Mentor Len Chattick's Blitz Kids were easily the class of the 1943 Barb I-M basketball league as they ran up eight victories against no defeats for this year's championship.

To show you the power of the Blitz Kids, the runnerup clubs, the Cornhusker Co-op and Stibonia fives, could only garner five wins out of eight contests.

John Schlesiger, frosh basketball, and Dan Bristol were the shining lights in the Blitz Kids drive toward the title. Schlesiger could always be counted upon for his scoring ability while Bristol used his 6-4 frame to an advantage under both baskets.

Tom Brogan of the I-M office put himself on the spot yesterday by coming forth with his all-barb squad. At the forwards, Tom placed Harold Brietzke of the S St. five and Warren of the ACBC's. Dan Bristol was chosen

### Drake Frosh Set For Relays

DES MOINES, Ia., March 18—Billy Moore, former Logansport high school star, now a freshman at Drake University, is expected to be one of the leading contenders for pole vault honors in the Purdue relays here on March 27.

Moore finished second to Cornelius Warmerdam with a leap of 14 feet at the National AAU meet at Madison Square Garden, New York City.

as tops among the pivot men. Joe Noble of the Cornhusker Co-op five and Schlesiger of the Blitz Kids were chosen for the backcourt spots. Redheaded Dean Brubaker of the Brown Palace was selected as utility man.

I-M ping pong is now in full swing. After viewing most of the matches we have noticed many outstanding performers.

### Sig Alps, DU's Win Handball

With two nights of firing in the I-M handball tourney over with, both the SAE's and DU's have reached the quarterfinals. The SAE's easily walloped the defending champion 2BT's to gain the quarterfinals, while Dick Luther and his DU quartet were shutting out the ATO's, 4 to 0.

### Snow Stops UN Gridders

A snowbound gridiron stymied Cornhusker drill Thursday and froze out Mentor Glen Presnell's plans for an outdoor practice session.

Attention continued to be turned toward the prospective Missouri-Nebraska spring contest. Irregularity of Cornhusker practice attendance thus far indicates that such a match is required if the spring grid sport is to survive the scheduled six-week period.

Calesthenics were conducted beneath east stadium Thursday, followed by several warm-up drills.

### Sooners Complete Program

... Spring Grid

NORMAN, Okla., March 18—Probably the first major school in the nation to finish a full season of 1943 spring football training, Oklahoma will have football next fall as she did back in 1918, barring unforeseen war-time complications.

Coach Dewey "Snorter" Luster's Sooners just completed a six-weeks training period during which they played four matched games.

War Takes Toll.

Several of the boys in the recent spring drills won't be around next fall, including Eddie Davis, 200-pound junior spinner back who was the backfield star of Luster's 1943 exercises, and Jim Tyree, veteran junior end. Davis and Tyree are in advanced R. O. T. C. here and probably will go to indoctrination camps in July, but will each have another season of competition after the war.

Among the letter backs who may be back next fall are Juniors Myrle Greathouse and Son Wright, marine reserves. Boone Baker, junior in naval R.O.T.C., and Pete Cawthon jr., engineering junior. Among the sophomore backs expected to return is Derald Lebow of Okmulgee in naval R.O.T.C.

"O" linesmen who may return are Tackles Chris Lambert and Bill Morris and End Don McDonald, all marine reserves.

Doubtful Status.

Experienced players whose status is more doubtful are Backs Don Fauble and Oscar Raglin, and Forwards Stanley Green, Wayne Godall, Albert Downs and Lee Kennon.

### ZBT Ping Pong Wins Contest

... Defending Champs

Led by Al White, Zeta Beta Tau's ping pongers started the defense of their ping pong title in a successful manner by easily trouncing the AGR's 4 to 1 last Tuesday evening. The ZBT's came back Wednesday to eke out a 3 to 2 decision over the strong Betas. The Zebes now lead league one with two wins against no setbacks.

With a record of two wins and no defeats, the Phi Phi Psi paddle men lead league four. Before last night's SAM-Sig Nu match last night, both were tied for the leading spot in league two. Last Tuesday night the Sammies whitewashed the Alpha Eigs 5 to 0 and the Sigma Nus nipped the Phi Deltis 3 to 2.

These games do not include last night's matches.

### Crowded House Spoils Indiana Football Drill

BLOOMINGTON, Ind., March 18—Because of the crowded condition now existing in the Fieldhouse, the opening of the new extended program for the spring football season, which will include any boy who would care to come out, will be postponed until weather permits outdoor practice. Bo McMillin, head football coach, said yesterday.

Approximately forty men from last year's freshmen and varsity squads have been working out for the past two weeks. Eight veterans, who began spring practice have left for the armed service. They are: Bob Cowan, Bob Dean, John Kokos, Bill Clarkson, Paul Herron, Hugh Jones, and Tony Montogano.

The familiar figure of all-America Billy Hillenbrand was seen running thru backfield intricacies and scrimmage with those of Chuck Jacoby, Hugh (Knocky) McKinis, and Lou Saban.

Other veterans who have gotten out the helmet and pads are: Ed Bell, Ted Hasapes, James Kernis, Mike Saban, Dick Tacket, Bob Zimny, Pete Pihos, Howard Brown, James Dewar, Tom Moorehead, and Joe Zuzga.

### Wolverines Set New Mark

ANN ARBOR, Mich., March 18—Michigan's 53½ points in the recent Big Ten indoor track meet topped all other teams scoring performances in the 33-year history of the meet. Sixteen of the 20 Wolverine entries in that meet placed, five of them winning firsts.

Ten of them surpassed their best previous all-time performances and 12 bettered their best previous efforts for the current season, leading Coach Ken Doherty to declare it was the best group performance in Michigan track history. The Wolverines have now won the conference indoor championship eight times in the past 10 seasons.
