

# Party Line

BY JUDGE MASON.

Those poor unfortunate victims who may be classified as readers of this column will be happy to know the canned stock of moron jokes is running out. This is our last sad attempt: Did you hear about the campus coeds who cut off their arms so they could wear short-sleeved sweaters.

What could be more appropriate than to start out with a prediction? Anything?

Prediction: Beta Wilbur Weidman will lose his pin before May to his blond high school flame Sally White.

Alpha Phi Patty Gilligan recovered beautifully from her steady deal and was seen coking in the Union Thursday with ATO Bob Olson. While sleuthing in the Union grill we came upon a very touching sight—Jo Ann Kinsey and Ginny McCulla crooning to each other over their cokes.

Leaving for Omaha.

In the past two weeks the shortage of men has been blamed on the ERC but this week end Omaha is the cause. Leaving for "entertainment" town are ATO Birdie James and Theta Marge Heyn, Nina Nix, Alpha Chi, and Beta Dick Howell, Alpha Phi Margaret Reese and Beta Bur! Folsom, Theta Barbara Schlater and Bill Gist, and Alpha Phi Suzie Lynch and Beta Dick Smith.

One would wonder if a picnic could be called an honor party but the undaunted Gamma Phis inform us that they are giving a picnic in honor of Natalie Newman and Paul Teich from Ames. It should be a good send off to the army.

Gals Sing to Profs.

One of the brighter sororities on the campus remembered their professors April 1 by calling them to sing "April Fool's day to you"—or how to get along with your profs.

An interesting sight seen within the last few weeks is Paula Lee Jones with ATO Don James. Don's brother Bob is engaged to Paula's sister Mary Jean. How's that for keeping it in the family?

Bill Wisman Sigma Nu will be given the brush off this week end by Pat Beadle, Chi O, when Pat's boy friend from the air corps arrives in town. As one cadet returns another leaves putting Dorothy Black, Chi O, back into circulation. Taking Bob Jenkins place this week end will be ATO Bob Buxton.

Add a Wedding.

Betty Klinge Alpha Xi will be married Friday evening to cadet Jack Knicely in St. Louis, Mo. Standing up with the couple at the ceremony will be Jean Wochner, Alpha Xi, and cadet Dale Brockmeier Farmhouse.

Eddie McCullough, Alpha Sig, stepped blindly into trouble when he started dating Pat McIllece and Ginny Kousel, Gamma Phis. Both girls being the best of friends, it is not impossible that Eddie will be dragged over the coals.

What could be rarer than the news that ATO Bob Schlater just hung his pin on DG Jane Emery? In fact the news is so rare that we can only end by saying "April Fool is gone and past, and it looks like we're the biggest fools at last."

## Miss Petty Tells Changes In Foundation

Chairmanship of three offices of the Student Foundation have been altered recently, according to Polly Ann Petty, head of the organization.

Replacing Lila Jean Howell, who is new district vice-chairman of the Foundation, is Margery Hull as chairman of District IV. Shirley King replaces John Dale as chairman of District VI. Dale has left for the armed forces.

Mary Ann Mattoon was appointed to the position of assistant publicity chairman. Contributions to the War Fund in the last week include \$25 bonds from Ag Social Council, Alpha Gamma Phi, Theta Pi and Gamma Phi Beta.

## Staff Member Rivals Emily Post; Tells How to Lose Pals

BY NORRIS ANDERSON.

We've been drafted to give the heretofores and wheretofores here on what is wrong with life in general and how to make yourselves popular.

People love other people who make them do things for them—particularly if it is performing such small courtesies as squeezing one's self, in one's best suit, underneath the seats in a theater in search of a shoe. Or scraping up and down steps gathering a few truant articles that just "slipped" out of a purse, accidentally dropped by a coy bit of female fluff.

Those Hats!

There are, of course, innumerable other methods of making yourself desirable to your seats

of friends—wear the largest off the face hat you have to a movie just to show your pixie features. No one will blame you, of course, if you don't want to mess your hair by removing it.

If you are spending the night at a sorority house, be sure to undress in front of a lighted window. Such organizations as the Phi Sigs or Sig Deltas unanimously approve.

That Clean Smell? ?

Always go horseback riding just before coming to classes and don't make yourself late by taking time to wash or change your clothes. No one minds a good clean outdoor odor, so the whole class will enjoy the rustic atmosphere you carry with you.

Below are several poems which further illustrate our "Win Friends

and Influence People" campaign:

Bathroom hogs  
Who disregard time  
Better beware  
When they pass this line.

His love of horses  
Mules and Asses  
Smells acute  
In schoolroom classes.

Overstuffed purse  
And a very loose snap  
Shows unpatriotic  
Hoarding of scrap.

Watch out my dear!  
On this we frown—  
The wolves will howl  
If the blinds aren't down.

Hats in movies  
Which some girls wear  
Cause men around them  
To shriek and swear!

We have one more gripe to attribute here before this chatter closes: That those Union sign painters learn how to spell. Really, boys!

## 304 Children Make Uni Head 'Mom' Hope

OXFORD, Ohio. (ACP). Because she has four sons and 300 'daughters,' girls at Western college have chosen their president, Mrs. Alexander Thomson, to be Western's candidate for America's outstanding mother of 1943.

They are sending her name to the Golden Rule foundation, which selects America's "Outstanding Mother" each spring.

"Ordinarily," they said in nominating her, "college students think only of their own mothers on Mother's day. But in the two years Mrs. Thomson has been with us we have come to know, admire and love her. She has often called the Western community one big family, and because this is true we think of her as the head of our college family."
