## Phi Gams, Phi Deltas Favored

... Quarterfinals  
Phi Gamma Delta, Phi Delta Theta, Kappa Sigma, and Farm House basketball teams have advanced to the 1943 I-M semifinals. These four teams earned the right to advance to the playoffs by virtue of winning league-clinching tilts last Tuesday evening.

Phi Gamma Delta's defending champions forged into the playoffs for the second straight year by easily overwhelming the Delta Sigs 40-8.

Playing without the services of veteran Don Anderson, who left for the army, the Fiji's had to depend upon Tom Hayes and Ned Nutzman for the needed points. Hayes dropped in 14 along with Nutzman's 10 to be the high scorer of the game. The winners held a half-time lead of 24-6.

Phi Deltas -32; Phi Psis -9.  
Phi Delta Theta clinched League Three honors by dumping the last place Phi Psi's 32-9. Every man in the winners entered into the scoring column with Fred Sutton nabbing high point honors with eight.

Farm House -12; Betas -9.  
In a nip and tuck battle the Farm House took the advantage of Beta's 12-9 to win the League Two title and a right to advance into the playoffs. Neither team held more than a four point lead during the game with the winners holding on to a mere 5-3 lead at the intermission. Murray Minthorne and Rauner each netted four points to lead the Farm House five.

Kappa Sigs -15; DU's -6.  
After leading by the score of 4-3 at half-time, Kappa Sigma's dark horse five led by Tangeman broke loose during the final period to ring up a 15-6 win over the favored DU's. Tangeman topped the scoring in the game with 10.

SAM's Drub ZBT's.  
For the third straight year the SAM cagers ran over the ZBT's in their annual battle—this year's score was 23-8. Behind speedy Bob Bramson the Sammies jumped into an early lead and by half time were leading 15-2. Bramson potted seven goals from the field plus one gratis toss to grab scoring laurels. The last half of the game was marred by much intentional fouling.

The remaining games found the ATO's swamping the Sig Nu's 22-12, the AGR's winning over the Theta Xi's 16-10, and the Sig Eps nipping the Beta Sigs 18-16.

## Harold Browne Visits Huskers

"I'm afraid college athletics have a pretty dismal future until after the war is over," was former Husker cage mentor, Harold Browne's opinion Wednesday. Browne, now Lieut. Col. Browne, is here on a short leave from his army post in California.

## Cyclone Track Men in Meet

NORMAN, Okla., Feb. 20—Plagued by pulled leg muscles both his sophomore and junior seasons, Archie Walker, most promising low hurdler in Oklahoma's history, will make a final bid for indoor hurdling glory at the Big Six indoor meet February 27 at Kansas City provided he doesn't rip another leg muscle meantime. As a Sooner sophomore in 1941, the 5-foot 8½-inch, 140-pound Walker looked like a potential national champion in the low hurdles because of his fast start, his flawless hurdling form and the fact he could sprint like blazes between the fences.

for the Sigma Nu's. In other "B" games, Phi Delta Theta won over the Phi Gams 11-4, Beta Theta Pi walloped the Deltas 23-1, Phi Kappa Psi trounced the Kappa Sigs 20-4, and the Farm House outscored the SAE's 12-6.

## ATO Reserves Head League

... SAM 2nd  
Led by "Chic" Zimmerman, Alpha Tau Omega's "B" team made their second defense of the class "B" championship a successful one by handing the Sigma Chi's a 15-6 beating. The ATO's have two more games to win in order to win the League One championship.

SAM 6, Beta Sigs 31.  
Sigma Alpha Mu jumped into second place in League One by staging a last half rally to tip the Beta Sigs 6-3.

Trailing 3-0 at the intermission, the Sammies paced by Morton Zuber tallied six markers while holding the Beta Sigs scoreless to turn apparent defeat into victory. Zuber tossed in the two winning baskets besides playing a stellar under the basket game to become the SAM star.

DU's 14, Delta Sigs 12.  
It took the DU's two overtime periods to edge out the Delta Sigs 14-12. Drummond was high for the winners with five points while Morrison topped the Delta Sigs with eight.

Sigma Nu became the first team to win a game by a shut-out this year as the ZBT's fell 20-0. Fellman Jones with ten points starred

## Lewandowski Preps Crew For I-State

... Young Captain  
Order from cage mentor, Ad Lewandowski, yesterday was for his cagers to "forget Kansas loss and bear down for Iowa State Saturday night."

Kansas once again applied its "spell" over the Huskers Tuesday night and once again the Huskers bowed before the Allenmen. Not within the past three years can UN court aggregations point to a victory over the Kansans.

Thompson Hot.  
Only bright spot during the Jayhawk fray was Johnny Thompson's sparkling play. John scored ten points to lead his mates.

Veteran guard, Max Young, will captain the Huskers against the Cyclones.

Main Husker enigma Saturday night will be to solve the offensive sorties of "Add" Wesche, star forward. Wesche led the Cyclone rally that nearly tipped Missouri Monday night. The Tigers finally copped, 31-28, via a determined stint of last-second goaling by Thornton Jenkins.

## Weir Squad Continues Indoor Prep

... Schleich Shines  
Ed Weir's spikemen spun thru trials and preparations for the Big Six conference championship go at Kansas City with all hands on deck and in tip top shape last night.

Ord flyer, Al Zikmund, sprint "hot foot," continued to pace 60-yard dashmen in drills. Culwell and Hazard battled it out in the quartermile, and Schleich hit close to the 50 foot with the iron pellet.

Weir announced that his charges would leave Lincoln Friday morning and that preliminaries in the sprints, quartermile and halfmile would be run of early Saturday morning prior to finals in the afternoon.

Missouri is heavily-favored to slam the Big Six extravaganza, with Nebraska and Kansas State given the inside track spot for the second spot. Oklahoma and Kansas haven't had any cinder trials thus far and Iowa State didn't reveal anything in their season's sole meet with Drake.

## "Intramurals Are In"—Phog

... Blah, Blah  
LAWRENCE, Kans., Feb. 20.—Kansas' basketball czar, Dr. Forrest "Phog" Allen sounded off again tonight, assailing what he called an athletic lobby and declared "we can forget intercollegiate athletics for one or two years and go into intramurals so that every soldier will get actual participation."

"I would much rather go into the larger work of developing these boys to a physical condition which will insure them a better chance in that 20 seconds of mortal combat when the boys grip with the enemy. I consider it an unhealthy state of affairs when athletic people are shocked by the recent reserve ruling concerning college athletics."
