

# Coeds Sign for War Work

## Four Activities Show Lead in Registration

Heading a popularity poll of women's war work are USO and Lincolnette hostessing, the newly formed Women's ROTC under the sponsorship of Coed Counselors, and Red Cross surgical dressing. Over 300 women have registered during the first two days of war work enrollment.

Registration for all university women will continue thru Friday of this week in the Union lobby every afternoon. Each coed is asked to register her number of hours of class work, employment and extra-curricular activity this week. If she is carrying a schedule into which she cannot fit any war activity, she may be excused from participation, but she is asked to register her name and address.

Those who do not register during this week will be contacted by the War Council, sponsor of the plan which has been approved by the office of the dean of women. Catherine Wells, member of War Council, is heading the work.

Also included in the list of war activities are Red Cross knitting, First Aid classes, Rag Tags, war stamp sales, and emergency relief work for any civilian organization whenever needed.

### Lincolnettes

Lincolnette and USO work may be done any day of the week, the choice of time being up to the individual. Lincolnettes must sign

in the office of the dean of women after registration with the War Council. They will then be assigned with the university division of Lincolnettes and to a company in this division.

### USO Hostesses

USO junior hostesses sign with the local USO center at the Rudge & Guenzel building downtown after registration with the War Council. They then choose a week night or weekend night when they can entertain regularly. Junior hostesses are expected to serve as dance partners, play bridge, and various games at the USO center. They will also receive notification of various special dance nights, which they may attend if they wish.

### Surgical Dressing

Surgical dressing is sponsored by the YWCA, is held for the university women every Saturday either from 9 to 1 p. m. or from 1 to 5 p. m. Saturday is reserved at the Red Cross center in the Telephone building for university students, but women may work there any time during the week that they wish.

### Service, Knitting

Knitting is also offered as a war activity. Needles, patterns, and yarn may be checked out from Red Cross headquarters and

## Women at War . . .

Illustrating university women at war work is the soaring university war stamp sales. Sponsored by the War Council and in charge of Tassels organization, women sell stamps on the two campuses every Wednesday.

the articles finished as soon as possible on the individual's own time.

### First Aid

First Aid classes are sponsored by AWS, and are under the leadership of Ann Craft. The class runs ten weeks, two hours a week. A Red Cross certificate is given at the end of the course after an examination. Women may sign for this class separately or take it in conjunction with the Women's

ROTC. The class is offered from 3:30 until 5:30 p. m. Tuesdays.

### Rag Tags

Rag Tags is the Cornhusker newsletter which is sent monthly to former Nebraskans now in service. This activity is sponsored by the War Council, and is under the direction of Margaret Beade and Gil Ryder. Girls may participate in this work any week day or Saturday from 2 until 5:30 p. m.

### War Stamp Sales

War stamp sales are under the sponsorship of Tassels and girls who wish to sell on Stamp Wednesdays at any hour may be used. Occasionally these girls may be called to sell stamps on special occasions, such as rallies, etc.

### Relief Work

Emergency relief work will not be a weekly activity in all probability. From time to time civilian organizations in the city call on the university to fill secretarial positions, or other positions which have been temporarily vacated by the regular person. Such calls will be relayed to the reserve relief list.

### Women's ROTC

Newest war activity on the campus is Coed Councillor sponsored women's ROTC. This will include one hour of drill under the direction of Lt. Robert Adams of the military department, to be given from 3:30 until 4:30 p. m. Thursdays. The remaining hour will be devoted to one hour of class in staff assistants, map reading, radio, aerial navigation, photography, and cryptography.

The choice of the class is left up to the coed. All classes have not yet been worked out, but plans are being made by Catherine Wells to eventually include a well-rounded program.

The recommendation has come from the women's physical education department that all freshmen and sophomore girls registered in individual gymnasium at the department not register for the hour of ROTC drill. This is recommended merely to protect the

## War Council Introduces New Speaking Plans

Announcement of a speaker's bureau institute, and an intra-mural victory speaking contest were the highlights at the War Council's meeting Tuesday. Barbara Shonka, chairman of speaker's bureau presented the plans to the group.

The institute, to be held in the near future, will consist of one or more evening sessions. It will furnish volunteers with material prepared by the Office of Civilian Defense. These students will answer campus and city calls for speakers, and will become familiar with many questions which face civilians today.

### Instead of Debate.

An intra-mural victory speaking contest is scheduled in place of the annual intra-mural debate which was won by Phi Kappa Psi in 1942.

Speaker's bureau is one of those activities included in the present War Council drive for active participation in the war effort by college women.

## Highland Uni Begins Course In Radio Work

LAS VEGAS, N. M. (ACP).—A summer session workshop at New Mexico Highlands university for elementary teachers in Spanish-speaking communities of the state has been virtually assured in a communication from Nelson A. Rockefeller's office of inter-American affairs.

This program—first of its kind to be set up in New Mexico—together with special retaining courses for teachers, will make Highlands' 1943 summer session the most important and extensive in the school's history, according to Dr. Edward Eyring, president.

### Conduct Radio Classes.

With cooperation of the office of the coordinator of inter-American affairs, Highlands will institute a six-week workshop to prepare especially-selected rural teachers to conduct radio adult-education classes. These teachers, working under scholarships, will prepare materials for weekly broadcasts in Spanish to community listening centers.

Highlands' summer-school retaining program will include courses for teachers in pre-flight aviation, machines, shop work, chemistry and mathematics, according to Harlan Slinger, director of teacher training. "Plans also are underway to offer work in radio and electricity," he said.

The University of Texas leads the south and ranks 13th nationally in number of its graduates to be admitted to the American Institute of Accountants.

Intensive instruction in Japanese is being offered by the University of Michigan and more than 20 Michigan students already have been placed in government service.

health of the girls participating. The work as planned at the present will not be strenuous, but will be extended to include calisthenics and obstacle running in a short time.

### Arrow Service Ties and Handkerchiefs

Wherever your soldier, sailor or marine is stationed, he'll like these regulation Arrow Ties and Handkerchiefs!

The Arrow Military Ties have a special lining that makes 'em wrinkle-resistant and perfect knotting. Made of Khaki!

### WAR BOND QUIZ

Q. In what denominations are War Savings Stamps available?

A. Savings Stamps are issued in denominations of 10¢, 25¢, 50¢, \$1, and \$5.

Q. Is the registration of War Savings Bonds a matter of public record?

A. No. Records of ownership of War Savings Bonds are confidential and information is given only to those persons whose right to it is fully established.

Q. Where can I buy a War Savings Bond?

By Gil Crockett.

A. At United States post offices of the first, second, and third classes, and at selected post offices of the fourth class, and generally at classified stations and branches; at Federal Reserve Banks and branches; at most commercial banks, savings associations; credit unions; other financial institutions; many retail stores, theaters, and other official sales agencies; or through a Pay-Roll Savings Plan. You may also buy them by mail direct from any Federal Reserve Bank or branch, or from the Treasurer of the United States, Washington, D. C.

Q. What is the limit of ownership of War Savings Bonds?

A. There is an annual limit of \$5,000 maturity value, a \$3,750 cost price for each calendar year, of bonds originally issued during that year to any one person.

Remember—the longer you keep War Bonds, up to 10 years, the more valuable they become.
