sets. So do pilots of Army bombers and fighting planes—and the commanders of the Navy's deadly PT boats.

The Signal Corps needs great quantities of field telephones, wire and switchboards to get the message through. Aboard large naval vessels are battle announcing systems and sea-going telephones.

Sixty years of experience in making Bell Telephones gave Western Electric the "know how" to speed equipment that helps "keep 'em in contact."
